**NOTE:**

Please read the below given instructions carefully before submitting the price bid. For any clarifications of doubts, you can contact Senior Manager (Materials)T&S, [Phone No 0484-256-8345; deepakvs@factltd.com] or Assistant Manager(Materials)T&S[Ph.: 0484-256-8629/paulpt@factltd.com], CORPORATE MATERIALS, FACT Ltd., FACT PD Administration Building, Udyogamandal PIN-683 501. Complaints after bid submission will not be entertained.

- I. Multi-sheet BoQ is used in this tender. This type of BOQ will include separate sheets for quoting for each RH destination and the summary sheet. Hence the BOQ will be containing Five (5) separate sheets.
- II. The primary sheet of the BoQ is the summary sheet where the total rates quoted against all RH destinations will be displayed automatically. Bidder doesn't have to do anything with the summary sheet other than verifying the displayed value. The summary sheet will be automatically filled up using the data from other sheets for RH destinations.
- III. In the BOQ sheet for each destination, the estimated rates are shown for each item. The bidder has to enter a single "Excess (+) or Less (-) percentage" for each RH in the BoQ for which the bidder wishes to quote.
- IV. This Excess (+) or Less (-) percentage quoted by the bidder will be applied on the FACT's estimate for each item of work for the RH and the rate per unit of each item of work quoted by the bidder will be automatically calculated. GST shall be extra.
- V. Please note that the UoM for most of the items of the work is "MTK" (quantity in MT (1000 Kg) multiplied by distance in km) as quantity to be transported would depend on actual requirement and the point of delivery cannot be ascertained now for FOL basis transportation. Therefore, multiplying the rate for these slabs (Rate computed from the quoted percentage) quoted in Rs. Per MT per Km with the quantity in MTK (as provided in the enquiry) will give the value of the respective transportation work.
- VI. **Bidder quoting for a Particular RH shall Mark "Y" in the blank cell provided below the total estimated amount for that particular RH and submit along with Part A bid.**
- VII. If it is found and verified that bidder has committed any kind of malpractice while filling up the BOQ, he/she shall be immediately disqualified without further notice.
