CIVIL CONTRACTS & PLANNING

CORRIGENDUM NO.8 FOR TENDER CANCELLATION

Sub: Civil Works for Expansion of Substation at Q10 Berth, Willingdon Island, Kochi, Ernakulam (Dist)

Ref: Tender No. 04046/2019-2020/E21177 dtd 24.02.2020,
CPP E-Tender ID: 2020_FACT_547655_1.

- (1) There is a change in the scheme. Kindly note that location of Phosphoric Acid tank is changed and Sulphuric acid tank is envisaged only in next phase. Preliminary works to create space for tank construction are no longer required. In view of above, the competent authority has decided to cancel this tender.

It may be noted by the interested bidders that the above tender which was scheduled to open 10-06-2020 is hereby cancelled due to technical reasons. Kindly note that this tender cancellation has the approval from competent authority.

The corrigendum for cancellation of this tender is also available on website www.fact.co.in.

- (2) Hard copy of documents in sealed covers (including solvency certificate, Integrity pact etc. if any) submitted by bidders will be returned by us in “*Unopened condition*”. Complete address for communication shall be furnished to us.
- (3) We are cancelling this tender before bid submission end date & time / before opening of bids. Hence for releasing of EMDs remitted by bidders through Online, the following documents shall be furnished to us via. email / post / by hand.
- (a) Request for releasing of EMD along with the following documents (b) to (e).
 - (b) **Vendor data form** as per proforma attached along with tender document (for new vendors)
 - (c) **Master data required for on line payment** as per proforma attached along with tender document (for new vendors)
 - (d) Details of EMD remitted by bidder such as Instrument Ref /UTR No., Date of transfer, NEFT amount etc..
