

Skill Development Initiative based On the Job Training at FRBL

Due to the recent spurt in the number of Engineering/ Professional colleges/Institutions, there is a growing demand for facilities for Skill development to prepare the profession seeking post qualified persons in the society. It is projected that the need for skilled personnel will be enormous in the near future in view of the high GDP growth rate in India. Honoring the social responsibilities in this regard, FRBL is facilitating skill development Training courses for Technical and Non-Technical Job seekers in specific domains of expertise/disciplines. This is to impart Industrial skills with on the Job assignment based hands-on-training for the Trainees to equip themselves to take up future Job assignments/Career and to equip them to be selected for Professional placements in Industries or commercial establishments in future. In the course of the skill development, the Trainees will work along with the staff of FRBL in real plant/office situation and those posted in plant may have to work in shifts as well. In short, the Industrial experience imparted at practical level and at problem solving and trouble-shooting fronts shall be a great asset on the practical exposure and theoretical case studies evaluation will also be imparted under the scheme during the scheduled six months period of the skill development. After successful completion of the program, and after assimilating the rich professional experience, a Certificate will be issued to the Trainee which will greatly help his/her future professional Job pursuits.

At FRBL, the HR department is coordinating the skill development initiative as part of FRBL's commitment to the society and potential Job seekers who have acquired requisite academics. To avail this facility, applicants have to send in their application in prescribed format along with self attested copies of certificate to prove their qualification, SSLC, Id proof etc addressed to Manager (HR & Admn), FRBL, Ambalamedu, Kochi- 682303, along with copy of their passport size photograph for availing the above facilities. 50% of Fee has to be remitted before issuing the confirmation letter for getting the admission to Skill development training. On the day of commencing the training, they have to remit the fees in Demand Draft or NEFT at selected branches of Nationalized Banks as directed by FRBL. (Service Tax Applicable). The seats are very limited in number to facilitate close coordination and ensure efficacy in the skill development initiative aimed at equipping & shaping a skilled professional Career for the applicants.
