

CVO-CO-October 9, 2013.

The Principal,

Sir,

Sub: **FACT - Essay Competition on ETHICS - 2013.**

Under the guidance of the Central Vigilance Commission, every year, during the months of October-November, we are conducting various Vigilance Awareness Programmes to sensitise public against Corruption. This year too we are organizing the "Vigilance Awareness Week" in a more intensive manner. Efforts are being made in the "Vigilance Awareness Week" to generate discussion on the biggest problem faced by our country today, i.e. Corruption.

We have to inculcate in the minds of our younger generation, in an uncompromising way, the spirit of selflessness, ethics and integrity for the sake of the community as a whole. We have to instill in their minds the need to maintain highest standards of ethical behaviour and attitude of zero compromise on Corruption. It is our duty to keep our posterity motivated in the relentless fight against all forms of unethical behaviour. Our former President Dr.A.P.J. Abdul Kalam had aptly pointed out that "Only three people in the country can really solve the problem of Corruption: the Mother, the Father and the Teacher" As part of FACT's social responsibility and community outreach programme, we are planning to conduct an Essay Competition among the School children. It will be open to students studying in 11th and 12th standards of all Schools situated in Ernakulam District.

Your support is solicited in this regard. Please encourage maximum number of students to participate in this Competition and forward their Essays to CVO, FACT Ltd., at the address given above by not later than 25 October 2013 at 4.00 PM. For further details please see the annexure. The relevant details are also uploaded on the FACT Website www.factltd.com. Cash Prizes and Certificates will be awarded to the winners.

Thanking you,

Jai HIND!

Yours faithfully,

J.Vinayan, *I.R.T.S.*
Chief Vigilance Officer
