A CIVIL							
1	Replies to Pre-bid query dtd. 04.04.2020 Commercial, Sr. No. 6 Technical, Civil & Structural, Sr. No. E1 Corrigendum, Civil, Sr. No. B 2	2 of 14 9 of 15 5 of 6	B.CIVIL	1	Civil & Structural Contractors scope of work	As per the replies to pre-bid queries, removal of underground concrete structure limited to Bidder's scope mentioned in drawings provided in Annexure-2 (EXISTING CIVIL FOUNDATION DRAWINGS – 3 PAGES). All other aboveground and underground structure, obstruction, pipeline, cables, concrete etc. shall be removed/dismantled by Owner. For the extra time required by Owner for removal of underground facilities as mentioned above, the project time schedule shall be extended suitably and price implications, if any, shall be mutually discussed and agreed upon.	Owner will be removing All other aboveground and underground structure, obstruction, pipeline, cables, concrete etc. before issuing Notice to Proceed to the Contractor. Hence there is no extension of time schedule and price implication envisaged.
2	Replies to Pre-bid query dtd. 04.04.2020 Commercial, Sr. No. 6 Technical, Civil & Structural, Sr. No. E1 Corrigendum, Civil, Sr. No. B 2	2 of 14 9 of 15 5 of 6			Civil & Structural Contractors scope of work	Relying upon the soil data provided by Owner in the ITB, bidder assumes that there is no contamination in Soil at the PLANT, however during the execution, if there is any contamination of soil is observed resulting in the potential source of health hazard then FACT shall take necessary steps / measures to restore the situation to the normal for the Contractor to carry out his part of scope of work. In such cases the time schedule shall be extended suitably and price implications, if any, shall be mutually discussed and agreed upon.	No Contamination is envisaged at the proposed location.
