Vendor Development Meet 2026 - For Work Contracts

The Fertilisers and Chemicals Travancore Limited (FACT), a Government of India enterprise, is engaged in the production and marketing of Nitrogenous and Phosphatic Fertilisers. The Company is committed to fostering long-term partnerships with its contractors through transparent, efficient, and collaborative procurement practices.

As part of this commitment, FACT is organising the Vendor Development Meet 2026 - For Work Contracts.

The meeting aims to provide a collaborative platform for meaningful discussions between FACT and its valued contractors, focusing on operational improvements and procurement processes.
