7	4800016965	28-02-2023	RELIANCE COMMUNICATIONS LTD	LEASED LINE-MKT ASCS	INR	20,00,000	Only BSNL and RELIANCE COMMUNICATIONS LTD. have Optical Fibre cables terminated at FACT. Changing the service provider will result in change in static IPs which will necessitate re-configuration of servers, routers, firewall etc. and is a complex and time consuming task and cannot be accomplished without significant system down-time. Moreover, the market rate of BSNL for the Internet leased line services at 500 Mbps(Enhanced speed) is more than the rate of the same service provided by RELIANCE COMMUNICATIONS LTD.
