Vendor Development Meet 2026 – Electrical Items & Bearings

The Fertilisers and Chemicals Travancore Limited (FACT), a Government of India enterprise, is a diversified public sector company engaged in the manufacture and marketing of fertilisers and chemicals, along with engineering and consultancy services and fabrication works. The Company is committed to fostering long-term partnerships with its vendors through transparent, efficient, and collaborative procurement practices.

As part of this commitment, FACT is organising the **Vendor Development Meet 2026 – Electrical Items & Bearings**, providing a collaborative platform for meaningful discussions with valued vendors on operational improvements and procurement processes.

We particularly invite the participation of vendors dealing in electrical items and bearings, and encourage those in these categories to join the programme.
