CHAIRMAN'S *Message*

Dear Shareholders,

I am pleased to present the 80th Annual Report of FACT for the financial year 2023-24, highlighting the Company's physical and financial performance.

I would like to begin by expressing my heartfelt gratitude to each of you for your unwavering support and investment in FACT. Your steadfast confidence in us drives our pursuit of new milestones and achievements.

PERFORMANCE OVERVIEW

The financial year 2023-24 was challenging for the fertilizer industry, marked by volatility in the international market and unfavorable climatic conditions. Despite these obstacles,

FACT achieved a turnover of Rs.5054.93 crore and a profit of Rs.147.17 crore. Your Board has recommended a Final Dividend of Rs. 0.97 per equity share.

FACT demonstrated resilience with impressive production levels, achieving 10.70 lakh MT of fertilizer production in 2023-24, including 8,27,717 MT of Factamphos and 2,42,577 MT of Ammonium Sulphate. We also produced 34,662 MT of Caprolactam.

Total sales across all fertiliser products reached 11.76 lakh MT for 2023-24, reflecting an 18% growth compared to the previous year's sales of 9.96 lakh MT, despite adverse climatic conditions and stiff competition. FACT achieved sales of 8,21,012 MT of Factamphos, 2,22,353 MT of Ammonium Sulphate, 34,841 MT of Caprolactam, and 1,06,906 MT of imported fertilizers.

The highly competitive product pricing, rise in cost of raw materials and the revised Nutrient Based Subsidy (NBS) rates have impacted revenue. Additionally, adjustments for NBS revisions, recovery of profits and naphtha compensation, of prior years, were accounted for in 2023-24.

FACT successfully implemented various government programs, including PMKSK, PM-PRANAM, PM-Mahila Kisan Drone Kendra, Viksit Bharat Sankalp Yatra, and the Community Radio Program.

Expansion and Market Development

As part of our market expansion and territory reorganization efforts, new zones have been established in Andhra Pradesh, Telangana, and Odisha. Additionally, operations have commenced in Maharashtra.

Our Engineering and Consultancy Divisions continue to undertake and implement both internal and external projects, adding further value to FACT's performance.

ECONOMIC SCENARIO

India, the world's second-largest consumer of fertilizer after China, plays a crucial role in the global agricultural economy. The fertilizer industry is essential for the production of key agricultural inputs.

The Indian fertilizer industry is on a robust growth trajectory, projected to reach a market size of Rs.1.38 lakh crore by 2032, with a Compound Annual Growth Rate (CAGR) of 4.2% from 2024 to 2032.

Government initiatives, such as direct income support schemes from both central and state governments, have enhanced farmer liquidity, leading to increased investment in fertilizers. Geopolitical factors have influenced India's fertilizer market, prompting the government to prioritize domestic production of nano urea and nano DAP to reduce dependency on imports.

FERTILIZER SECTOR

The rising consumption of resources underscores the need to enhance agricultural productivity to meet the growing global demand for food. The fertilizer sector in India is integral to the agricultural industry, responsible for producing and distributing fertilizers essential for crop growth and soil fertility.

MARKET CAPITALIZATION

FACT's robust performance has resulted in a market capitalization exceeding Rs. 70,000 Crore recently, reflecting the Company's strong presence in the market. Our stock price has outperformed the sector, showcasing our potential for growth in the fertilizer industry.

FUTURE OUTLOOK

FACT is well-positioned for continued success in delivering consistent and sustainable growth. We firmly believe that reinforcing our core business is pivotal for ensuring the long-term sustainability of FACT. Our business can expand beyond its traditional market through added production, product diversification, improved quality, customer service and deeper customer connect, underscoring our commitment to sustainable growth and positioning ourselves as a leader in emerging growth areas. Toward this end, FACT is implementing various schemes.

The Company plans to increase fertilizer trading activities this year.

In addition to the long term RLNG supply agreement with Indian Oil Corporation Ltd., we have been able to reliably source Sulphur and Benzene from domestic suppliers.

With the establishment of a 1650 TPD NPK plant and the implementation of various CAPEX projects which are in the pipeline, your Company is expected to increase fertilizer production from 10 lakh MT to 15 lakh MT per annum, significantly boosting turnover and profit.

Our R&D efforts are focused on developing new fertilizer formulations to drive future growth.

CORPORATE GOVERNANCE

FACT consistently strives for transparency in all business activities, adopting the best procedures and policies. We are committed to adhering to Corporate Governance standards in their true spirit, with the Board of Directors dedicated to maintaining transparent business practices that enhance stakeholder value. Accordingly, FACT has consistently been rated as 'Excellent' for compliance with the DPE Guidelines on corporate governance.

FACT is also dedicated to complying with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, on corporate governance, as well as the Corporate Governance guidelines for Central Public Sector Enterprises issued by the Department of Public Enterprises, Government of India.

The Company prioritizes ensuring clean air and a better living environment for the communities surrounding our plant areas. The safety and well-being of our employees are also of utmost importance. We continuously provide training for all categories of employees to ensure their development and contribution to the stable growth of FACT.

CORPORATE SOCIAL RESPONSIBILITY

As a responsible corporate citizen, FACT prioritizes social responsibility and developmental initiatives in collaboration with the public administration in surrounding areas. CSR Fund of Rs. 1,662.46 Lakh was spent during the year for CSR activities across various projects, primarily focusing on Rural development, Women empowerment, Health and Nutrition, Promotion of Education, and Sanitation. As part of our Swachhata drive, cleanliness initiatives were conducted to ensure a healthy and hygienic environment. FACT also engaged in various Government initiatives for modernising farming. FACT is also actively involved in educating farmers on the balanced use of fertilizers for sustainable development and livelihood enhancement.

CHALLENGES & OPPORTUNITIES

The year 2023-24 posed significant challenges for the fertilizer industry, characterized by international market volatility and adverse climatic conditions. All major fertilizer inputs are being imported, and the prices remain highly volatile.

FACT has a robust infrastructure, including a dedicated berth for importing raw materials and facilities for the transportation of fertilizer inputs via road and waterways. FACT also has an extensive market network in South India, with about 5,500 dealers. There is potential for expansion into other states, diversification into manufacturing other fertilizer grades, and venturing into the production and trading of various chemicals.

ACKNOWLEDGMENTS

On behalf of the Board of Directors, I wish to express my sincere gratitude to you, our esteemed shareholders, for your ongoing support and trust. Your confidence motivates us to excel in all our endeavors and consistently create value for both you and the nation.

I am also grateful for the unwavering support and invaluable guidance provided by various departments of the Government of India, particularly the Department of Fertilisers, Ministry of Chemicals and Fertilisers, and the Government of Kerala. My sincere thanks extend to our employees, Officers' Forums, Trade Unions, Auditors, Consumers, Suppliers, Bankers and all other stakeholders for their continued cooperation.

Notes:

1. The Ministry of Corporate Affairs ("MCA") vide its General Circular No. 09/2023 dated September 25, 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 7, 2023 issued by SEBI (hereinafter collectively referred to as "the Circulars") and all other relevant Circulars issued from time to time, permitted the holding of the Annual General Meeting ("AGM") through Video Conferencing ("VC")/ Other Audio Visual Means ("OAVM"), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013, MCA Circulars, Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and SEBI Circulars, the 80th AGM of the Company is being held through VC/ OAVM. The Corporate Office of the Company shall be deemed to be the venue for the AGM.
2. The relative explanatory statement required under Section 102 of the Companies Act, 2013 is given separately and relevant details regarding the Directors who are proposed to be appointed/re-appointed, as required under Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings ("SS-2") issued by the Institute of Company Secretaries of India, is annexed to this Notice.

E-voting & Meeting

3. As per the provisions of the Companies Act 2013, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a member of the Company. Since this AGM is being held in accordance with the Circulars through VC/OAVM, the facility for the appointment of proxies by the members will not be available. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
4. Annual Report for the year 2023-24 including the Audited Financial Statements for the year ended March 31, 2024, is being sent by e-mail to those Members whose e-mail addresses are registered with Company's RTA/ Depository Participants (DP). Members may note that the Notice and Annual Report 2023-24 will also be available on the Company's website www.fact.co.in, website of the Stock Exchange i.e., National Stock Exchange of India Limited at www.nseindia.com and on the website of CDSL www.evotingindia.com.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
6. The Members can join the AGM in the VC/OAVM mode 30 minutes before the scheduled time of the commencement of the meeting. The link of the meeting shall be kept open throughout the proceedings of the AGM. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis by following the procedure mentioned in the notice.
7. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

Dividend

8. The Board of Directors of the Company at their meeting held on 16th May 2024 has recommended a final dividend of Re.0.97 per equity share for the Financial Year 2023-24. The Company has fixed Friday the 20th September, 2024 as the 'Record Date' for determining entitlement of members to receive final dividend, for the year ended March 31 2024, if approved at the AGM. The final Dividend, if approved by the members in the AGM, subject to deduction of tax at source, will be paid on or before 26th October 2024.
9. The dividend will be paid through electronic mode to those members whose bank account details are available. Members who hold physical shares may provide updated bank details by submitting a hard copy of the duly signed form ISR-1 along with relevant documents mentioned therein to Registrar and Transfer Agent (RTA) on or before 20th September 2024. The said form is available on <https://fact.co.in/home/Dynamicpages?MenuId=2950>
10. Pursuant to SEBI Master Circular no. SEBI/HO/MIRSD/ POD-1/P/CIR/2024/37 dated May 7, 2024 issued to the Registrar and Transfer Agents and SEBI Circular no. SEBI/ HO/MIRSD/POD-1/P/CIR/2023/181 dated November 17, 2023, as amended; SEBI has mandated that, with effect from April 1, 2024, dividend to the security holders holding shares in physical mode shall be paid only through electronic mode. Such payment to the eligible members holding physical shares shall be made only after they have furnished their PAN, Contact Details (Postal Address with PIN and Mobile Number), Bank Account Details, Specimen Signature, etc., for their corresponding physical folios with the Company or RTA on or before 20th September 2024.
11. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as name of the bank and branch details, bank account number, MICR code, IFSC etc.

For shares held in demat mode: To their DPs.

For shares held in physical mode: To Purva Sharegistry India Pvt Ltd, Company's RTA, in the prescribed Form ISR-1. The said form is available at <https://fact.co.in/home/Dynamicpages?MenuId=2950>.

12. Members may note that the Income Tax Act, 1961, as amended by the Finance Act, 2020, mandates that dividend paid or distributed by a Company is taxable in the hands of members. The Company shall therefore be required to deduct tax at source ("TDS") at the time of making the payment of dividend. Members are requested to submit the relevant documents to determine the applicable TDS rate, on or before Friday the 20th September, 2024. Kindly note that no documents in respect of TDS would be accepted from members after Friday the 20th September, 2024. The applicable TDS provisions in accordance with the provisions of the Income Tax Act, 1961, for various categories, including Resident or Non Resident members are on the Company's website, <https://fact.co.in/>.
13. Relevant documents referred to in the Notice are open for inspection by the members at the Registered Office of the Company on all working days (i.e., except Sundays and Public Holidays) during business hours up to the date of the Meeting. Members seeking to inspect such documents are requested to write to the Company at investors@factltd.com.
14. Members, who have not registered their e-mail IDs so far, are requested to register their e-mail IDs for receiving all communications from the Company electronically.
15. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019. Further Transmission / Transposition of securities shall be effected only in dematerialized form. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact Company's Registrar and Share Transfer Agents (RTA), Purva Sharegistry India Pvt. Ltd, for assistance in this regard. Address of RTA is as follows:

Purva Sharegistry India Pvt Ltd,

9 Shiv Shakti Ind. Estt, J R Boricha Marg,

Lower Parel (East),

Mumbai 400 011

Email: support@purvashare.com

16. As per the provisions of Section 72 of the Companies Act, 2013, the facility for making nomination is available to the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13 prescribed under Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014. If a Member desires to cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form No. SH-14 prescribed under Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014. On request, the necessary forms can be obtained from the Company's RTA, Purva Sharegistry India Pvt Ltd. Members are requested to submit the said details to their DP in case the shares are held in demat mode and to Purva Sharegistry India Pvt Ltd in case the shares are held in physical mode. The relevant forms are available on the company's website at <https://fact.co.in/home/Dynamicpages?MenuId=2950>
17. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.

Book Closure

18. The e-voting period begins on **24th September 2024** at **09.00 AM** and ends on **26th September 2024** at **05.00 PM**. During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the Record Date (cut-off date) of **20th September 2024** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. The right of e-voting shall be reckoned as on the cut-off date. A person who is not a member as on the cut-off date is requested to treat this Notice for information purposes only.
19. The Board of Directors of the Company has appointed Shri Vivek Kumar, Practising Company Secretary, Door No. 52/2066, 2nd Floor, Tharayathu, Valiyaparambil Road (Lane 14), Janatha Road, Vyttila, Ernakulam - 682019 as Scrutiniser to scrutinise the remote e-voting in a fair and transparent manner.
20. Institutional / Corporate Members (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution / Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution / Authorization shall be sent to the Scrutinizer by email csvivekkumartg@gmail.com.
21. Members who vote prior to the meeting date through remote e-voting, would not be entitled to vote at the meeting.
22. The Scrutinizer will submit his report to the Chairman of the Company or to any other person authorized by the Chairman, after the completion of the scrutiny of the e-voting (votes cast during the AGM and votes cast through remote e-voting), not later than 48 hours from the conclusion of the AGM. The result declared along with the Scrutinizer's report shall be communicated to the stock exchange, CDSL and RTA, and will also be displayed on the Company's website, <https://fact.co.in/>
23. Any person who acquires shares of the company and becomes a member after the Notice is sent as of the cut-off date i.e., 20th September 2024, may obtain the login ID and password by sending a request at www.evotingindia.com.

THE INSTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual members holding shares in demat mode.

Helpdesk for Individual members holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual members holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 22 55 33
Individual members holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at : 022 - 4886 7000 and 022 - 2499 7000

Step 2 : Access through CDSL e-Voting system in case of members holding shares in physical mode and non-individual members in demat mode.

(ii) Login method for e-Voting and joining virtual meetings for **Physical members and members other than individual holding in Demat form.**

- 1) The members should log on to the e-voting website www.evotingindia.com.
- 2) Click on "Members" module.
- 3) Now enter the User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.

- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If the users are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then the existing password is to be used.
- 6) If the users are a first-time user follow the steps given below:

	For Physical members and non-individual members holding shares in Demat.
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat members as well as physical members) I Members who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. I If both the details are not recorded with the depository or company, please enter the member ID / folio number in the Dividend Bank details field.

- (iii) After entering these details appropriately, click on "SUBMIT" tab.
- (iv) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein users are required to mandatorily enter the login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which the users are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share the password with any other person and take utmost care to keep the password confidential.
- (v) For members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (vi) Click on the EVSN for **<The Fertilisers and Chemicals Travancore Limited>** on which the user chooses to vote.
- (vii) On the voting page, the user will see "RESOLUTION DESCRIPTION" and against the same the option "YES / NO" for voting. Select the option YES or NO as desired. The option YES implies assent to the Resolution and option NO implies dissent to the Resolution.
- (viii) Click on the "RESOLUTIONS FILE LINK" if the user wishes to view the entire Resolution details.
- (ix) After selecting the resolution to vote on, click 'SUBMIT.' A confirmation box will appear. If you want to confirm your vote, click 'OK.' To modify your vote, click 'CANCEL' and make the necessary changes
- (x) Once the user "CONFIRM" the vote on the resolution, user will not be allowed to modify the vote.
- (xi) The user can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xii) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xiii) There is also an optional provision to upload Board Resolution/Power of Attorney if any uploaded, which will be made available to scrutinizer for verification.

(xiv) Additional Facility for Non – Individual Members and Custodians – For Remote Voting only.

- I Non-Individual members (i.e. other than Individuals, HUF, NRI etc.) and Custodians may also log on to www.evotingindia.com and register themselves in the “Corporates” module.
- I A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- I After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- I The list of accounts linked in the login will be mapped automatically & can be delinked in case of any wrong mapping.
- I It is Mandatory that, a scanned copy of the Board Resolution and Power of Attorney (POA) issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- I Alternatively, Non-Individual members may also send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; csvivekkumartg@gmail.com or investors@factltd.com, if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

INSTRUCTIONS FOR MEMBERS ATTENDING THE AGM THROUGH VC/OAVM & E-VOTING DURING MEETING ARE AS UNDER:

1. The procedure for attending meeting & e-Voting on the day of the AGM is same as the instructions mentioned above for e-voting.
2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login as per the instructions mentioned above for e-voting.
3. Members who have voted through Remote e-Voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM.
4. Members are encouraged to join the Meeting through Laptops / iPads for better experience.
5. Further members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
6. Please note that participants connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
7. Members who would like to express their views/ask questions during the meeting may register themselves as a speaker by sending their request on or before 22nd September, 2024, mentioning their name, demat account number/folio number, email id, mobile number at investors@factltd.com. Members seeking any information with regard to the accounts or any matter to be considered at the AGM, are requested to write to the Company on or before 22nd September, mentioning their name, demat account number/folio number, email id, mobile number at investors@factltd.com. The same will be replied by the Company suitably by email.
8. Only those members who have registered themselves as a speaker will be allowed to express their views/ask questions during the meeting.
9. Only those members, who are present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the AGM.

10. If any Votes are cast by the members through the e-voting available during the AGM and if the same members have not participated in the meeting through VC/OAVM facility, then the votes cast by such members may be considered invalid as the facility of e-voting during the meeting is available only to the members attending the meeting.

PROCESS FOR THOSE MEMBERS WHOSE EMAIL/MOBILE NO. ARE NOT REGISTERED WITH THE COMPANY/DEPOSITORIES.

1. For Physical members- please provide necessary details like Folio No., Name of member, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) by email to Company/RTA email id i.e. investors@factltd.com or support@purvashare.com
2. For Demat members - Please update the email id & mobile no. with the respective Depository Participant (DP)
3. For Individual Demat members – Please update the email id & mobile no. with the respective Depository Participant (DP) which is mandatory while e-Voting & joining virtual meetings through Depository.

If you have any queries or issues regarding attending AGM & e-Voting from the CDSL e-Voting System, you can send an email to helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 225533.

All grievances connected with the facility for voting by electronic means may be addressed to:

Explanatory Statement Under Section 102 of the Companies Act, 2013 in respect of the Special Business to be transacted at the Meeting.

Item No. 5

As per Article 80 of the Articles of Association of the Company, the President of India shall have the right to nominate directors on the Board of Directors of the Company. Government of India, Ministry of Chemicals & Fertilisers, Department of Fertilisers, vide Order No.95/1/2019-HR PSU dated 06-12-2023, notified the appointment of Shri. Manoj Sethi (DIN: 00301439), Joint Secretary and Financial Advisor, Department of Fertilizers, Ministry of Chemicals and Fertilisers, New Delhi, as part-time Government Nominee Director on the Board of Directors of FACT. Shri. Manoj Sethi was appointed as an Additional Director on the Board of Directors of FACT on 14-12-2023. He will hold office till the conclusion of the 80th Annual General Meeting of the Company.

Notice has been received under section 160 of the Companies Act 2013, proposing the candidature of Shri. Manoj Sethi as Director. He will be liable to retire by rotation. Shri. Manoj Sethi is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013, and has given his consent to act as a Director.

Except Shri. Manoj Sethi, to whom the resolution relates, no Director, Key Managerial Personnel of the Company or their relatives, is concerned or interested, in the resolution.

Details of Shri. Manoj Sethi whose appointment is proposed at item No. 5 are provided in the Annexure to

the Notice pursuant to the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India.

The Board of Directors recommends the Ordinary Resolution set out as item no 5 of the Notice for approval of members.

Item 6

The Board has approved the appointment of M/s BBS & Associates, Cost Accountants, Cochin, as Cost Auditors to conduct the audit of cost accounts of the Company for the Financial Year 2024-25 on a remuneration of Rs. 85,000/- (Rs 65000/- for Cost Audit of Fertilisers and Rs. 20,000/- for Cost Audit of Caprolactam) plus out of pocket expenses (subject to a maximum of Rs. 10,000/-). As per Rule 14 of Companies (Audit and Auditors) Rules, 2014 read with Section 148(3) of the Companies Act 2013, the remuneration approved by the Board of Directors has to be ratified subsequently by the members. Accordingly, the consent of the members is sought through an ordinary resolution for ratification of remuneration payable to the Cost Auditors for the Financial Year 2024-25.

No Director / Key Managerial Personnel / Relatives of Directors and Key Managerial Personnel are interested in the resolution.

The Board of Directors recommends the Ordinary Resolution set out as item 6 of the Notice for approval of members.

Annexure to the Notice dated 04.09.2024

DIRECTORS' REPORT

Dear Members,

Your Directors have pleasure in presenting the 80th Annual Report on the performance of the Company, together with the Audited Standalone and Consolidated Financial Statements for the financial year ended 31st March, 2024.

Your Directors are happy to inform you that during the financial year 2023-24, the Company has maintained the production, and sales at almost the same level as the previous year.

The Financial year 2023-24 was a challenging year for the fertilizer industry as a whole, with volatility in the international market and unfavorable climatic conditions. The revised Nutrient Based Subsidy (NBS) rates, considering the time gap, were not commensurate with the cost of raw materials. Prices of the products also came down, affecting the realization of the products. Recoveries towards NBS revisions, unreasonable profit and naphtha compensation of prior years had to be accounted for during 2023-24. In spite of these challenges FACT managed to book a profit of ₹146.17 Cr. on a turnover ₹5054.93 Cr.

Based on Market Capitalization, as on March 31, 2024, your Company is one among the top 500 listed Companies.

Performance Highlights;

- Net profit of ₹146.17 Cr.
- Turnover ₹5054.93 Cr.
- Total Fertilizer production 10.70 Lakh MT.
- Caprolactam Production 34,662 MT.
- Sale of 1175574 MT Fertilisers.
- Sale of 34,841 MT Caprolactam.
- New Sulphuric Acid storage tank at Cochin Division and the reconstruction of the South Coal Berth at Willingdon Island commissioned successfully.
- Ranked 179th among the listed companies in terms of Market Capitalization as on 31.03.2024.
- Received the MKK Nayar Productivity Award 2023 for the Best Productivity Performance in the category of Very Large Industries.
- Best Hindi Implementation & OL Magazine Awards from TOLIC (PSU), Kochi.

1. Financial Results (Standalone)

Financial Results of the Company for the year ended March 31, 2024 is summarized below: ₹ in crore

Particulars	2023-24	2022-23
Net Sales	5054.93	6198.15
Other Income	203.12	135.57
Total Revenue	5258.05	6333.72
Total Expenses	4968.96	5720.73
Profit before Exceptional Items and Tax	289.09	612.99
Exceptional Items	-245.59	0
Earnings before interest, depreciation and Taxes (EBIDTA)	562.59	890.48
Interest	246.93	247.54
Depreciation	26.57	30.11
Deferred Tax	-102.67	0
Profit for the year	146.17	612.83
Other comprehensive Income	20.54	-1.11
Total Comprehensive Income	166.72	611.72

Dividend Distribution Policy

In terms of Regulation 43A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, the Board of Directors of the Company (the Board) has formulated and adopted the Dividend Distribution Policy. The policy is hosted on the website of the Company at the link <https://fact.co.in/home/Dynamicpages?MenuId=914>

Dividend

For the Financial Year 2023-24, the Board has recommended a Dividend of ₹ 0.97/- (ninety-seven paise) per equity share of face value of Rs.10/- each. The Board has recommended dividend based on the parameters laid down in the Dividend Distribution Policy. The dividend will be paid out of the profits for the year 2023-24. The Dividend on equity shares is subject to the approval of shareholders at the Annual General Meeting scheduled to be held on 27th September 2024.

Based on the number of equity shares, as on date of this report, the dividend, if approved would result in a cash outflow of ₹ 62.76 Cr.

Transfer to Reserves

The Board of Directors has decided to retain the entire amount of profit in the profit and loss account. No amount has been transferred to reserves for the financial year 2023-24.

Operations and Performance

Production

Production	2023-24 (in MT)	2022-23 (in MT)
Factamfos	827717	828195
Ammonium Sulphate	242577	244732
Caprolactam	34662	44754

Excellent production with more than 100% capacity utilisation could be achieved and FACT once again produced more than one million tonnes of fertilisers.

Marketing

Sale	2023-24 (In Lakh MT)	2022-23 (In Lakh MT)
Factamfos	8.21	7.43
Ammonium Sulphate	2.22	2.20
Caprolactam	0.35	0.44

The Company has also started selling the new products like PDM / PROM / Nano UREA / Nano DAP. The company also appointed stock point dealers in Karnataka, Andhra Pradesh and Telangana for the first time which will improve Godown facility / wide spread availability of stocks for the dealers / farmers.

The company recorded total sales of all products at 11.76 lakhs MT for the year 2023-24, marking an 18% growth compared to previous year's sales of 9.96 lakh MT in spite of adverse climatic conditions and stiff competition.

Memorandum of Understanding with Government of India

Your Company has been entering into a Memorandum of Understanding (MoU) with the Department of Fertilizers, Ministry of Chemicals and Fertilizers, Government of India, setting the performance parameters and targets every year. Company has secured 'Good' rating for the MoU for the year 2022-23. The evaluation of MoU performance for 2023-24 has not been finalized.

The MoU for 2024-25 is under finalization by the Govt. of India.

Management Discussion and Analysis Report

Management Discussion and Analysis Report covering the operational aspects for the year under review, as stipulated under SEBI(Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) is presented in a separate section forming part of Directors' Report.

Roadmap for sustainability / Capital Projects

The Union Cabinet accorded approval in 2019-20 for CAPEX worth Rs. 608 crore to implement essential capital jobs for enhancing the reliability of production plants, complying with changing statutory requirements and setting up of additional raw material storage tanks and plant. Critical renovation and modernizing schemes for debottlenecking raw material and product handling facilities also form part of CAPEX.

The CAPEX projects of Ammonia barge, sulphuric acid tanks and South coal berth reconstruction and Q9-Q10 connectivity have been completed. Other schemes are under various stages of implementation. With the commissioning of the new NP plant, the fertilizer production capacity of the company will increase by over 5 Lakh MT per annum.

FACT is in the process of commissioning / implementing various CAPEX projects to enhance the production capacity and the sustainable growth of the Company in the long run.

Details of major projects, completed at the end of 2023-24 and the status of projects which are in progress are summarized below;

- The new ammonia barge, Pearl of Periyar, for transporting Ammonia between production divisions and Cochin Port through inland waterways was commissioned in November 2022.
- The reconstruction of South Coal Berth at Cochin Port for import of Ammonia under Sagar Mala scheme was completed in March 2023.
- Two additional Sulphuric Acid storage tanks (5000 MT capacity) at Cochin Division were commissioned in April 2023.
- New pipe lines for unloading Sulphuric Acid and Phosphoric Acid from Q9 Berth of Cochin Port was commissioned in January 2024.
- The civil works for the 1650 MTPD NP plant at CD is progressing. The equipments started arriving at site.
- Construction of 10000 MT Ammonia storage tank at Cochin Division completed and pre-commissioning activities are progressing.
- Construction of two Phosphoric Acid storage tanks (5900 MT each) at Willingdon Island –Civil and Mechanical works are progressing.

Sustainable Development

Your Company is giving priority on implementing several sustainable development activities. The Petro plants which was being operated on Captive Power supply, was switched to Grid supply from 03.02.2023 onwards. This has led to savings in RLNG consumption for captive power generation.

Industrial Relations

During the financial year 2023-2024, cordial industrial relations were maintained across all Divisions of the Company.

The managerial personnel were paid Performance Related Pay in December 2023. Enhancement of age of retirement of below Board level employees from 58 to 60 years was implemented as approved by Department of Fertilizers, Government of India.

Corporate Governance

The Company is committed to maintain the highest standards of Corporate Governance and adhere to the Corporate Governance requirements set out by SEBI and the guidelines on Corporate Governance issued by the Department of Public Enterprises, Government of India. The Board lays emphasis on transparency and accountability for the benefit of all stakeholders of the Company. The Report on Corporate Governance as stipulated under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, annexed to this report, forms an integral part of this report.

Business Responsibility and Sustainability Report

In accordance with Regulations 34(2)(f) of the SEBI Listing Regulations, the Securities and Exchange Board of India (SEBI), in May 2021 introduced new sustainability related reporting requirements to be reported in the specific format of Business Responsibility and Sustainability Report (BRSR). BRSR is a significant step towards giving platform to the Companies to report the initiative taken by them in the areas of environment, social and governance. SEBI has mandated top 1000 Listed Companies, based on market capitalisation to publish BRSR from financial year 2022-23 onwards. Accordingly, your directors are glad to present the BRSR report of FACT for the financial year 2023-24 and it is part of the Annual Report of the Company.

Consolidated Financial Statements

The Consolidated Financial Statements of the Company for the financial year ended March 31, 2024, prepared in accordance with Section 129(3) of the Companies Act 2013 and relevant accounting standards form part of the Annual Report.

The Consolidated Financial Statements have been prepared under equity method along with Company's Standalone Financial Statements.

Material changes and commitment

There were no material changes and commitments affecting the financial position of the Company between the end of financial year (31st March, 2024) and the date of the report. Similarly, there was no change in the nature of business of the Company during the financial year 2023-24.

Associate / JV Company

FACT-RCF Building Products Limited (FRBL) is a joint venture (JV) company of FACT. CIRP has been initiated in respect of FRBL w.e.f 11.01.2024. Kerala Enviro Infrastructure Limited (KEIL) has ceased to be an Associate Company of FACT. In accordance with the provisions of Section 129(3) of the Companies Act, 2013, a statement containing salient features of the financial statements of the associate company / joint ventures in Form AOC-1 is provided as part of the Annual Report.

Report on financial position and Performance of Joint Venture

During the financial year 2023-24, the financial results of FRBL shows a net loss of ₹ 263.24 Lakhs. Due to the accumulated loss, the entire net worth of FRBL has been eroded. FACT has created provisions for the entire investment made in FRBL.

ISO Certification

All fertilizer plants in Udyogamandal Complex and Cochin Division are certified for ISO 14001:2015 and ISO 9001:2015. FACT Cochin Division is certified for ISO 45001:2018. FACT Udyogamandal Division is certified for ISO 50001:2018.

Pollution Control Activities

FACT prioritizes ensuring clean air and a better living environment for the inhabitants in and around the factory.

The effluent treatment plant and emission control facilities run year-round. The treated effluents and gas emissions released from the plants meet the standards set by the Central Pollution Control Board and the Kerala State Pollution Control Board.

As per directions from Central Pollution Control Board (CPCB) & Kerala State Pollution Control Board (KSPCB), continuous online monitoring and web uploading are in progress. All analyzers as per guidelines have been installed and the parameters are uploaded in KSPCB & CPCB websites. Caprolactam plant was continuously online during the Financial Year 2023-24.

The Company could maintain all effluent parameters within limits as specified by the statutory authorities. As per an agreement between FACT and Kerala Enviro Infrastructure Limited (KEIL), the accumulated stock of hazardous wastes viz., spent V2O5 catalysts, ETP sludge, Sulphur Muck and E-waste were sent to KEIL for final disposal.

Scheme for solid waste management is being implemented by providing separate Bin for metal scraps, bio degradable and non-bio degradable wastes. Solid waste is collected and further segregated at designated facility.

As per directions from Central Pollution Control Board (CPCB) & Kerala State Pollution Control Board (KSPCB) requirement, emission and effluent data in respect of the following are being uploaded to the website of KSPCB & CPCB.

- SO₂ emission from Sulphuric Acid plant stack
- Ammonia, Fluoride and particulate matter emission from complex fertilizer plant stack
- Fluoride and particulate matter emission from Phosphoric Acid plant stack.
- pH, Fluoride, Ammoniacal Nitrogen and flow of effluent outlet.

Official Language

FACT continued to give top priority for the propagation and implementation of the Official Language Policy of the Ministry of Home Affairs, Govt. of India from time to time. The Quarterly Meetings of Official Language Implementation Committee is regularly held under the chairmanship of Chairman & Managing Director to review the progressive use of Hindi in Official work.

Workshops, competitions/programmes, Seminar and Hindi Fortnight celebrations were organised during the year. The Company provides incentives to the employees to promote official work in Hindi.

FACT was awarded second prize for its excellent work in the field of Official Language Implementation in the "Hindi Advisory Committee" meeting held at New Delhi on 30 May 2023 under the Chairmanship of the Hon'ble Minister of Chemicals and Fertilisers.

FACT was awarded First Prize for Home Magazine Rashtravani and also awarded Rajyabhasha Shield – second prize for its commendable work in the field of Official Language Hindi during the year 2022-23 by Kochi TOLIC (PSU).

Public procurement policy of Micro and Small Enterprises (MSEs) Order 2012

Company is giving priority to Micro and Small Enterprises for procurement as per directives issued by the Government of India from time to time.

During the Financial Year 2023-2024, the Company procured material & services worth ₹ 335.27 Cr (66.74% of total procurement other than feed stocks & fertilizers) from MSEs. Out of which ₹ 0.35 Cr (0.07% of total procurement) is from MSEs owned by SC/ST entrepreneurs and ₹ 13.71 Crore (2.73% of total procurement) is from women entrepreneurs. Most of the feed stocks and Fertiliser inputs procured by FACT are not available with the MSEs.

During the Financial Year 2023-24 FACT has participated in one vendor development programme organized by MSME Development and Facilitation Office, Thrissur.

FACT is registered with TReDs platform of Receivable Exchange of India Limited (RXIL) a joint venture by SIDBI and NSE for providing bill discounting facilities to MSMEs.

- f) Ms. Susan Abraham, Company Secretary.

Annual Evaluation of Board.

FACT being a Government Company, all appointments on the Board is made by the Government of India, Ministry of Chemicals and Fertilizers, Department of Fertilizers. The performance of Directors is evaluated by the Ministry of Chemicals & Fertilizers, Department of Fertilizers, Government of India. As per

Government of India, Ministry of Corporate Affairs notification dated 5th June 2015, clause (e) and (p) of sub-section 3 of Section 134 of the Companies Act 2013 relating to appointment, remuneration and Annual evaluation of the performance of the Board is not applicable to FACT.

However, the independent directors in a meeting held on 26.03.2024 reviewed the performance of non-independent directors, reviewed the Board as a whole and assessed the quality, quantity and timeliness of flow of information between the Company management and the Board and reviewed the performance of the Chairperson of the company as per Regulation 25(4) of SEBI (LODR) Regulations.

Independent Directors' Declaration

The independent directors made declaration of independence under sub-section (6) of Section 149 of Companies Act, 2013 during the financial year 2023-24. In the opinion of the Board there has been no change in the circumstances affecting their status as independent directors of the company and the Board is satisfied of the integrity, expertise and experience of all Independent Directors on the Board. Further based on the declaration received from directors, the Board confirms, that the Independent Directors fulfill the conditions.

Meetings of the Board

During the financial year 2023-24, four (4) meetings of the Board were convened and held. The details of the meetings of the Board of Directors are given in the report on Corporate Governance, which is part of this report. The intervening gap between the meetings was within the limit prescribed under the Companies Act 2013.

Secretarial Standards

Your Directors state that applicable Secretarial Standards i.e. SS-1 and SS-2 relating to "Meetings of the Board of Directors" and "General Meetings" respectively, have been followed by the Company.

AUDITORS

(1) Statutory Auditors and Statutory Auditor's Report

M/s. G.Venugopal Kamath & Co., Chartered Accountants, Kochi, was appointed as Statutory Auditors of the Company for the financial year 2023-24 by the Comptroller and Auditor General of India.

FACT is having a code of conduct known as FACT Code of business Conduct and Ethics applicable to the members on the Board and all senior executives of the Company. The code has been posted on the Company's website www.fact.co.in and can be download using the link <https://fact.co.in/home/Dynamicpages?MenuId=2959>

The code lays down the standard procedure of business conduct which is expected to be followed by the Directors and senior executives of the Company. It also includes the duties of Independent Directors as laid down in the Companies Act, 2013.

The Board members and Senior Executives of the Company have affirmed compliance of the code of Conduct for the financial year 2023-24.

Prevention of Insider Trading

There have been no reported instances of insider trading involving FACT shares to date. A Code of Conduct on the Prohibition of Insider Trading is available on the Company's website and can be accessed via the following link: <https://fact.co.in/home/Dynamicpages?MenuId=849>.

Particulars of Loan given, Investment made, Guarantees given and Securities provided

Particulars of Investment made by the Company are provided in the financial statement for the year 2023-24.

During the financial year 2023-24, FACT has not provided any loan/guarantee or made any investment within the purview of Section 186 of the Companies Act 2013.

Internal Controls & their Adequacy

The Internal Control systems are reviewed by the Audit Committee. The Company being a Government owned company is subject to Audit by C&AG. The adequacy of Internal Control procedures is also reviewed by the Statutory Auditors in their Audit Report.

The Company's internal control systems commensurate with the nature of its business, the size, and complexity of its operations and such internal financial controls with reference to the Financial Statements are adequate. Details on the Internal Financial Controls of the Company forms part of Management Discussion and Analysis forming part of this Integrated Report 2023-24.

Particulars of Employees and related disclosures

During the year under review, none of the employees of the Company had drawn remuneration in excess of the limit prescribed under section 134(3)(c) of the Companies Act, 2013 read with Companies (Appointment of Managerial Personnel) Rules 2014.

As per the notification dated 05th June, 2015 issued by the Ministry of Corporate Affairs, Government of India, section 197 of the Companies Act, 2013 is not applicable to a Government Company.

Vigilance

Vigilance department in FACT is an integral part of the management function and plays a crucial role in ensuring transparency, integrity and accountability within the organization. The primary objective of the vigilance department in FACT is to prevent corruption, misconduct, fraud and abuse of power thereby upholding the public trust and promoting good governance.

The work profile of Vigilance department includes handling of complaints, investigation of verifiable complaints having vigilance angle, surprise inspections, regular surveillance and intelligence gathering,

scrutiny of procurement/contract files, scrutiny of property returns of employees, monitoring the rotation of staff in sensitive areas, coordination with CVC and other Government Departments.

During the financial year 2023-2024, as per the directives of the Central Vigilance Commission (CVC), the week from October 30th to 5th November 2023 was observed as the Vigilance Awareness Week, with the theme "Say No to Corruption; Commit to the Nation".

Integrity Pact

An Integrity Pact in line with Government of India guidelines in this regard has been finalised and implemented in the Company.

The Right to Information Act 2005

FACT is complying the provisions of the Right to Information Act 2005 and the details relating to Public Information Officer, Assistant Public Information officer, Appellate Authority, Nodal officer etc. are published on the website of the Company www.fact.co.in and can be download using the link <https://fact.co.in/home/Dynamicpages?MenuId=472>

Annual Return

The Annual Return of the Company as provided under Sub section (3) of Section 92 of Companies Act, 2013, is published on the website of the Company, <https://fact.co.in/home/Dynamicpages?MenuId=41>

‘Annexure to Directors’ Report

Particulars Required under Rule 8 (3) of Companies (Accounts) Rules 2014

A. Conservation of Energy.

Steps taken or impact on conservation of energy.

1. Replacement of splash fills of 1 to 5 cells of Main cooling tower in Ammonia plant

Splash fills of 5 cells were renewed in August 2023 for improving the effectiveness of cooling tower.

2. Overhauling of critical turbo machineries in Ammonia plant including 6MW turbo generator and steam turbine of synthesis gas compressor resulting in a decrease in steam consumption and thus an improvement in SEC (Specific Energy Consumption)

3. Utilization of by-product steam from acid plant in Petro plants

By-product steam from acid plant was utilized in Petro plants, thereby reducing the RLNG consumption in boilers.

4. Replacement of HPSV / HPMV / MH type Street lights / Flood Light fittings and fluorescent Tubes with energy efficient LED luminaries was made during the year, and it has resulted energy saving of 260 units of electricity per day

B. Technology Absorption

i. Efforts made

1. Installed Diesel Generator set at Petrochemical plants for emergency power.
2. Replacement of the 3.3 kV panel substation at FACT Cochin Division
3. FACT signed a MoU with Oil India Limited at Noida to explore & collaborate in the domain of Green Hydrogen, Green Ammonia / Green Methanol and other derivatives
4. The bagging section of Ammonium Sulphate Plant at Udyogamandal Complex was renovated and commissioned in Jan 2024

ii. Benefits derived

1. With the installation of Diesel Generator set, Petrochemical plants are now operational on grid power.
2. By renovating the Ammonium Sulphate Plant at Udyogamandal Complex facilitates loading higher capacity trucks and uninterrupted operation of bagging units. Also, the existing capacity of the Ammonium Sulphate Plant was enhanced by another 100 MTPD by in-house modifications

iii. Imported technology

No technology has been imported during the Financial Year 2023-2024.

iv. The major activities of Research & Development (R&D)

a. Feasibility study on formulation of insecticidal Organic fertiliser:

Formulations of insecticides combined with fertilizers are desirable in agricultural due to the multiple benefits conveyed via single application system. Such formulations provide nutrients for the plant growth, while eliminating or controlling unwanted insects that affect the health and vitality of the desirable plants.

R&D is conducting feasibility studies to formulate Insecticidal Fertilizer.

b. Water soluble fertilizer:

Conventional fertilizers cannot fulfil the nutrient requirement of the crops and hence the alternate solution for the crops is Water Soluble Fertilizers (WSF). Studies at lab scale for WSF have been found favorable for scale-up & commercialization. Arrangements to extend lab-scale preparation to pilot scale are in-progress.

c. Quality Control Cell:

Research & Development Centre is monitoring the quality of finished chemical fertilizers both in manufacturing units and field godowns, distributors and dealers for evaluating the quality as per the direction of Ministry of Agriculture, Government of India. Testing & Certification of Rock Phosphate and Single Super Phosphate samples in connection with Technical audit of SSP Manufacturing Units. Analysis and reporting of Bulk density of raw materials/finished products/phosphogypsum as part of Annual physical stock verification.

The expenditure incurred on R&D was Rs. 57.63 Lakh

C. Foreign Exchange Earnings and Outgo

Details of foreign exchange earnings and outgo are given below.

Foreign Exchange Earnings and Outgo		Rs. in Crore	
		Current Year	Previous Year
1	Foreign Exchange Earned	0	0
2	Foreign Exchange Outgo		
	(i) CIF value of Imports		
	(a) Raw Materials	1382.64	1695.83
	(b) Traded Products	338.99	0.00
	(c) Spares and Other materials	2.46	1.63
	(d) Capital Goods	0.23	0.00
		1724.32	1697.47
	(ii) Expenditure in Foreign Currency (Cash Basis)		
	(a) Consultancy Services	0.85	0.02
	(b) Others	0.41	0.39
		1.26	0.41
	Total (i + ii)	1725.59	1697.87

Form No. MR-3**SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED 31.03.2024

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members

The Fertilisers and Chemicals Travancore Limited

Eloor P. O., Udyogmandal

Alwaye, Ernakulam

Kerala - 683501

We, CaesarPintoJohn & Associates LLP, Company Secretaries have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED [CIN: L24129KL1943GOI000371]** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on **31.03.2024** complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2024 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings, to the extent applicable;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011
- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (d) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- (e) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- (vi) As informed to us, the following other laws are specifically applicable to the Company.
 - 1. Fertiliser (Control) Order, 1985;
 - 2. The Manufacture, Storage and Import of Hazardous Chemical Rules, 1989;
 - 3. Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008;
 - 4. The Batteries (Management and Handling) Rules, 2001;
 - 5. The Industries (Development and Regulation) Act, 1951 and the Regulations and Bye-laws framed thereunder;
 - 6. The Water (Prevention and Control of Pollution) Act 1974 and the Regulations and Bye-laws framed there under;
 - 7. The Air (Prevention and Control of Pollution) Act, 1981 and the Regulations and Bye-laws framed there under;
 - 8. The Environment (Protection) Act, 1986 and the Regulations and Bye-laws framed there under;
 - 9. The Factories Act, 1948 and the Regulations and Bye-laws framed there under;
 - 10. The Boilers Act, 1923 and the Regulations and Bye-laws framed thereunder;
 - 11. Guidelines on Corporate Governance for Central Public Sector Enterprises, 2010;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards relating to Board (SS 1) and General Meetings (SS 2) issued by The Institute of Company Secretaries of India;
- (ii) The Listing Agreement entered into by the Company with National Stock Exchange of India Limited;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above, subject to reporting made herein.

In respect of other laws specifically applicable to the Company we have relied on information / records produced by the Company during the course of our audit and the reporting is limited to that extent.

We further report that:

The Board of Directors of the Company comprises of Executive and Non-Executive Directors. As per Regulation 17 (1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, where the listed entity does not have a regular non-executive chairperson, at least half of the board of directors shall comprise of independent directors. During the financial year from 01.04.2023 to 31.03.2024, half of the Board of directors of the Company does not comprise of Independent Directors. Two Third of the members of the Audit Committee does not comprise of Independent Directors from 26/05/2023 to 05/07/2023.

All the members of the Nomination and Remuneration Committee are not non-executive directors and comprise of only one Independent Director from 26/05/2023 to 05/07/2023.

The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act and in compliance with orders issued by the Central Government.

Adequate notices were given to all directors to schedule the Board Meetings, Agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions of the board were unanimous and the same was captured and recorded as part of the minutes.

We further report that, as represented by the Management and relied upon by us, there are adequate systems and processes in the Company commensurate with size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period there were no instances of:

- (i) Public /Right /Preferential issue of shares / debentures/ sweat equity
- (ii) Redemption /buy-back of securities
- (iii) Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013
- (iv) Merger /amalgamation /reconstruction, etc.
- (v) Foreign technical collaborations

This Report is to be read with our letter of even date which is annexed as '**Annexure A**' and forms an integral part of this report.

CERTIFICATE ON CORPORATE GOVERNANCE

Annexure A

To the Members

The Fertilisers and Chemicals Travancore Limited

We have examined the compliance of conditions of Corporate Governance by **THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED**(CIN: L24129KL1943GOI000371) having its registered office at Eloor P. O., Udyogmandal, Alwaye, Ernakulam, Kerala – 683501 (hereinafter referred to as 'the Company'), for the year ended **31st March, 2024** as stipulated in Regulation 17 to 27 and clause (b) to (i) of Regulation 46 (2), Schedule V and Schedule II of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination has been limited to a review of the procedures and implementation thereof adopted by the Company for ensuring compliance with the conditions of Corporate Governance as stipulated above. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and based on the representations made by the Directors and the management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2024 except as follows:

As per Regulation 17 (1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, where the listed entity does not have a regular non-executive chairperson, at least half of the board of directors shall comprise of independent directors. During the financial year from 01.04.2023 to 31.03.2024, half of the Board of directors of the Company does not comprise of Independent Directors. Two Third of the members of the Audit Committee does not comprise of Independent Directors from 26/05/2023 to 05/07/2023. All the members of the Nomination and Remuneration Committee are not non-executive directors and comprise of only one Independent Director from 26/05/2023 to 05/07/2023.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Shri Anupam Misra, Director (Marketing) drapes a ponnada on Dr. P.P.Vava, Hon'ble Member, National Commission for SafaiKaramcharis during his visit to FACT.

Visit of Secretary, National Commission for Scheduled Tribes (ST) to FACT on 29.02.2024

FACT's Meeting with the Department Related Parliament Standing Committee on Industry on 27.1.2024 at Kochi

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Development

The fertilizer industry is one of India's fastest-growing basic industries. Its growth is fueled by the increasing demand for food, driven by the country's growing population and limited land availability.

The Indian fertilizer industry is on a strong growth path, projected to reach a market size of Rs 1.38 lakh crore by 2032, with a Compound Annual Growth Rate (CAGR) of 4.2% from 2024 to 2032.

In India, the focus of the Government continued on ensuring the availability of fertilizers at affordable prices through subsidies and policy measures. The balanced use of fertilizers and reduced dependence on imports are also prioritized. Promotion of organic fertilizers, bio-fertilizers, and the use of nano-fertilizers to enhance efficiency and reduce environmental impact is also being encouraged for sustainable agriculture practices.

The global fertilizer market faced supply chain disruptions due to geopolitical tensions and economic sanctions, which impacted the availability and prices of raw materials and finished products in India.

Global price volatility of fertilizers and raw materials like phosphates, potash, and natural gas had significant repercussions on the Indian market, leading to fluctuating retail prices and impacting farmers.

Changes in trade policies and tariffs by major fertilizer-exporting countries influenced the import dynamics for India. Efforts were made to diversify import sources to mitigate risks associated with over-dependence on a few countries.

The fertilizer industry in India is made up of several government and private sector companies that manufacture a range of different fertilizer types.

India's fertilizer consumption is on the rise and is projected to continue growing in the coming years. The demand for fertilizers has seen significant growth due to the increasing need to enhance agricultural yields. However, despite this progress, India's fertilizer use remains imbalanced and is lower in intensity compared to many developed and emerging countries.

Decreasing fertility of the land and increasing demand for food grains have raised the importance of fertilizer industry in India. India is still not self-reliant in fertilizer production. Government of India is taking measures to bring self-sustainability in the fertilizer sector for ensuring food security. The entire requirement of Potash is met through import and also for other fertilizers, for sourcing raw materials and hydrocarbon, the country is dependent on imports.

Fertilizers have been considered as an essential input to Indian agriculture to meet the food grain requirements of the Country's growing population. However, maintaining full load operation of plants, ensuring availability of fertilizer inputs etc. were a real challenge to the industry. Prevailing Global economic situation is also influencing the operations of fertilizer industry in India.

During the year 2023-24, the government adjusted its subsidy and support policies to help both farmers and the fertilizer industry cope with the adverse climatic impacts, ensuring affordability and availability despite the challenges.

About the Company

The Fertilisers and Chemicals Travancore Limited (FACT) was incorporated in 1943. In 1947, FACT started production of Ammonium Sulphate with an installed capacity of 10,000 MT per annum at Udyogamandal, near Cochin. In the year 1960, FACT became a Kerala State PSU and on 15th August, 1962, Government of India became the major shareholder.

From a modest beginning, FACT has grown and diversified into a multi-division/multi-function Organisation with basic interest in manufacture and marketing of Fertilisers and Petrochemicals, Engineering Consultancy and Design and Fabrication and Erection of Industrial Equipment.

Installed capacity of FACT plants are given below.

Product	Installed Capacity
a. Factamfos (NP 20:20)	633,500 MT per annum
b. Ammonium Sulphate	225,000 MT per annum
c. Caprolactam	50,000 MT per annum

FACT's mission is to be a significant player in Fertilisers, Petrochemicals and other businesses such as Engineering and Technology services.

FACT's objectives are:

- To produce and market Fertilisers & Caprolactam and other products efficiently and economically, besides achieving a reasonable and consistent growth.
- To effectively manage the assets and resources of the company to ensure a reasonable return on investment
- To focus on cost reduction and technology upgradation in order to become competitive in business.
- To constantly innovate and develop new products and services to satisfy customer requirements.
- To invest in new business lines, where profit can be made on a sustainable basis.
- To provide services to the farming community by organizing technical training, soil testing and other productivity improvement services in agriculture.

SWOT

Strengths

- Premium product in the complex fertilizer segment. Factamfos NP 20:20:0:13 is the most preferred complex fertilizer containing sulphur in South Indian Market.
- FACT is having extensive market network in South India. FACT's products are being marketed through dealer network of about 5566 dealers.
- Operational efficiency and high capacity utilisation of plants. FACT plants are capable of achieving 120% - 130% of its installed capacity.
- The Company is having land resources for generating additional revenue.
- Petronet LNG has set up a re-gasification / storage facility of Natural Gas at Kochi. FACT plants are connected with a pipeline of GAIL for transmission of re-gasified Natural Gas.

Weakness

- The fertiliser plants now in operation in the Company are of very old vintage
- The production facilities of the Company are located away from the main consuming areas
- The Company is heavily dependent on imports.

Opportunities

- FACT is having scope for expansion of its activities to other States due to its wide marketing network.
- The Company can diversify into manufacture of other grades of fertilizer.
- The Company can enter into manufacturing and trading of various chemicals.
- The available land can be used for further expansion and diversification.

Threats

- Volatility in Raw Material prices
The Company does not have any control over the price of raw materials. All the major fertilizer inputs are imported and prices are highly volatile.
- High interest on Government of India Loan
Government of India is charging 13.5% interest on the loan availed. The liability in this regard is ₹240 Crore approximately per annum. This will affect the profitability of the Company.
- Exchange rate variations
The Company is depending upon import for fertilizer inputs. The adverse impact in exchanging rate variations is a serious threat to the profitability of the Company.
- Dependence on imported raw materials and the logistic limitations due to geo political situation, can affect the performance of the company
- Seasonal nature of product demand
Fertilizer consumption is seasonal and dependent on rainfall in the region.

Operational Performance Segment wise / Product wise

a. Udyogamandal Complex

Fertilizer Units: During the financial year 2023-24 Udyogamandal Complex produced 221267 MT of Factamfos, (NP 20:20:0:13), which is 149% of the installed capacity and 116% of the ministry target. Ammonium Sulphate production during the financial year 2023-24 was 242577 MT, which is 108% of the installed capacity and 113% of the ministry target. This is against the production of 208146 MT and 244732 MT respectively in the previous year.

Nutrient wise production during 2023-24 was 94224 MT of Nutrient Nitrogen as against MoU target of 82290 MT and 44253 MT of P_2O_5 against MoU target of 38000 MT.

Petrochemical Unit: The production of Caprolactam for the financial year was 34663 MT, on Grid Energy with DG support.

b. Cochin Division:

During the financial year 2023-24, Cochin Division produced 121290 MT each of nutrient nitrogen and nutrient P_2O_5 , which is 125.04% of the installed capacity and 94.76% of the internal target. The production of Nutrient Nitrogen and P_2O_5 during the previous year was 124010 MT.

The division also produced 226060 MT of Sulphuric Acid and 58535 MT of Phosphoric Acid as compared to 234330 MT of Sulphuric Acid and 63050 MT of Phosphoric Acid in the year 2022-23.

c. Marketing Division:

During the financial year 2023-24 the Company had achieved total sales of 11.76 lakhs MT of all products as compared to last year sales of 9.96 lakh MT; works out 18% growth over last year in spite of adverse climatic conditions and stiff competition.

FACT conducted government programs like PMKSK, PM-PRANAM, PM-Mahila Kisan Drone Kendra, Vikshit Bharath Sangalp Yathra & Community Radio Program etc. during the year successfully.

As part of market expansion/reorganization of territories, new zones Kadapa, Kakkinada in Andhra Pradesh, Nizambad in Telangana and Bhubaneswar in Odisha have been formed. Maharashtra State Office at Solapur started functioning.

FACT appointed Stock Point Dealers in Karnataka, AP and Telegana (outside TN / KL) for the first time which will improve Godown facility / wide spread availability of stocks for the dealers/farmers. The company has also started selling the new product like PDM / PROM / Nano UREA / Nano DAP.

FACT achieved Soil Analysis of 10038 samples against the MoU target of 10000 given by DoF for the year 2023-24.

d. FACT Engineering and Design Organisation (FEDO):

During the financial year 2023-24, FEDO focused on execution of major jobs of its external clientele and achieved substantial progress in completion of major milestones laid out in the spectrum of Design, Engineering, Procurement and Inspection fronts as well as in the Projects and Constructions. FEDO actively participated in the E tenders/Enquiries from several Indian clientele in Oil & Gas, Fertilizers, Chemicals, Minerals & Metals etc., like HPCL, KMMML, HURL, RIL, NGIL, BHEL, OIL etc.

FEDO received new external orders for a value of Rs. 46.00 Crore during the year 2023-24. FEDO achieved a turnover of Rs. 18.65 Crore as compared to Rs. 13.34 Crore in the previous year.

e. FACT Engineering Works (FEW):

During the financial year 2023-24, FEW bagged External orders worth Rs. 67.31 lakh compared to Rs. 256.24 lakh during the financial year 2022-23. The total value of the orders for the year is Rs. 463.31 lakhs.

FEW is planning to associate with credible Engineering firms, by establishing a panel of interested parties, which can help it to bag & carry out more orders. The demand from the process industry for pressure vessels and heat exchangers for replacement as well as for capacity expansion is steady and it offers business opportunity to FEW. The shipping sector is also now on the path of resurgence.

Further details on Segment-wise or Product-wise Performance and Discussion on financial performance with respect to operational performance are furnished separately in the Annual Report.

Outlook for the future

The Company expects to continue the excellent production and marketing performance during the year 2024-25. Company is also planning to increase fertilizer trading activities this year. Tie up for supply of RLNG for five years has been made with Indian Oil Corporation Ltd. Company has also tied up for Sulphur and benzene from domestic suppliers.

The financial restructuring package has been submitted to Govt. of India seeking approval for conversion of a part of Government of India loan into equity and write off of interest on Govt. of India loan and restructuring of balance Govt. of India loan.

The Financial Restructuring proposal submitted by the Company is under the consideration of Department of Fertilisers. The Company expects an early implementation of the same.

The Company has submitted its request to Department of Fertilizers for granting 'Mini Ratna' Status and the proposal is also under consideration.

The Capex projects for the Company is progressing as per the plan. Setting up of 1650 TPD Factamfos plant and implementation of the CAPEX could result in increase in fertilizer production of the Company from 10 lakh MT to 14 lakh MT and considerable increase in turnover and reasonable profit.

Risk and Concern

The fertilizer business is exposed to various risks arising from fluctuations in international raw material prices, foreign exchange rate, geo-political uncertainties etc., which can have an adverse impact on the financial position and impact margins. Cyber security issues like information breach, unauthorized access, loss of sensitive or confidential information etc. also pose significant risks to the Company.

Internal Control systems and their adequacy

FACT is having an Internal Control System, commensurate with the size, scale and complexity of its operations. The Internal Audit wing of FACT headed by Deputy General Manager (Internal Audit), monitors and evaluates the efficacy and adequacy of Internal Control System in the Company. The observations and recommendations of internal audit along with corrective action thereon are presented to the Audit Committee of the Board. Based on the recommendation of Internal Audit, the functional heads take necessary corrective action in their functional area, thereby strengthening internal control.

Performance of the Company

Financial performance

The Company achieved very good performance in the production, marketing and financial front. The Company has achieved turnover of ₹ 5054.93 Cr and earned a net profit of ₹ 146.17 Cr. For the Financial Year 2023-24, the Board has recommended a Dividend of ₹ 0.97/- (ninety-seven paise) per equity share of face value of Rs.10/- each.

Particulars	2023-24
Net Sales	5054.93
Other Income	203.12
Total Revenue	5258.05
Total Expenses	4968.96
Profit before Exceptional Items and Tax	289.09
Exceptional Items	-245.59
Earnings before interest, depreciation and Taxes (EBIDTA)	562.59
Interest	246.93
Depreciation	26.57
Deferred Tax	-102.67
Profit for the year	146.17

Operational performance

On Production front, Factamfos production for the fiscal year 2023-24 was 8.27 lakh MT and Ammonium Sulphate 2.42 lakh MT, as compared to 8.28 lakh MT and 2.44 lakh MT respectively during the previous year.

Material developments in Industrial Relations / Human Resources

1. Industrial Relations

During the financial year 2023-2024, cordial industrial relations were maintained across all Divisions of the Company. Discussions were regularly held between Management and the Trade Unions and Officer Associations on various matters. Consequent to the Pay revision for employees, Company implemented 'Cafeteria Approach' for payment of allowances/perks to employees. The retirement age of employees was enhanced from 58 to 60 years during the financial year. The year witnessed high levels of production and sales with high levels of employee commitment in all its plants. There was no loss of productivity due to Industrial Relation issues.

2. Human Resources

The Company values Human Resources as an important asset and recognizes its contribution in achieving high levels of production and sales during the year including achievement of many records in these areas. 162 employees joined the permanent rolls of the Company during the year. There were 1523 employees on permanent rolls as on 31.03.2024.

Employees are imparted training through the FACT Training Centre. The new recruits were given induction training and on the job training in Divisions. The web based Learning Management System developed and implemented in-house, whereby intranet users, while in office, can access learning modules on various subjects, is also in place.

The Company has a well-structured and effective Employees Grievance Management System for redressing employee grievances. The basic objective of the Employees Grievance Redressal System is to provide an easily accessible machinery for settlement of grievances and to adopt measures to ensure expeditious settlement of grievances of all the employees to inspire confidence of employees in the system leading to increased satisfaction in the job and resulting in improved productivity and efficiency of the organization. Three separate Grievance Committees are in place for employees in various cadres to consider and redress grievances.

3. Development of Scheduled Castes/ and Scheduled Tribes (SC/ST).

Regular in house training programmes are being arranged to employees including SC/ST employees through FACT Training Centre.

For engagement of Apprentices under the Apprentices Act, representation as per rules is provided. The representation for SC/ST in Apprentices as on 31.03.2024 is as follows:

Total No of Apprentices	GEN	OBC	SC	ST
130	35	74	18	03

18 SC and 3 ST Apprentices underwent training during 2023-2024.

4. Steps taken for the welfare of SC/ST employees

The directives of the Government in recruitment and promotion of reserved categories are followed by the Company. SC/ST officers are nominated on the selection committees and Management also ensures their representation in other committees and forums. Due consideration is given for allotment of residential quarters and also for nominations for training courses. Welfare benefits are extended to employees and their dependents by way of medical facilities, housing, social security measures etc. SC/ST Employees Associations are also functioning in the Company.

The representation of SC/ST in recruitments during the year 2023-24 is given below:

Recruitment 01.04.2023 - 31.03.2024	Numbers Recruited	SC	ST
Managerial cadre	60	10	2
Non managerial cadre	102	23	6
Grand Total	162	33	8

The employment of Reserved categories as on 31.03.2024 is given below:

	Total	SC	ST	OBC	PWBD
No of Employees	1523	224	54	649	37
% of total employees		14.71	3.55	42.61	2.43

SC/ST Grievance Cell

An SC/ST Grievance Cell is functioning in the Company comprising the Chairman, (who is also Chief Liaison Officer for matters pertaining to reservation of SC/ST, and their grievances in the Company), liaison officers of various Divisions and officers belonging to SC & ST. The grievances received are examined in detail by the Cell and appropriately redressed wherever possible.

Allotment of Residential Quarters

Due consideration is given for allotment of Residential Quarters to SC/ST employees. 28% of the quarters are presently occupied by SC/ST Employees. Details of the quarters allotted to SC/ST employees are furnished below:

Total number of quarters occupied by the employees in the Townships	SC Employees	ST Employees
365	81	21

Reservation of Dealership

FACT is having 5937 dealers for distribution of fertilisers. FACT is encouraging SC/ST category dealers to apply for the dealership in accordance with policy of Department of Fertilizers, Government of India.

Total number of dealers and the representation of SC/ST in dealership as on 31.3.2024 is given below.

Sl.No.	State	Total Dealers	SC Dealers	ST Dealers
1	Kerala	1618	33	6
2	Tamil Nadu	1145	63	0
3	Karnataka	1721	44	32
4	Telangana	553	3	4
5	Andhra Pradesh	718	5	0
6	Maharashtra	44	0	0
7	Gujarat	-	-	-
8	Odisha	41	0	0
9	West Bengal	51	0	0
10	Bihar	46	0	0
	TOTAL	5937	148	42

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT

SEBI/HO/CFD/CMD-2/P/CIR/2021/562 dated 10/05/2021

SECTION A: GENERAL DISCLOSURES

I. Details of the listed entity

1	Corporate Identity Number (CIN) of the Listed Entity	L24129KL1943GOI000371
2	Name of the Listed Entity	The Fertilisers and Chemicals Travancore Ltd
3	Year of incorporation	1943
4	Registered office address	Eloor Udyogamandal, Ernakulam District, Kerala - 683501
5	Corporate address	Eloor Udyogamandal, Ernakulam District, Kerala - 683501
6	E-mail	investors@factltd.com
7	Telephone	0484-2567620
8	Website	www.fact.co.in
9	Financial year for which reporting is being done	01-04-2023 to 31-03-2024
10	Name of the Stock Exchange(s) where shares are listed	National Stock Exchange of India Ltd
11	Paid-up Capital	Rs. 647.07 Crore
12	Name and contact details (telephone, email address) of the person who may be contacted in case of any queries on the BRSR report	Susan Abraham Company Secretary susan@factltd.com 0484-2567620
13	Reporting boundary - Are the disclosures under this report made on a standalone basis (i.e. only for the entity) or on a consolidated basis (i.e. for the entity and all the entities which form a part of its consolidated financial statements, taken together).	Standalone basis
14	Name of Assurance Provider	Nil
15	Type of Assurance obtained	Nil

II. Products/ Services

16. Details of business activities (*accounting for 90% of the turnover*):

S. No.	Description of Main Activity	Description of Business Activity	% of Turnover of the entity
1	Manufacturing & Marketing	Manufacturing and Marketing Fertilisers, Chemicals and Petrochemicals	99%
2	Engineering & Consultancy	Engineering Consultancy & Design and Fabrication & Erection of Industrial Equipment	1%

17. Products/Services sold by the entity (accounting for 90% of the entity's Turnover):

S. No.	Product / Service	NIC Code	% of total Turnover
1	Complex Fertilisers	31052000	72
2	Ammonium Sulphate	31022100	14
3	Caprolactam	29337100	11

III. Operations
18. Number of locations where plants and/or operations/offices of the entity are situated:

Location	Number of plants	Number of offices	Total
National	2	15	17
International	Nil	Nil	Nil

19. Markets served by the entity:

a. Number of locations	
Locations	Number
National (No. of States)	9
International (No. of Countries)	0
b. What is the contribution of exports as a percentage of the total turnover of the entity?	Nil
c. A brief on types of customers	The ultimate customers of the Company for fertilisers are the farmers and the agriculturists. The sales of fertilisers to the farmers are effected through the company's depot and the dealer network. The customers for petrochemical products are Nylon Manufactures.

IV. Employees
20. Details as at the end of Financial Year:

a. Employees and workers (including differently abled):

S. No.	Particulars	Total (A)	Male		Female

26. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format

Sl. No	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Health & Safety	Risk	Health & safety is one of the most critical areas for the industry which directly impacts the operation. Health and safety aspects are subjected to regular ISO Audits.	Safety inspections were carried out by safety committee every quarter of the year. Mock drills are carried out at regular intervals.	Negative
2.	Pollution	Risk	It can have a negative implication on the business	Fuel changed to RLNG. Online analysis for continuous monitoring of parameters are installed.	Negative

3.	Climate change	Risk	Climate change can lead to changes affecting raw materials availability and demand for finished Products. (Fertilisers)	Raw material procurement and Production are planned accordingly. Climate change can affect the usage of fertilisers	Negative
4.	Water neutrality	Opportunity	Water is essential to the production.	Emphasis on recycle of water	Positive
5.	Employee Development	Opportunity	Training is important and skill upgradation programs need to be conducted	Conducted training programmes, rewards and recognition scheme	Positive
6.	Energy Management	Opportunity	Energy is required for production at large scale	Focus on renewable energy will help to reduce burden on environment. Energy efficiency improvement efforts are ongoing.	Positive
7.	Product Safety and Quality	Risk	Product safety and quality are important. Proper safety measures are needed to handle the product.	Our Products are designed, manufactured to meet all safety, and regulatory requirements	Positive

SECTION B: MANAGEMENT AND PROCESS DISCLOSURES

This section is aimed at helping businesses demonstrate the structures, policies and processes put in place towards adopting the NGRBC Principles and Core Elements.

Disclosure Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
Policy and management processes									
1. a. Whether your entity's policy/policies cover each principle and its core elements of the NGRBCs. (Yes/No)	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
b. Has the policy been approved by the Board? (Yes/No)	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
c. Web Link of the Policies, if available	https://fact.co.in/images/upload/BRSR-Policy_120								
2. Whether the entity has translated the policy into procedures. (Yes / No)	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
3. Do the enlisted policies extend to your value chain partners? (Yes/No)	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
4. Name of the national and international codes / certifications / labels / standards (e.g. Forest Stewardship Council, Fairtrade, Rainforest Alliance, Trustee) standards (e.g.SA 8000, OHSAS, ISO, BIS) adopted by your entity and mapped to each principle.	All fertilizer plants are certified for ISO 14001:2015 and ISO 9001:2015. FACT Cochin Division is also certified for ISO 45001:2018. FACT Udyogamandal Division is also certified for ISO 50001:2018.								

5. Specific commitments, goals and targets set by the entity with defined time lines, if any.

Our company is committed to driving sustainability and operational excellence through several strategic initiatives. We prioritize optimum resource utilization to ensure efficient and sustainable use of materials and energy equipment across all operations. To further our environmental goals, we have plans to increase our reliance on renewable energy sources, aiming to significantly reduce our carbon footprint. Specifically, we are dedicated to reducing our Scope 1 and Scope 2 emissions, aligning with global climate goals.

In addition, we are focused on reducing our overall energy consumption by implementing energy-efficient technologies and processes, while also expanding our use of renewable energy. We are exploring and planning to shift to greener fuels in the near future, which will further enhance our environmental performance and reduce our reliance on fossil fuels. FACT endeavours to identify, assess and manage environmental & social risks, and its impact across its entire product lifecycle. We believe in fostering a diverse and inclusive workforce, and we have plans to improve our workforce diversity through retention strategies. The company intends to conduct training and skill development programs, especially in the ESG space that makes the employee future-ready and enhance their employability level in the long run, without discrimination. Our commitment to maintaining a safe workplace is unwavering, with a goal to achieve zero harm across all our operations. The Company plans to engage in raising consumer awareness on product safety, responsible consumption including guidance on reuse and recycling of the products & materials. Furthermore, we recognize the importance of responsible supply chain management. To this end, we plan to conduct comprehensive assessments of our top suppliers in the future to ensure they meet our standards for sustainability and ethical practices. Through these commitments, we aim to create a positive impact on the environment, our employees, and the communities we serve, while driving sustainable growth and innovation.

<p>6. Performance of the entity against the specific commitments, goals and targets along-with reasons in case the same are not met.</p>	<p>FACT has taken a significant step by switching the fuel used in the driers of its phosphate plants from furnace oil to Re-gassified Liquefied Natural Gas (RLNG). This transition to RLNG is not only environmentally friendly but also improves combustion efficiency. To ensure sustained operation and energy savings, FACT has planned several capital expenditure (CAPEX) projects. These projects include expanding the capacity of the Ammonia Plant, Phosphoric Acid Plant, and Sulphuric Acid Plant. FACT intends to fund these projects internally, demonstrating its commitment to long-term growth. FACT has a rich history, celebrating 76 years of producing fertilizers and serving the nation. Throughout its existence, FACT has consistently met the fertilizer needs of farmers. Despite facing challenges, the company is now focused on sustainable growth, adopting industry best practices. By ensuring a stable supply of fertilizers, FACT contributes to national food security.</p> <p>FACT's FY24 ESG Performance is as below:</p> <ul style="list-style-type: none"> -Scope I emission decreased by 20.21% over FY23 -CSR spend has increased by 295% over FY23 -Workforce diversity has increased by 3.6% over FY23
<p>7. Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements (listed entity has flexibility regarding the placement of this disclosure)</p>	<p>FACT is strategically positioned to achieve sustained and consistent growth through the implementation of various capital expenditure (CAPEX) projects.</p> <p>The Company is committed to integrating Environmental, Social and Governance ('ESG') principles into its businesses. The company is committed to managing and mitigating risks through the entire product lifecycle and improving its value offerings to meet the needs and aspirations of all its stakeholders. The company has a policy on Product Responsibility and Sustainability. The Company endeavours to ensure responsible and sustainable business operations across the entire supply chain-sourcing, procurement, manufacturing, packaging, transportation, marketing, and end-product use.</p> <p>The company has a Business Responsibility and Sustainable Development Policy which includes all essential policies that fall under BRSR principles.</p> <p>The Company is taking steps to reduce carbon emissions and utilise renewable energy for its operations. The feedstock and fuel have been changed to RLNG, the green fuel.</p>

8. Details of the highest authority responsible for implementation and oversight of the Business Responsibility policy (ies).	Dr. Jayachandran K., Director (Technical)
9. Does the entity have a specified Committee of the Board/ Director responsible for decision making on sustainability related issues? (Yes / No). If yes, provide details.	Yes, Dr. Jayachandran K., Director (Technical)

10. Details of Review of NGRBCs by the Company:

Subject for Review	Indicate whether review was undertaken by Director / Committee of the Board/ Any other Committee									Frequency (Annually/ Half yearly/ Quarterly/ Any other – please specify)								
	P1	P2	P3	P4	P5	P6	P7	P8	P9	P1	P2	P3	P4	P5	P6	P7	P8	P9
Performance against above policies and follow up action	Senior management of the Company reviews the policies									On a continuous basis								
Compliance with statutory requirements of relevance to the principles, and, rectification of any non-compliances	Compliance Certificate on laws applicable is provided by all the division heads.									Half yearly								

11. Has the entity carried out independent assessment/ evaluation of the working of its policies by an external agency? (Yes/No). If yes, provide name of the agency.	P1	P2	P3	P4	P5	P6	P7	P8	P9
	No								

12. If answer to question (1) above is “No” i.e. not all Principles are covered by a policy, reasons to be stated:

Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
a. The entity does not consider the Principles material to its business (Yes/No)	Not Applicable								
b. The entity is not at a stage where it is in a position to formulate and implement the policies on specified principles (Yes/No)									
c. The entity does not have the financial or/human and technical resources available for the task (Yes/No)									
d. It is planned to be done in the next financial year (Yes/No)									
e. Any other reason (please specify)									

SECTION C: PRINCIPLE WISE PERFORMANCE DISCLOSURE

This section is aimed at helping entities demonstrate their performance in integrating the Principles and Core Elements with key processes and decisions. The information sought is categorized as “Essential” and “Leadership”.

While the essential indicators are expected to be disclosed by every entity that is mandated to file this report, the leadership indicators may be voluntarily disclosed by entities which aspire to progress to a higher level in their quest to be socially, environmentally and ethically responsible.

PRINCIPLE 1:- Business should conduct and govern themselves with integrity and in a manner that is Ethical, Transparent and Accountable

Essential Indicators

1. Percentage coverage by training and awareness programme on any principles during the financial year

Segment	Total number of training and awareness programmes held	Topics / Principles covered under the training and its impact	% of persons in respective category covered by the awareness programme
Board of Directors	1	1. Orientation Programme for Functional Directors	33.33%
Key Managerial Personnel	1	1. Orientation Programme for Functional Directors	25%
Employees	177	1. E-procurement of Goods and service and related GFR Rules 2. Awareness on "Public Procurement" 3. Training program on "Vigilance Administration & Procurement" 4. Advanced Training in "Vigilance Investigation" 5. A Talk on "Vigilance" 6. 2 day Training program on Cyber Hygiene and Security 7. Workshop on Procurement in CPSE's	27.87%
Workers	2	1. A Talk on Vigilance	0.23%

2. Details of fines / penalties /punishment/ award/ compounding fees/ settlement amount paid in proceedings (by the entity or by directors / KMPs) with regulators/ law enforcement agencies/ judicial institutions, in the financial year, in the following format (Note: the entity shall make disclosures on the basis of materiality as specified in Regulation 30 of SEBI (Listing Obligations and Disclosure Obligations) Regulations, 2015 and as disclosed on the entity's website):

Monetary					
	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Amount (In INR)	Brief of the Case	Has an appeal been preferred? (Yes/No)
Penalty/ Fine	Nil	Nil	Nil	Nil	NA
Settlement	Nil	Nil	Nil	Nil	NA
Compounding Fee	Principle 9	Legal Metrology Dept.	2022-23 = Rs.3,25,000/- 2023-24 = Rs.4,60,000/-	Short weighment, smudged MRP, month & year of manufacture	No

National Stock Exchange of India Ltd., is imposing a fine of Rs. 5000 per day for non-compliance regarding Board Composition. FACT is a Central PSU and the Directors are appointed based on directions from the Govt. of India. FACT has therefore requested NSE to refrain from penal actions.

NON - MONETARY				
	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Brief of the Case	Has an appeal been preferred? (Yes/No)
Imprisonment	Nil	Nil	Nil	NA
Punishment	Nil	Nil	Nil	NA

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed.

Case details	Name of regulatory/ enforcement agencies/ judicial institutions
Nil	Nil

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web link to the policy.

FACT maintains a dedicated Vigilance Department. This department plays a crucial role in enhancing the organization's quality management system by fostering a corruption-free environment. Its primary objective is to encourage every individual within FACT to perform at a high level, aligning with the company's Vision and Mission. Additionally, FACT has implemented a Whistle Blower Policy to further promote transparency and accountability. This policy allows employees to report any unethical practices or wrongdoing without fear of reprisal. Overall, the Vigilance Department and Whistle Blower Policy contribute to FACT's commitment to excellence and integrity. Web link for accessing the policy is https://fact.co.in/images/upload/Vigil-Mechanism_46.pdf

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption.

	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Directors	Nil	Nil
KMP	Nil	Nil
Employees	Nil	Nil
Workers	Nil	1

6. Details of complaints with regard to conflict of interest

	FY 2023-24 (Current Financial Year)		FY 2022-23 (Previous Financial Year)	
	Number	Remarks	Number	Remarks
Number of complaints received in relation to issues of Conflict of Interest of the Directors	Nil	Nil	Nil	Nil
Number of complaints received in relation to issues of Conflict of Interest of the KMPs	Nil	Nil	Nil	Nil

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest. Nil

8. Number of days of accounts payables ((Accounts payable *365) / Cost of goods/services procured) in the following format:

	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Number of days of accounts payable	51.7	32.6

9. Open-ness of business

Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along-with loans and advances & investments, with related parties, in the following format:

Parameter	Metrics	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Concentration of Purchases	a. Purchases from trading houses as % of total purchases	84.97%	95.31%
	b. Number of trading houses where purchases are made from	959	844
	c. Purchases from top 10 trading trading houses	41.48%	86.10%

Concentration of Sales	a. Sales to dealers/ distributors as % of total sales	100%	100%
	b. Number of dealers / distributors to whom sales are made	5802	5521
	c. Sales to top 10 dealers/distributors as % of total sales to dealers / distributors	6.58%	6.12%
Shares of RPTs in	a. Purchases (Purchases with related parties/ total purchases)	Rs. 1,92,827.50	Rs. 2,74,484.36
	b. Sales (Sales to related parties/ total sales)	Rs. 4,355.68	Rs. 5,037.50
	c. Loans & advances (Loans & advances given to related parties / total loans and advances)	NA	NA
	d. Investments (Investments in related parties / total investments made)	NA	NA

Leadership Indicators

1. Awareness programmes conducted for value chain partners on any of the Principles during the financial year

Total number of awareness programmes held	Topics / principles covered under training	% of value chain the partners covered (by value of business done with such partners) under the awareness programme
1. Dealer Training Programs 31 Nos & Farmers Training and Orientation Programs (80)	Value Chain Partners (dealers) of about 600 members were provided awareness training on fertiliser Control Order, Legal Metrology Act, Direct Benefit Transfer, Integrated Fertiliser Management System, Point of Sale Machine , Balance use of Fertilisers , Credit Control System. In addition about 16,600 farmers attended training on Package and Practices. Use of Organics, Soil Health . Integrated Pest and disease Management balanced, use of latest variety of seeds and fertilisers etc.	27%
2. Does the entity have processes in place to avoid/ manage conflict of interests involving members of the Board? (Yes/No) If Yes, provide details of the same	The Board of FACT consists of a well-balanced mix of executive and non-executive Directors. The Chairman & Managing Director and three functional directors are appointed by the Government of India through the selection process of the Public Enterprise Selection Board. Additionally, the part-time official Directors hold positions at the Joint Secretary or Additional Secretary level in the Ministry of Chemicals and Fertilizers. Independent Directors are also appointed by the Government of India. Notably, these Directors are not required to hold any shares in FACT. Details of other directorships are communicated to the Board at the time of appointment and at the start of each financial year.	

PRINCIPLE 2:- Business should provide goods and services in a manner that is sustainable and safe.

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and Social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

	<i>Current Financial Year</i>	<i>Previous Financial Year</i>	<i>Details of improvements in environmental and social impacts</i>
R&D	Rs.57.62 lakhs	Rs.35.67 lakhs	<p>a) Formulated the combination of Insecticidal fertilizer (insecticides combined with fertilizer). It is a preparation containing organic substrate in combination with inorganic pesticide which may serve both as an organic fertilizer as well as an insecticide. Such formulations are desirable in agricultural due to the multiple benefits conveyed via single application/system, provide nutrients for the plant growth while eliminating or controlling unwanted insects that affect the health and vitality of the desirable plants.</p> <p>b) Formulated a simple and effective composition for liquid Calcium Nitrate fertilizer. Liquid calcium nitrate provides nitrogen, essential for the growth and development of crops, necessary for the synthesis of chlorophyll as well as being a major component of vitamins and energy transfer systems of plants. Calcium helps to reduce soil acidity.</p> <p>c) As part of social responsibility, R&D imparts guidance to B.Sc, B.Tech & M.Sc students. Also imparts training to extend industrial exposure on fertiliser sector.</p>
Capex	NA		

2.	a	Does the entity have procedures in place for sustainable sourcing? (Yes/No)	Yes
	b	If yes, what percentage of inputs were sourced sustainably?	100%

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for

(a)	Plastics (including packaging)	Safely disposed to authorized re-processors through MSTC Limited.
(b)	E-waste	E-waste is being disposed safely through authorized re-processors through MSTC Limited.
(c)	Hazardous waste	Hazardous waste is being disposed safely through authorized re-processors approved by KSPCB and through MSTC Limited.
(d)	Other waste.	Bio-medical waste are safely disposed through IMA – IMAGE facility.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same - No

Leadership Indicators

1. Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format?

NIC Code	Name of Product /Service	% of total Turnover contributed	Boundary for which the Life Cycle Perspective / Assessment was conducted	Whether conducted by independent external agency (Yes/No)	Results communicated	in public domain (Yes/No) If yes, provide the web-link.
NO						

2. If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products / services, as identified in the Life Cycle Perspective / Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same.

Name of Product / Service	Description of the risk / concern	Action Taken
Not applicable in view of answer to 1 above		

3. Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry).

Indicate input material	Recycled or re-used input material to total material	
	FY 2023-24 Current Financial Year	FY 2022-23 Previous Financial Year
Ammonium Sulphate	0.06%	0.36%
NP 20:20:0:13	0.01 %	0.08%

4. Of the products and packaging reclaimed at end of life of products, amount (in metric tonnes) reused, recycled, and safely disposed, as per the following format:

	FY 2023-24 Current Financial Year			FY 2022-23 Previous Financial Year		
	Re-Used	Recycled	Safely Disposed	Re-Used	Recycled	Safely Disposed
Plastics (including packaging)	0	0	0	0	0	65.71 MT
E-waste	0	0	0	0	0	0.2 MT
Hazardous waste	0.24 MT	1.3 MT	297.855 MT	0.16 MT	2.25 MT	810.27 MT
Other waste	0	0	0.005 MT	0	0	0.003 MT

5. Reclaimed products and their packaging materials (as percentage of products sold) for each product category

Indicate product category	Reclaimed products and their packaging materials as % of total products sold in respective category
NA	

PRINCIPLE 3 :- Businesses should respect and promote the well-being of all employees, including those in their value chains

Essential Indicators

1. a. Details of measures for the well-being of employees

Category	% of employees covered by										
	Total (A)	Health Insurance		Accident Insurance		Maternity benefits		Paternity Benefits		Day care facilities	
		Number (B)	% (B/A)	Number (C)	% (C/A)	Number (D)	% (D/A)	Number (E)	% (E/A)	Number (F)	% (F/A)
Permanent Employees											
Male	563	563	100	563	100	NA	0	Nil	0	Nil	0

Total	46	46	100	46	100	7	15.21	Nil	0	Nil	0

b. Details of measures for the well-being of workers

Category	% of employees covered by										
	Total (A)	Health Insurance		Accident Insurance		Maternity benefits		Paternity Benefits		Day care facilities	
		Number (B)	% (B/A)	Number (C)	% (C/A)	Number (D)	% (D/A)	Number (E)	% (E/A)	Number (F)	% (F/A)
Permanent Employees											
Male	859	859	100	859	100	NA	0	Nil	0	Nil	0
Female	29	29	100	29	100	29	100	NA	0	Nil	0
Total	888	888	100	888	100	29	3.27	Nil	0	Nil	0
Other than Permanent workers											
Male	592	592	100	592	100	NA	0	Nil	0	Nil	0
Female	120	120	100	120	100	120	100	NA	0	Nil	0
Total	712	712	100	712	100	120	16.83	Nil	0	Nil	0

c. Spending on measures towards well-being of employees and workers (including permanent and other than permanent) in the following format

	FY 2023-24 Current Financial Year	FY 2022-23 Previous Financial Year
Cost incurred on well-being measures as a % of total revenue of the company	0.42	0.31

2. Details of retirement benefits, for Current FY and Previous Financial Year.

Benefits	FY - 2023-2024 Current Financial Year			FY - 2022-2023 Previous Financial year		
	No of employees covered as a % of total employees	No of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/NA)	No of employees covered as a % of total employees	No of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/NA)
PF	100%	100%	Y	100%	100%	Y
Gratuity	100%	100%	Y	100%	100%	Y
ESI*	0	0	Y	0	23.96%	Y
Others- Please specify - GMC**	100%	100%	Y	100%	100%	Y

* Number of employees / workers covered under ESI is taken as per the data for the month of March

** GMC (Group Medclaim Policy) :- Option for permanent employees and permanent workers to continue GMC after retirement on payment of premium as applicable.

3. Accessibility of workplaces

The premises / offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard. - Yes

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy. - Yes

5. Return to work and Retention rates of permanent employees and workers that took parental leave.

Gender	Permanent Employees		Permanent Workers	
	Return to work rate	Retention rate	Return to work rate	Retention rate
Male	NA	NA	NA	NA
Female	100%	100%	100%	100%
Total	100%	100%	100%	100%

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief.

Categories of Employees	Yes/No (If Yes, then give details of the mechanism in brief)
Permanent Workers	Yes, Comprehensive Employee Grievance redressal Mechanism is in operation to redress the grievances of employees
Other than Permanent Workers	Yes, Comprehensive Employee Grievance redressal Mechanism is in operation to redress the grievances of employees
Permanent Employees	Yes, Comprehensive Employee Grievance redressal Mechanism is in operation to redress the grievances of employees
Other than Permanent Employees	Yes, Comprehensive Employee Grievance redressal Mechanism is in operation to redress the grievances of employees

URL for Grievance redress policy – <http://192.168.20.129/HRM/Grievance-Management-System.pdf>

7. Membership of employees and worker in association(s) or unions recognized by the listed entity.

Category	FY - 2023 - 24 Current Financial Year			FY 2022 - 23 Previous Financial year		
	Total employees / workers in respective category (A)	No of employees /workers in respective category, who are part of associations or union (B)	% (B / A)	Total employees / workers in respective category (A)	No of employees /workers in respective category, who are part of associations or union (B)	% (B / A)
Total Permanent Employees	635	576	90.71%	617	560	90.76%
Male	563	512	90.94%	549	500	91.07%
Female	72	64	88.89%	68	60	88.24%
Total Permanent Workers	888	888	100%	929	929	100%
Male	859	859	100%	888	888	100%
Female	29	29	100%	41	41	100%

8. Details of training given to employees and workers

Category	FY 2023 - 24 Current Financial Year					FY 2022 - 23 Previous Financial Year				
	Total (A)	On Health and safety measures		On skill upgradation		Total (D)	On Health and safety measures		On skill upgradation	
		No. (B)	% (B/A)	No. (C)	% (C/A)		No. (E)	% (E/D)	No. (F)	% (F/D)
Employees										
Male	563	109	19.36%	306	54%	602	93	15.45%	80	13.29%
Female	72	14	19.44%	58	81%	76	9	11.84%	14	18.42%
Total	635	123	19.37%	364	57%	678	102	15.04%	94	13.86%
Workers

Total	888	151	17%	210	24%	929	36	4%	2	0.22%

9. Details of performance and career development reviews of employees and worker:

Category	FY 2023-24 Current Financial Year			FY 2022-23 Previous Financial Year		
	Total (A)	No. (B)	% (B/A)	Total (C)	No. (D)	% (D/C)
Employees						
Male	563	563	100%	549	549	100%
Female	72	72	100%	68	68	100%
Total	635	635	100%	617	617	100%
Workers						
Male	859	859	100%	888	888	100%
Female	29	29	100%	41	41	100%
Total	888	888	100%	929	929	100%

10. Health and safety management System:

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?	<p>Yes. The Occupational Health and Safety Management System encompasses several critical aspects:</p> <p>Safety of Process Plants and Equipment: This involves ensuring that the design, operation, and maintenance of process plants and equipment adhere to safety standards.</p> <p>Health and Safety of Employees and Workers: The system focuses on safeguarding the well-being of all personnel within the organization, promoting a healthy work environment.</p> <p>Safe Transportation and Storage of Hazardous Chemicals: Proper handling, transportation, and storage of hazardous substances are essential to prevent accidents.</p>
---	---

	<p>Risk Identification and Assessment: The system systematically identifies and evaluates risks to mitigate potential harm.</p> <p>Safety Policies and Procedures: Clear guidelines and protocols are established to maintain safety standards.</p> <p>Safety Performance Monitoring and Assessment: Regular assessments track safety performance and identify areas for improvement.</p> <p>Employee Training and Awareness: Training programs ensure that employees are well-informed about safety practices.</p> <p>Incident Reporting and Investigation: Prompt reporting and thorough investigation of incidents contribute to continuous improvement.</p> <p>Emergency Preparedness and Response: The system prepares for emergencies and outlines effective response procedures.</p>
b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?	Work-related hazards are identified and managed through a well-established work permit system. For high-risk tasks like work at height, demolition, and critical erection, Job Safety Analysis (JSA) is prepared. Hazard Identification and Risk Assessment (HIRA) have been conducted across all departments, and control measures have been suggested to minimize risks. Routine safety inspections occur at each work site to identify hazards, and yearly safety audits by internal and external authorities ensure prompt rectification of any identified hazards.
c. Whether you have processes for workers to report the work related hazards and to remove themselves from such risks. (Y/N)	Yes
d. Do the employees/worker of the entity have access to non occupational medical and healthcare services? (Yes/ No)	Yes

11. Details of safety related incidents, in the following format:

Safety Incident/Number	Category	FY 2023-24 Current Financial Year	FY 2022-23 Previous Financial Year
Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked)	Employees	0.535	3.75
	Workers	0	45.535
Total recordable work-related injuries	Employees	14	32
	Workers	11	30
No. of fatalities	Employees	0	0
	Workers	0	0
High consequences work-related injury or ill-health (excluding fatalities)	Employees	0	0
	Workers	0	1

12. Describe the measures taken by the entity to ensure a safe and healthy work place.

a) Safety Inspections

In order to prevent accidents in the plants, Safety Inspections were carried out by safety committee members every quarter of the year. Unsafe actions of workers and unsafe conditions in the plants were highlighted in the reports. The reports along with actions to be taken were sent to concerned departments for corrective action.

b) Near Miss & Accident reporting

A system for near miss reporting was introduced in the year 2019 and Near miss reporting boxes are placed in all prominent locations of factory along with near miss reporting form both in Malayalam and English.

c) Safety induction Training

Safety induction training is being imparted to all newly joined employees, Trainees, contract workers and visitors. Refreshment training and work specific trainings are also provided. Safety training cards are issued to all contract labours including truck drivers. Safety violations noticed by the safety officers are noted in the training card.

d) Safety Sign Boards

Safety Sign Boards describing required mandatory PPEs to be worn by all before entering plant premises, other work specific safety warnings and safety practices are displayed in prominent locations of the factory.

e) Risk Assessments Study of plants

Hazard Identification and Risk Assessment (HIRA) of all critical routine and non-routine jobs has been carried out. Measures to eliminate high hazards identified in HIRA have been taken by changing the method of execution of the job and by providing job specific Personal protective equipments. HIRA register has been prepared for all plants and departments. Regular updation of the register is being done by the concerned department heads.

f) Truck safety Inspection

Safety Audit of Acid and ammonia trucks are carried out before issuing entry pass and training was given to the crew by safety officers on yearly basis. All documents, physical condition of trucks, display of information panels, availability of proper PPEs and competency of drivers are ensure during the inspection.

13) Number of Complaints on the following made by employees and workers

	FY 2023 - 24 Current Financial Year			FY 2022 - 23 Previous Financial year		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Working Conditions	Nil	Nil		Nil	NA	NA
Health & Safety	87	52	Recommendation and direction of Dept. of F & B are considered for the complaints	74	32	Recommendation and direction of Dept. of F & B are considered for the complaints

14. Assessments for the year

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Health and safety practices	100%
Working Conditions	100 %

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.

For high-potential incidents and accidents, the Divisional Head will constitute a committee to investigate and recommend corrective/preventive actions. Corrective actions suggested or recommended by Safety Officers based on their observations during routine safety inspections will also be implemented.

Fixed lifeline systems have been installed in the Phosphoric Acid Plant and on product godown roofs. A tender has been invited for installing fixed lifeline systems on all remaining roofs. Additional walkie-talkie communication sets have been provided in plants for emergency communication, following a recommendation from the accident investigation committee formed after the last reportable accident. Regular safety inspections and audits are conducted to identify hazards, assess risks, and implement necessary corrective actions to address them.

Leadership Indicators

1.	Does the entity extend any life insurance or any compensatory package in the event of death of (A) Employees (Y/N) (B) Workers (Y/N).	Yes
2.	Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners.	Documentary evidence of payment of statutory dues are collected from the value chain partners while releasing the payments due to them

3.	Provide the number of employees / workers having suffered high consequence work related injury / ill-health / fatalities (as reported in Q11 of Essential Indicators above), who have been are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment:				
		Total no. of affected employees/ workers		No. of employees/workers that rehabilitated and placed in employment or whose members have been placed in suitable employment	
		FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
	Employees	0	0	0	0
	Workers	2	0	0	0

4.	Does the entity provide transition assistance programs to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/ No)	No
----	---	----

5) Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Health and safety practices	The company is planning to carry out assessment for their value chain partners in the upcoming financial years.
Working Conditions	

6.	Provide details of any corrective actions taken or underway to address significant risks / concerns arising from assessments of health and safety practices and working conditions of value chain partners.	NA
----	---	----

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders
Essential Indicators

1) Describe the processes for identifying key stakeholder groups of the entity: Identified based on operations of the Company.	NIL
--	-----

- 2) List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group

Stakeholder Group	Whether identified as Vulnerable & Marginalized Group (Yes/No)	Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website), Other	Frequency of engagement (Annually/ Half yearly/ Quarterly / others – please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagement
Employees/workers	Yes	Grievance mechanism	Others	Resolving Issues
Trade Unions	Yes	Grievance mechanism	Others	Resolving Issues
Suppliers / Vendors / Dealers / Shareholders	No	Grievance mechanism / Dealers Meet	Others	Resolving Issues

Leadership Indicators

1.	Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.	<p>"The Management of the Company is entrusted with the Chairman and Managing Director under the supervision of the Board. All the stakeholders can meet or consult with the CMD or the officials authorized by the CMD. The feedback / requirements based on such consultation is reported to the Board. The Company has always maintained that a constant and proactive engagement with key stakeholders enabling the Company to better communicate its strategies and performance.</p> <p>A continuous engagement helps align expectations, thereby enabling the Company to better serve its stakeholders."</p>
----	---	--

2.	Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.	Yes. Inputs received from workers or employees are incorporated in the safety policy of the Company. Inputs from the suppliers or vendors are helpful for sourcing the materials. Feedback from the dealers are considered while framing the marketing policy. The direction of Pollution Control Board is being followed. The Company is engaged on evolving various aspects of ESG and hence stakeholder interactions are important. The Company also makes it a regular exercise to engage with stakeholders and incorporate their feedback into the company's strategy.
3.	Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable / marginalized stakeholder groups.	The Company's CSR activities focus on the disadvantaged, vulnerable and marginalised segments of society as prescribed in the DPE Guidelines issued by the Govt. of India. CSR activities are mentioned separately in the Annual report.

Principle 5:- Business should respect and promote human rights

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format:

Category	FY 2023 - 24 Current Financial Year			FY 2022 - 23 Previous Financial year		
	Total (A)	No. of employees/ workers covered (B)	% (B / A)	Total (C)	No. of employees/ workers covered (D)	% (C / D)
Employees						
Permanent	635	50	8%	617	68	11.02%
Other than permanent	46	0	0%	61	0	0%
Total Employees	681	50	7%	678	68	10.03%
Workers						
Permanent	888	5	0.56	929	2	0.22
Other than permanent	712	3	0.42	665	12	1.8
Total Workers	1600	8	0.5	1594	14	0.88

2. Details of minimum wages paid to employees and workers, in the following format.

Category	FY 2023 - 24 Current Financial Year					FY 2022 - 23 Previous Financial year				
	Total (A)	Equal to Minimum Wage		More than Minimum Wage		Total (D)	Equal to Minimum Wage		More than Minimum Wage	
		No. (B)	% (B / A)	No. (C)	% (C / A)		No. (E)	% (E /D)	No. (F)	% (F / A)
Employees										
Permanent	635	0	0	635	100	617	0	0	617	100
Male	563	0	0	563	100	549	0	0	549	100

3) Details of remuneration/salary/wages, in the following format

a. Median remuneration / wages:

	Male		Female	
	Number	Median remuneration/ salary/ wages of respective category in Rs per month	Number	Median Remuneration/ salary/ wages of respective category in Rs per month
Board of Directors (BoD)	3	*282657.90	Nil	Nil
Key Managerial Personnel	3	*282657.90	1	172037.64
Employees other than BoD KMP**	560	17,43,780.91	71	14,95,740.18
Workers**	859	7,72,459.04	29	5,98,064.84

Note: Only permanent employees and permanent workers are considered.

* CMD (Additional Charge) is paid from his parent organisation. Hence, neither considered for count nor for median calculation.

Only Basic pay and DA in March 2024 are considered for salary.

** Gross pay of these employees for the year 2023-24 is considered for median calculation.

b. Gross wages paid to females as % of total wages paid by the entity, in the following format:

	FY 2023-24 Current Financial Year	FY 2022-23 Previous Financial Year
Gross wages paid to females as % of total wages	10.75%	8.21%

4.	Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)	Yes
5.	Describe the internal mechanisms in place to redress grievances related to human rights issues.	FACT is dedicated to conducting its business with utmost professionalism, honesty, integrity, and ethical behaviour. The company has established a comprehensive code of conduct that applies to all employees. Additionally, FACT ensures a safe and positive work environment for its staff. If any concerns are raised through letters or emails, the relevant department or division within the company promptly addresses them.

6) Number of Complaints on the following made by employees and workers

	FY 2023 - 24 Current Financial Year			FY 2022 - 23 Previous Financial year		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Sexual Harassment	1	0	-	Nil	Nil	-
Discrimination at Work Place	Nil	Nil	-	NIL	Nil	-
Child Labour	Nil	Nil	-	NIL	Nil	-
Forced Labour / Involuntary Labour	Nil	Nil	-	NIL	Nil	-
Wages	Nil	Nil	-	2	1	-
Other human rights related issues	3	3	-	5	3	-

7) Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:

	FY 2023 - 24 Current Financial Year	FY 2022 - 23 Previous Financial year
Total Complaints reported under Sexual Harassment on of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH)	1	0
Complaints on POSH as a % of female employees / workers	0.99%	0
Complaints on POSH upheld	1	0

8	Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases	Yes. The Grievance Redressal Committees are constituted with sufficient members from the vulnerable/marginalized groups
9	Do human rights requirements form part of your business agreements and contracts? (Yes/No)	Yes

10) Assessments for the year:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Child labour	100 %
Forced/involuntary labour	100 %
Sexual harassment	100 %
Discrimination at workplace	100 %
Wages	100 %
Others – please specify	100 %

11	Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 9 above.	No significant risks/concerns was noticed or reported during the assessments.
----	---	---

Leadership indicators

1.	Details of a business process being modified / introduced as a result of addressing human rights grievances/complaints.	FACT has always seen Human Rights as inherent part of all its policies. The company has not had to alter its policy / process in order to align with human rights and grievances. As an institution with the right professional flair, the company is highly committed to the principle of equal opportunity for all employees and also believes in fabricating an environment which is free of discrimination. The company is committed to avoid all sorts of discrimination or harassment based on race, colour, religion, or belief, social or ethnic origin, sex, age, physical, mental or sensory disability, HIV Status, sexual orientation, gender identity and/ or expression, marital status, family medical history or genetic information, family or parental status. The code of conduct lays down guidelines that facilitate the right environment in the company. The company nurtures its employees with the right ethics and code of conduct by organizing various training programs designed for the enhancement and development of the workforce.
2.	Details of the scope and coverage of any Human rights due-diligence conducted.	The company upholds the principle of Human Rights in all its dealings.
3.	Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?	Yes

4) Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Sexual Harassment	NIL
Discrimination at workplace	NIL
Child Labour	NIL
Forced Labour/Involuntary Labour	NIL
Wages	NIL
Others – please specify	NIL

5	Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above.	NA
---	---	----

PRINCIPLE 6 - Business should respect and make efforts to protect and restore the environment.

Essential Indicators

1. Details of total energy consumption (in GJ) and energy intensity, in the following format:

Parameter	FY 2023 - 24 (Current Financial Year)	FY 2022 - 23 (Previous Financial Year)
From renewable sources		
Total electricity consumption (A)	12568.3	6830.50
Total fuel consumption (B)	-	-
Energy consumption through other sources (C)	-	-
Total energy consumed from renewable sources (A+B+C)		
From non-renewable sources		
Total electricity consumption (D)	784506.6	570894.6
Total fuel consumption (E)	1714453.9	2148943.8
Energy consumption through other sources (F)	-	-
Total energy consumed from non-renewable sources (D+E+F)	2498960.6	2719838.0
Total energy consumed (A+B+C+D+E+F)	2511528.8	2726669.0
Energy intensity per rupee of turnover (Cr.) (Total energy consumed/ revenue from operations)	496.8	439.9
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumed / Revenue from operations adjusted for PPP)	-	-
Energy intensity in terms of physical output	-	-
Energy intensity (optional) - per employee	-	-
Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency		No independent assessment /evaluation / assurance has been carried out by an external agency on energy consumption

2.	Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.	<p>Yes</p> <p>Ammonia Complex is a designated consumer (Registration No. FTZ0029KL). PAT cycle II target was 0.959 Million Tonne of Oil Equivalent (MTOE). During the assessment year (2018-2019) plant was unproductive and hence exempted due to "low capacity utilization". Unit is included in the new PAT cycle by Bureau of Energy efficiency Petrochemical plant has been notified as the designated consumer on 7th Sep 2022. Base line data collection for assigning the energy reduction targets need to be carried by BEE</p>
----	---	--

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 2023 - 24 (Current Financial Year)	FY 2022 - 23 (Previous Financial Year)
Water withdrawal by source (in kilolitres)		
(i) Surface water	8369141	8963996
(ii) Groundwater	-	-
(iii) Third party water (Tanker)	-	-
(iv) Seawater / desalinated water	-	-
(v) Water from Municipal Corporation	752	-
(vi) Water Bottles / Aquaguard (Ltr X number of bottle) (KL), Others - Rain water harvesting in lake, Periyar Valley Irrigation Project (PVIP), Water Treatment Plant	2717169.2	2598865
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v + vi)	11087062.2	11562861
Total volume of water consumption (in kilolitres)	11087062.2	11562861
Water intensity per rupee of turnover (Cr.) (Total Water consumption / Revenue from operations)	2139.3	1865.6
Water intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total water consumption / Revenue from operations adjusted for PPP)	-	-
Water intensity in terms of physical output	-	-
Water intensity (optional) – per employee	-	-

Note: Indicate if any independent assessment/ evaluation / assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency	No independent assessment /evaluation / assurance has been carried out by an external agency.
--	---

4. Provide the following details related to water discharged:

Parameter	FY 2023 - 24 (Current Financial Year)	FY 2022 - 23 (Previous Financial Year)
Water discharge by destination and level of treatment (in kilolitres)		
(i) Surface water		
No treatment	-	-
With treatment–please specify level of treatment	-	-
(ii) Ground water		
No treatment	-	-
With treatment–please specify level of treatment	-	-
(iii) Sea water		
No treatment	-	-
With treatment–please specify level of treatment	-	-
(iv) Sent to third parties		
No treatment	-	-
With treatment–please specify level of treatment	-	-
(v) Others		
No treatment	-	-
With treatment–please specify level of treatment (Back water stretch and rivers)	2731379	2853850
Total water discharged (in kilolitres)*	2731379	2853850

*For FEW and FEDO plants, water is discharged through the authorized outlet and effluent water is treated in the process and used in offices

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency	No
--	----

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.	No
--	----

6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit	FY 2023 - 24 (Current Financial Year)	FY 2022 - 23 (Previous Financial Year)
NOx	MT	0.00	0.00
Particulate matter (PM)	MT	110.5	150.5
Sox	MT	426.5	366.3
Persistent organic pollutants (POP)	Nil	0.00	0.00
Volatile organic compounds (VOC)	Nil	0.00	0.00
Hazardous air pollutants (HAP)	Nil	0.00	0.00
Others – please specify (Ammonia, Fluoride, Acid Mist and CO)	MT	206.1	346.4
Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency		No independent assessment/evaluation/assurance has been carried out by an external agency	

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format.

Parameter	unit	FY 2023 - 24 (Current Financial Year)	FY 2022 - 23 (Previous Financial Year)
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	99492.5	124696.3
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	155811.7	113386.0
Total Scope 1 and Scope 2 emissions per rupee crores of turnover (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations)		50.51	38.4
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations adjusted for PPP)		NA	NA
Total Scope 1 and Scope 2 emission intensity in terms of physical output		NA	NA
Total Scope 1 and Scope 2 emission intensity (optional) – per employee			

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency	No independent assessment/evaluation/assurance has been carried out by an external agency
---	---

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.	The company has transitioned its boilers and furnaces to use eco-friendly and energy-efficient fuel, specifically RLNG. This change has led to a reduction in greenhouse gas emissions. Additionally, the production processes within the unit have been designed to further minimize emissions. The company is also exploring the use of renewable energy for its operations.
---	--

9. Provide details related to waste management by the entity, in the following format:

Parameter	FY 2023 - 24 (Current Financial Year)	FY 2021 - 23 (Previous Financial Year)
Total Waste generated (in metric tonnes)		
Plastic waste (A)	-	-
E-waste (B)	0.46	0.59
Bio-medical waste (C)	0.01	0.01
Construction and demolition waste (D)**	7200	100
Battery waste (E)	0.66	1.15
Radioactive waste (F)	-	-
Other Hazardous waste (G) waste (Oil-soaked cotton waste, DG filters, paint cans, chemical cans, paint residue, oil sludge, DG chimney soot, coolant oil and used oil) . Please specify, if any. Spent Catalyst, Sulphur muck, Waste oil, Lead scrap, ETP sludge, OLD DAMAGED & BROKEN GRINDERS, MS/SS MACHINING / CUTTING CHIPS	869.84	1369.85
Other Non-hazardous waste (H) Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)	-	-
Total (A+B+C+D+E+F+G+H)	8070.90	1471.50
Waste intensity per rupee of turnover (Total waste generated / Revenue from operations)	1.59	0.24
Waste intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total waste generated / Revenue from operations adjusted for PPP)	-	-
Waste intensity in terms of physical output		
Waste intensity (optional) – the relevant metric may be selected by the entity		

For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)

Category of waste		
(i) Recycled	0.46	0.59
(ii) Re-used	-	-
(iii) Other recovery operations	Nil	Nil
Total	0.46	0.59

For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)

Category of waste		
(I) Incineration	8070.51	1471.01
(ii) Landfilling	-	-
(iii) Other disposal operations	-	-
Total	8070.51	1471.01

***Note: The company is in the process of monitoring waste generation (though in minor quantities) and further having a robust disposal mechanism to minimise waste sent to landfill.**

**** The demolition of plant has increased the construction and demolition waste.**

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency

No independent assessment/evaluation/assurance has been carried out by an external agency

10.	Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes	FACT has implemented a comprehensive solid waste management plan. Non-hazardous solid waste is collected from its point of generation and stored in designated on-site facilities. Metal scrap, e-waste, and plastic waste are managed through the Metal Scrap Trading Corporation (MSTC). Bio-medical waste is safely disposed of via the IMA – IMAGE facility. Used batteries and other waste are handled by authorized re-processors through a buy-back policy. Hazardous waste categories include spent catalysts, sulphur muck, waste oil, lead scrap, and ETP sludge, all of which are safely disposed of by authorized re-processors. Waste oil is recycled for use as lubricant in conveyor idlers and other machinery.
-----	---	---

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No	Location of operations/offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any
No			

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification Number	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
Nil	Nil	Nil	Nil	Nil	Nil

13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

S. No	Specify the law / regulation / guidelines which was not complied with	Provide details of the noncompliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
Yes				

Leadership indicators

1.	Water withdrawal, consumption and discharge in areas of water stress (in kilolitres): Not Applicable. None of the areas are under water-stress regions.
For each facility / plant located in areas of water stress, provide the following information:	
(i) Name of the area	
(ii) Nature of operations	
(iii) Water withdrawal, consumption and discharge in the following format:	

Parameter	FY 2023 - 24 (Current Financial Year)	FY 2022 - 23 (Previous Financial Year)
Water withdrawal by source (in kilolitres)		
(i) Surface water	-	-
(ii) Ground water	-	-
(iii) Third party water	-	-
(iv) Seawater / desalinated water	-	-
(v) Others	-	-
Total volume of water withdrawal (in kilolitres)	-	-
Total volume of water consumption (in kilolitres)	-	-
Water intensity per rupee of turnover (Water consumed / turnover)	-	-
Water intensity (optional) – the relevant metric may be selected by the entity	-	-

Water discharge by destination and level of treatment (in kilolitres)		
(I) Into Surface water		
No treatment	-	-
With treatment–please specify level of treatment	-	-
(ii) Into Ground water		
No treatment	-	-
With treatment–please specify level of treatment	-	-
(iii) Into Sea water		
No treatment	-	-
With treatment–please specify level of treatment	-	-
(iv) Sent to third parties		
No treatment	-	-
With treatment–please specify level of treatment	-	-
(v) Others		
No treatment	-	-
With treatment–please specify level of treatment	-	-
Total water discharged (in kilolitres)*	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency	No independent assessment/ evaluation/assurance has been carried out by an external agency
--	--

2. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	unit	FY 2023 - 24 (Current Financial Year)	FY 2022 - 23 (Previous Financial Year)
Total Scope 3 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	The company is in process of tracking these emissions in the upcoming years.	
Total Scope 3 emissions per rupee of turnover			

Note: Indicate if any independent assessment/ evaluation / assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency	No independent assessment/ evaluation/assurance has been carried out by an external agency
--	--

3.	With respect to the ecologically sensitive areas reported at Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.	Not applicable to FACT
----	---	------------------------

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

Sl. No	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
1.	Switching over to greener fuel.	The fuel used for combustion in the furnace of NP 20:20:0:13 plants were changed over from Furnace oil to green, eco-friendly and energy efficient fuel – RLNG.	a) Reduction in pollutants discharge to the environment. b) Reduction in fuel consumption Study in progress.
2.	Using Ammonium Sulphate purge liquor of another plant as raw material input for product manufacture.	Ammonium Sulphate purge liquor generated in Ammonium Sulphate Plant is used as input to substitute a part of Ammonia & sulphuric acid requirement in Factamphos Manufacture.	Reduces the effective raw material consumption. Handling and disposal cost of the purge liquor is saved.
3.	Recycle of Waste oil generated in all plants.	Waste oil generated from rotating equipments is used as lubricant in conveyor idlers and other machinery	Consumption of fresh lubricants is reduced.
4.	Purchase of renewable energy.	Renewable energy is purchased through PTC to substitute a part of the power requirement.	Reduces Carbon foot print of the organization
5.	Recycle of effluent water.	A part of effluent from NP plant is recycled for diluting the strong Phosphoric acid and for scrubbing gases in knock out chamber. A part of effluent from PAP plant is recycled to attack tank in PAP	Reduces fresh water consumption
6.	Study for utilisation of sludge generated from effluent treatment plant for production of blended fertiliser	Study is in progress to develop a fertiliser named a blended fertiliser FACTHOME 10:10:10, from effluent treatment plant's sludge, with a nutrient content of 10:10:10 (NPK) and minor quantities of secondary nutrients, as a value added product.	

5.	Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.	<p>FACT is having Business Continuity and Disaster Management plan. Disaster Management Plan has been prepared with objectives such as i) identifying the hazards or disaster potential scenario. ii) localizing any accidents that may occur and if possible contain them to minimize the harmful effects of accidents iii) providing adequate details of the technical and organizational procedures, detailed the emergency response procedures and measures to minimize damage to life, property and environment. iv) providing detailed procedures for evacuation, rescue and treatment of casualties. v) defining clearly the roles and responsibilities of those involved in emergency response. vi) making a realistic assessment of resources both human and material required in handling the emergency in house and additional resources/skills that may be required under mutual aid from neighbouring industries/ installations or other external agencies. vii) ensuring that manpower, equipment including communication and personal protective equipment, material and financial resources necessary to carry out on-site emergency plan are readily available for immediate activation of the plan in the event of accident. viii) safeguarding victims by evacuating them to a safer place and rehabilitating the affected persons. FACT has a well-defined On-Site Emergency Plan (OSEP) that outlines the procedures, mechanisms, and resources available to respond to various kinds of emergencies.</p> <p>The OSEP includes the following elements:</p> <ol style="list-style-type: none"> 1. Risk assessment study reports which identifies the potential hazards and risk faced by the organization and surrounding communities 2. Communication protocol for communicating with employees stake holders and the general public 3. Safe evacuation routes and procedures for employees and customers 4. Continuity of essential operations during and after a disaster 5. Emergency response team with duties and responsibilities 6. Recourses available 7. Regular training and mock drills 8. Review and updates
6.	Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard	No adverse impact to the environment arising from Value Chain of the Company since necessary actions have already been taken in the process design of operating plants.

7.	Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.	Nil
----	---	-----

PRINCIPLE 7: Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations. 5
- b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

S.No.	Name of the trade and industry chambers / associations	Reach of trade and industry chambers/associations (State/National)
1	The Fertiliser Association of India	National
2	Standing Conference of Public Enterprises	National
3	All India Management Association	National
4	Kerala State Productivity Council	State
5	National Safety Council – Kerala chapter	National

2. Provide details of corrective action taken or underway on any issues related to anti- competitive conduct by the entity, based on adverse orders from regulatory authorities.

Name of authority	Brief of the case	Corrective action taken
Nil	Nil	Nil

Leadership Indicators

1. Details of public policy position advocated by the entity

S. No.	Public policy advocated	Method resorted for such advocacy	Whether information available in public domain	Frequency of review by Board (Annually/ Half yearly/ Quarterly /Others please specify)	Web link if available
Nil	Nil	Nil	Nil	Nil	Nil

PRINCIPLE 8 :- Businesses should promote inclusive growth and equitable development

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Name and brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
Nil					

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format

S. No.	Name of Project for which R&R is ongoing	State	District	No of project affected families (PAF)	% of PAFs covered by R&R	Amount paid to PAFs in the FY (In INR)
Nil						

3. Describe the mechanisms to receive and redress grievances of the community.

FACT is committed to ethical business practices and prioritizes community interests. The company has established a system to receive and address community complaints. Anyone with a grievance can directly contact FACT through personal representation, correspondence, or email. Upon receiving a complaint, the relevant division within the company promptly addresses the issue.

4. Percentage of input materials (inputs to total inputs by value) sourced from suppliers

Parameter	FY 2023 - 24 Current Financial Year	FY 2022 - 23 Previous FinancialYear
Directly sourced from MSMEs/ small producers	15.60%	2.32%
Directly Sourced within India	34.64%	76.29%

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost

Location	FY 2023 -24 Current Financial Year	FY 2022 -23 Previous FinancialYear
Rural	0%	0%
Semi-urban	0%	0%
Urban	100%	100%
Metropolitan	0%	0%

Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

Details of negative social impact identified	Corrective action taken
Nil	Nil

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies:

S. No.	State	Aspirational District	Amount spend (in INR)
NIL			

3.	a. Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalized /vulnerable groups? (Yes/No)	Yes
	b. From which marginalized /vulnerable groups do you procure?	MSEs including those owned by SC/ST and women entrepreneurs
	c. What percentage of total procurement (by value) does it constitute?	10%

4. Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current financial year), based on traditional knowledge:

S. No.	Intellectual Property based on traditional knowledge	Owned/ Acquired (Yes/No)	Benefit shared (Yes / No)	Basis of calculating benefit share
1	Nil	Nil	Nil	Nil

5. Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved.

Name of Authority	Brief of Case	Corrective action taken
NIL	NIL	NIL

6. Details of beneficiaries of CSR Projects:

S. No.	CSR project	No. of persons benefitted from CSR Projects	% of beneficiaries from vulnerable and marginalized groups
1	Supply of drinking water at Manjummel	25000	50%
2	Distribution of Computer Tablets to students	24	50%
3	Setting up of Community Fitness Centre in Bidar, Karnataka	5600	75%
4	Setting up of 3 Smart Anganwadi in Ernakulam	100	75%
5	Medicated Mosquito Nets for distribution among farmers	40000	100%
6	CUSAT- Public Quiz Programme For School & Collage	200	50%

10	Providing drones under PM-MKDK Scheme and training Mahila drone pilots	100	75%
11	Purchase of Books for PMKSK	25000	75%
12	CUSAT, establishment of Chair professor in Safety Dept. of School of Engineering	3000	50%

PRINCIPLE 9. Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

1.	Describe the mechanisms in place to receive and respond to consumer complaints and feedback.	<p>FACT operates through a network of dealers who sell their products. Sales representatives from FACT regularly engage with both dealers and customers. When customers raise complaints or offer criticism, the process is as follows:</p> <p>Significant issues are escalated to higher authorities within the organization. These might involve serious product defects, service failures, or other critical matters. The goal is to address major complaints promptly and effectively to maintain customer satisfaction and uphold the company's reputation.</p> <p>Sales officers handle minor concerns directly. These could include smaller issues, queries, or general feedback from customers.</p> <p>By addressing minor concerns promptly, FACT ensures a positive customer experience and fosters goodwill.</p>
----	--	---

2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:

	As a percentage to total turnover
Environmental and social parameters relevant to the product	100%
Safe and responsible usage	100%
Recycling and/or safe disposal	100%

3. Number of consumer complaint in respect of following:

	FY 2023 - 24 (Current Financial year)		Remarks	FY 2022 - 23 (Previous Financial year)		Remarks
	Received during the year	Pending resolution at end of year		Received during the year	Pending resolution at end of year	
Data Privacy	NA	0	NA	Nil	Nil	NA
Advertising	NA	0	NA	Nil	Nil	NA
Cyber-security	NA	0	NA	Nil	Nil	NA
Delivery of Products	10	0	All resolved	25	Nil	All resolved
Quality of Products	7	0	NA	Nil	Nil	NA
Restrictive Trade Practices	0	0	NA	Nil	Nil	NA
Unfair Trade Practices	0	0	NA	Nil	Nil	NA
Other	13	0	Nil	Nil	Nil	NA

4. Details of instances of product recalls on account of safety issues:

	Number	Reasons for recall
Voluntary recalls	Nil	Nil
Forced recalls	Nil	Nil

5.	Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.	Yes. In IT Policy of the Company cyber security and mitigating risk related to data privacy is laid out. It can be accessed through the web link. https://fact.co.in/home/Dynamicpages?MenuId=185
6.	Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services	Regular Farmers (Consumers) meetings are being conducted and topics covered on Package of Practices on crop cultivation and quality of products used to be explained.
7.	Provide the following information relating to data breaches:	
	a. Number of instances of data breaches	Nil
	b. Percentage of data breaches involving personally identifiable information of customers.	0%
	c. Impact, if any, of the data breaches.	No impact

Leadership Indicators

1.	Channels / Platforms where information on products and services of the entity can be accessed (provide web link, if available).	Website of the Company www.fact.co.in
2.	Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.	Conducted following Farmer Education Programs to teach the farmers for balanced use of fertilisers and to convey the message for scientific recommendation of fertilizers for various crops, issuing Soil Health cards etc. a) Agriculture seminar b) Squad program c) Soil sample collections d) Agriculture Exhibition e) Field Demonstration f) Dealer Meet
3.	Mechanisms in place to inform consumers of any risk of disruption / discontinuation of essential services	All information is updated on https://fact.co.in/home

<p>4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/Not Applicable) If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products / services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)</p>	<p>Marketing survey are conducted with farmers during Squad Program (Intensive Farmer contact program), meetings and seminar about satisfaction on using of product and the services provided. Direct feedback collected from about 400 Farmers in Kerala. 10,000 Farmers connected through Whatsapp on awareness broadcast messages.</p>

INDEPENDENT AUDITORS' REPORT **To the Members of The Fertilisers and Chemicals Travancore Limited**

Report on the Audit of the Standalone Ind AS Financial Statements

OPINION

We have audited the accompanying Standalone Ind AS Financial Statements of **THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED** (hereinafter referred to as "the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of Cash Flows, the Statement of Changes in Equity for the year then ended and notes to the Financial Statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the Standalone Ind AS Financial Statements"). These Standalone Ind AS Financial Statements include financial schedules of five state offices of the Company audited by the other auditors of the Company whose reports have been furnished to us by the Management and our opinion in so far as it relates to the aforesaid state offices, is based solely on the reports of the other auditors.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act"), as amended in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the profit, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We have conducted our audit of the Standalone Ind AS Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Ind AS Financial Statements.

Emphasis of Matter

1. We draw attention to Note No.36 of the Standalone Ind AS Financial Statements regarding the recovery of subsidy/additional compensation by the Government of India amounting to Rs.24,558.89 lakhs.
2. We draw attention to Note No.5 of the Standalone Ind AS Financial Statements regarding the recognition of deferred tax asset (net) amounting to Rs.10,266.78 lakhs on the unabsorbed depreciation and carried forward business loss as per Income Tax Act, 1961 during the year ended March 31, 2024

Our opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters:

SI No	Key Audit Matter	Auditors' Response
1	<p>Accounting of subsidy income from Government of India under DBT Scheme:</p> <p>Under Direct Benefit Transfer (DBT) scheme of Government of India (GoI), the Company is entitled to receive subsidy only upon sale of fertilizer by the dealer to the ultimate beneficiary through Point of Sale (PoS) devices. However, the Company continues to account subsidy as income at the time of sale to dealers as in the earlier scheme, considering the reasonable certainty that the sale will take place and subsidy will be received based on the industry practice and past experience. Refer Note No 28 to the Standalone Ind AS Financial Statements.</p>	<p>Our principal audit procedures included the following:</p> <ul style="list-style-type: none"> ▮ Analysed the scheme framed by the Department of Fertilizers (DoF) notified through Notification F. No. D(FA)/2016/DBT dated March 17, 2017. ▮ Reviewed the agreement with dealers. ▮ Reviewed the calculation of subsidy income and assessed the reasonableness of recoverability of subsidy receivable. ▮ Considered the ageing of the stock with the dealers for which sales not reported in the Integrated Fertiliser Management System and reviewed the approach adopted by the Company. ▮ Verified compliance with Ind AS 20 on 'Accounting for Government Grants and Disclosure of Government Assistance'. ▮ Verified that the method followed by the Company is consistent on year to year basis.

SI No	Key Audit Matter	Auditors' Response
2	Property, Plant & Equipment: Estimates of useful lives and residual value of Property, Plant and Equipment is a significant area requiring Management judgment of estimates and application of accounting policies that have significant effect on the amounts recognized in the Standalone Ind AS Financial Statements.	<ul style="list-style-type: none"> We examined whether the Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment. Reviewed the report of the committee that studied the Impairment of the assets. Reviewed the capitalisation made during the year under review. Reviewed the valuation statement of the assets held for sale. Reviewed the report on the physical verification of Property, Plant and Equipment carried out by the Management and comments of the branch auditors in their report regarding physical verification conducted at depots/zonal offices. The deficiencies in the physical verification process are reported in clause (i)(b) of Annexure A to this report. Reviewed the estimated useful life, residual value of assets and verified the depreciation workings. The deficiencies in the reconciliation of land as per documents with the books of accounts and consequent effect on the verification of completeness and correctness of the land are reported in clause (i)(c)(iv) of Annexure A to this report.

Information Other than the Standalone Ind AS Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report including Directors' Report, Management Discussion and Analysis, Report on Corporate Governance, Business Responsibility and Sustainability Report but does not include the Standalone Ind AS Financial Statements and our Auditors' Report thereon.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with

the Standalone Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

The said other information is expected to be made available to us after the date of this audit report. When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and shareholders.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- i Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial control system in place and the operating effectiveness of such controls.

- i Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- i Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidences obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- i Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Ind AS Financial Statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Ind AS Financial Statements maybe influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. We did not audit the financial statements of five state offices of the Company included in the Standalone Ind AS Financial Statements of the Company, whose financial schedules reflect total revenue of Rs. 2,32,835.97 lakhs for the year ended March 31, 2024, as considered in the Standalone Ind AS Financial Statements and total assets of the state offices amounting to Rs.205.93 lakhs as at March 31, 2024. The Company has submitted certain financial schedules which have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Standalone Ind AS Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these state offices and our report, in so far as it relates to the aforesaid state offices, is based solely on the reports of other auditors.
2. Our opinion on the Standalone Ind AS Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters, with respect to our reliance on the work done and the reports of the other auditors and financial schedules certified by the

Management, except on the limitation of scope reported by other auditors due to non-provision of the trial balance of the state offices audited by them and their inability to ensure the correctness of the financial schedules due to this.

3. Company has a system of obtaining balance confirmations from the customers and vendors. However, only a few customers and vendors have responded with confirmation.
4. The Standalone Ind AS Financial Statements for the year ended March 31, 2023 were audited by another firm of chartered accountants who vide their report dated May 5, 2023 expressed an unmodified opinion on the Standalone Ind AS Financial Statements.

Our opinion is not modified in respect of the above matters

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section 11 of section 143 of the Act, we give in the **"Annexure A"**, a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable;
2. Based on verification of books of accounts of the company and according to information and explanations given to us, we give in **"Annexure B"** a report on the directions issued by The Comptroller and Auditor General of India in terms of sub-section (5) of Section 143 of the Companies Act, 2013.
3. The company does not have the required number of Independent Directors on its Board due to vacancy arising out of end of term of the existing independent directors, from June 2019 onwards hence being non-compliant with relevant Regulations of Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015. A penalty has been levied on the Company for this non-compliance.
4. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit except balance confirmations mentioned in para 3 of Other Matters paragraph and portion of internal audit reports for the fourth quarter.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and returns generally adequate for the purpose of our audit have been received from the state offices not audited by us.
 - c) The reports on the financial schedules of the five state offices of the Company audited under Section 143(8) of the Act by other auditors have been given to us and have been properly dealt with by us in preparing this report.
 - d) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flows Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account and with the returns received from five state offices not audited by us, subject to the limitation of scope by other auditors.
 - e) In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015.
 - f) In view of exemption given vide notification no. G.S.R. 463(E) dated June 5, 2015, as amended vide notification no. G.S.R. 582(E) dated June 13, 2017, issued by Ministry of Corporate Affairs, provisions of Section 164(2) of the Act regarding disqualification of directors, are not applicable to the Company.

- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to the Standalone Ind AS Financial Statements and the operating effectiveness of such controls, refer to our separate report in **"Annexure C"**.
- h) Being a Government Company, the provisions of section 197 of the Act with respect to the matters to be included in the Auditors' Report is not applicable vide notification no. G.S.R. 463(E) dated June 5, 2015, as amended vide notification no. G.S.R 582(E) dated June 13, 2017, issued by Ministry of Corporate Affairs.
- l) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in the Standalone Ind AS Financial Statements. (Refer Note No. #48 of the Standalone Ind AS Financial Statements).
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts as at March 31, 2024.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year.
 - iv. (a) The Management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. As stated in Note No. 16 to the Standalone Ind AS Financial Statements,
 - a) The final dividend proposed in the previous year declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - b) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.

- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Annexure A to the Independent Auditors' Report of even date to the members of The Fertilisers and Chemicals Travancore Limited on the Standalone Ind AS Financial Statements for the year ended March 31, 2024

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the members of **The Fertilisers and Chemicals Travancore Limited** ("the Company") on the Standalone Ind AS Financial Statements as of and for the year ended March 31, 2024]:

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that

i. In respect of the Company's Property, Plant & Equipment and Intangible Assets:

a) A] The Company has maintained proper records showing full particulars, including quantitative details and situation of the Property, Plant & Equipment, and relevant details of right of use assets.

B] The Company has maintained proper records showing full particulars of intangible assets.

b) Major portion of the Property, Plant & Equipment have been stated to be physically verified by the Management during the year and are not observed by us. However, we report that the physical verification procedure needs to be strengthened. As explained to us, no material discrepancies were noticed on such physical verification.

c) i] In our opinion and according to information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds/ registered sale deeds of immovable properties included in Property, Plant & Equipment, we report that, out of the 1499.73 acres of land held by the Company, we have been informed that the original title deeds of immovable properties of 768.34 acres of land are submitted to District Court, Ernakulam, pledging 80.50 acres of land as a security against claim of a contractor (Refer Note #2.2 and Note #48.2 to the Standalone Ind AS Financial Statements), title deeds of 374.65 acres of land submitted to a bank for pledging 36.08 acres as security against credit facilities sanctioned (confirmation received from bank for custody of title deeds for 361.66 acres only) (Refer Note #2.8 to the Standalone Ind AS Financial Statements). We have verified the original title deeds of freehold land having an aggregate area of 301.72 acres in the name of the Company.

ii] We have not verified the documents in respect of the remaining lands as the title deeds are not available for our verification/ confirmations are not received.

iii] Further, based on the information provided to us, title deeds in respect of the following freehold and leasehold immovable properties are not held in the name of the Company.

Description of the property	Gross carrying value	Held in the name of	Whether promoter, director or their relative or employee	Period held – indicate range, where appropriate	Extend of land (in acres)	Reasons for not being held in the name of the Company
Freehold land	Not available	Unascertained	No	Not ascertainable	*40.00	Title deeds are yet to be registered/ received due to dispute in compensation.
Lease hold land (Right of use asset)	Not available	Cochin Port Trust	No	From 2014	**15.02	The lease agreement not yet executed.

*As provided by the management (Refer Note #2.4 to the Standalone Ind AS Financial Statements)

**The lease deed executed by the Company has expired and no fresh deed is executed till date, though the Company continues to occupy the land and pay lease rentals (Refer Note #2.2 and #2C to the Standalone Ind AS Financial Statements)

iv] The Company has not reconciled the value of the land as per the financial statements with the cost of acquisition of the land as per the title deeds and the additional compensation paid for the acquisition of land. Hence, we could not verify the completeness and correctness of the amount disclosed in the financial statements with respect to these title deeds. However, the management confirms that the said non reconciliation will not affect the financial position and financial performance of the Company for the year ended March 31, 2024.

d) The Company has not revalued any of its Property, Plant and Equipment (including Right of Use asset) and intangible assets during the year.

e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. a] The inventories have been physically verified by the Management during the year. In our opinion, the coverage and procedure of such verification is appropriate. No discrepancies in excess of 10% or more in the aggregate for each class of inventory were noticed.

b] The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, during the year, from banks on the basis of security of current assets. The Company has confirmed that they are not required to submit any quarterly return/statements with the bank in respect of this facility. Hence, we are unable to comment on its agreement with the books of accounts of the company.

iii. During the year the company has not made investments in, not provided any guarantee or security nor granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships (LLP) or any other parties.

a] The Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured/ unsecured, to companies, firms, LLPs' or any other parties during the year. Hence reporting under clause 3(iii)(a)(A) & (B) of the Order is not applicable.

b] The Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured/ unsecured, to companies, firms, LLPs' or any other parties during the year. Hence reporting under clause 3(iii)(b) of the Order is not applicable.

c] The Company has not made any loans and advances in the nature of loans during the year and hence reporting under clause 3(iii)(c) of the Order is not applicable.

d] The Company has not made any loans and advances in the nature of loans during the year and hence reporting under clause 3(iii)(d) of the Order is not applicable.

e] The Company has not made any loans and advances in the nature of loans during the year and hence reporting under clause 3(iii)(e) of the Order is not applicable.

f] The Company has not made any loans and advances in the nature of loans during the year including any amounts of loans granted to promoters, related parties as defined in clause (76) of section 2 of the Act and hence reporting under clause 3(iii)(f) of the Order is not applicable.

iv. The Company has not made any loans, investments, guarantees, and security to the parties covered under section 185 & 186 of the Act during the year. Accordingly, reporting under clause 3(iv) of the Order is not applicable.

- v. The Company has not accepted any deposit or amounts which are deemed to be deposits within the meaning of section 73 to 76 of the Act and rules made thereunder. Hence, reporting under clause 3(v) of the Order is not applicable. However, we report that advance from customers includes an amount of Rs.803.51lakhs outstanding for more than 365 days as on the balance sheet date. As per the information given by the Company, the goods/services are not made against these advances due to non-placement of orders, disputes and other reasons. Also, no order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal for any contravention in this regard.
- vi. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 prescribed by the Central Government under section 148(1) of the Act and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete
- vii. In respect of statutory dues:
- a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Services Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities during the year. As per the information and explanations given to us and based on our verification of documents produced before us, there were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Services Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable except the following:

SI No	Name of the statute	Nature of dues	Amount (Rs in Lakhs)*	Period to which amount relates
1	Income Tax Act, 1961	Income Tax and interest due thereon	146.54	1995-96 to 1998-99
2	Income Tax Act, 1961	Income Tax and interest due thereon	13.26	1997-98
3	Income Tax Act, 1961	Income Tax and interest due thereon	79.03	1995-96

*These are the amounts outstanding in the books as per the information given to us by the Company.

- b) The details of statutory dues above in clause vii(a) which have not been deposited as at March 31, 2024, on account of disputes are given below:

Name of the statute	Nature of dues	Demand-net of payment (Rs in Lakhs)	Period to which dispute relates	Forum where dispute pending
Customs Act, 1962	Customs duty and interest due thereon	36.77	1990-92	Rectification application filed by the Department before CESTAT
Kerala Value Added Tax Act, 2003	Kerala Value Added Tax	94.60	2006-07	Special leave petition before Supreme Court by Commercial taxes Department, Govt. of Kerala
Central Excise Act, 1944	Excise duty, interest and penalty against utilization of CENVAT credit against duty payable.	9273.19	2010-11 to 2013-14	Customs, Excise and Service Tax Appellate Tribunal, Bengaluru
Central Excise Act, 1944	Excise duty, interest and penalty on shortage of raw material written off.	109.45	2003-04	High Court of Kerala

Employees' State Insurance Act, 1948	Employer contribution ESI	0.16	1993 to 2002	Insurance court, Alappuzha
Employees' State Insurance Act, 1948	Employer contribution ESI	94	1984 to 1987	ESI Insurance Court
Employees' Provident Funds and Miscellaneous Provisions Act, 1952	Employer provident fund contribution	2.10	–	–

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. a) The Company has defaulted in repayment of loans or borrowings to Government of India.

Nature of borrowing, including debt securities	Name of the lender	Amount not paid on due date (in lakhs)	Whether principal or interest	No. of days delay or unpaid	Remarks, if any
Loan	Government of India	Rs. 1,77,048.75*	Principal	734	Refer Note No. 22 (2) to the Standalone Ind AS Financial Statements
Loan	Government of India	Rs. 1,67,311.07	Interest	734	

*The Company has submitted a Financial Restructuring proposal for an amount of Rs.1,28,273 lakhs to Department of Fertilisers, Government of India. Principal includes Rs. 48,775.75 lakhs as interest converted as loan.

b) The Company has not been declared willful defaulter by any bank or financial institutions or government or any government authority.

c) The Company has not obtained any term loan during the year. However, we are informed that the term loan taken on March 29th, 2016 from Government of India has been utilized for the purpose for which it was disbursed.

d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

f) The company has not raised any loans during the year on the pledge of securities held in its subsidiaries, associates or joint ventures.

- x. a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

- xi. a) Based upon the audit procedures performed and according to the information and explanations given to us, we report that no fraud by the Company or on the Company has been noticed or reported during the year

b) No report under section 143(12) of the Act has been filed by us Auditors in Form ADT - 4 during the year and till the audit report date.

c) The Company has confirmed that no whistle blower complaints have been received during the year.

- xii. The Company is not a Nidhi Company and hence reporting under of clause 3(xii)(a),(b),(c) of the Order is not applicable to the Company and hence not commented upon.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with related parties and the details of the related party transactions have been disclosed in the Standalone Ind AS Financial Statements as required by the applicable accounting standards.
- xiv. a] In our opinion, the Company has an internal audit system to commensurate with the size and the nature of its business.
 b] We have considered the furnished internal audit reports of the audits conducted for the year under audit, issued to the Company during the year and till date, in determining the nature, timing, and extent of our audit procedures. The portion of internal audit reports for the forth quarter which have not been received are not considered.
- xv. In our opinion, during the year Company has not entered into any non-cash transactions with its Directors or persons connected with its directors, and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. a] In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
 b] In our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
 c] In our opinion, the Company is not a core investment company as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 and accordingly reporting under clause 3(xvi)(c) of the Order is not applicable.
 d] In our opinion, there is no core investment company within the Group as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payments of financial liabilities, and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet date as and when they fall due within a period of one year from the balance sheet date except the Government of India loan including accrued interest of Rs. 3,44,359.82 lakhs which has fallen due as on March 31, 2022 for which the Company has submitted a restructuring plan which is pending approval. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantees nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. a] The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act.
- b] In our opinion and according to the information and explanations given to us, with respect to "ongoing projects", there are no unspent amounts that are required to be transferred to a special account, within a period of thirty days from the end of the financial year in compliance with section 135(6) of the said Act.
- xxi. The CARO report relating to the joint venture FACT-RCF Building Products Limited has not been issued by its auditor till the date of our audit report. Hence, we are not in a position to comment upon clause 3(xxi) of the Order

**Annexure C to the Independent Auditors' Report of even date to the members of
The Fertilisers and Chemicals Travancore Limited on the Standalone Ind AS Financial
Statements for the year ended March 31, 2024**

[Referred to in paragraph 4(g) under 'Report on Other Legal and Regulatory Requirements'
section of our report of even date]

**Independent Auditors' Report on the Internal Financial Controls under Clause (i) of
Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of the **FERTILISERS AND CHEMICALS TRAVANCORE LIMITED** ('the Company') as of March 31, 2024 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting" criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, reasonably adequate internal financial controls system over financial reporting with reference to these Standalone Ind AS Financial Statements and such internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6) (b) OF THE COMPANIES ACT, 2013 ON THE STANDALONE FINANCIAL STATEMENTS OF THE FERTILISERS AND CHEMICALS TRAVANCORE LTD FOR THE YEAR ENDED 31 MARCH 2024

The preparation of financial statements of **The Fertilisers and Chemicals Travancore Ltd** for the year ended 31 March 2024 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the Company. The statutory auditor/ auditors appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their **Audit Report dated 16 May 2024**.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of **The Fertilisers and Chemicals Travancore Ltd** for the year ended 31 March 2024 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and Company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143(6)(b) of the Act..

For and on the behalf of the Comptroller & Auditor General of India

NOTE 1

Statement of Significant Accounting Policies forming part of Financial Statements for the Year ended 31st March 2024

1. Corporate Information

The Company is a Public Limited company domiciled in India and is incorporated under provisions of the Companies Act applicable in India. The registered office of the Company is located at Eloor, Udyogamandal, Ernakulam 683501, Kerala. The shares of the company are listed in National Stock Exchange of India Limited.

The Company is engaged in the,

- (i) Manufacturing and marketing of fertilizers and Petrochemicals,
- (ii) Engineering Consultancy and Design and
- (iii) Fabrication and Erection of Industrial Equipments.

2. Basis for preparation of financial statements

The standalone financial statements of the Company have been prepared in accordance with accounting standards prescribed under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules as amended and other relevant provisions of the Act.

The standalone financial statements have been prepared under the historical cost and on accrual basis, except for the following: -

- Certain financial assets and liabilities measured at fair value
- Certain provisions recognized using actuarial valuation techniques
- Non-current assets classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.
- Defined benefit plans – plan assets measured at fair value

All amounts included in the standalone financial statements which also include the accompanying notes are presented in Indian Rupees (₹) and all values are rounded to the nearest lakh (₹ 00,000), except when otherwise indicated.

2.1 Use of Estimate & Judgements

The preparation of financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions. These estimates and judgements affect the application of accounting policies and the reported amount of assets and liabilities, the disclosure of contingent assets and contingent liabilities at the date of financial statements and the reported amount of revenue and expenses during the period. Application of accounting policies that require critical accounting estimates involving judgements have been disclosed in note (3). Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of change in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

2.2 Current versus non-current classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

- i. the asset/liability is expected to be realized/settled in the Company's normal operating cycle;

- ii. the asset is intended for sale or consumption;
- iii. the asset/liability is held primarily for the purpose of trading;
- iv. the asset/liability is expected to be realized/settled within twelve months after the reporting period;
- v. the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- vi. in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

3. Significant Accounting Policies

I) Property Plant and Equipment

- a) All Property, Plant and Equipment are stated at acquisition cost less accumulated depreciation / amortization and cumulative impairment. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.
- b) All repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.
- c) Land purchased/acquired and under the possession of the company are treated as free hold land.
- d) Technical know-how / license fee relating to plant / facilities are capitalized as part of cost of the underlying asset
- e) Income approach is adopted for accounting Government grants related to depreciable Property, Plant and Equipment. Grants utilized for acquisition of depreciable Property, Plant and Equipment are treated as Deferred Government Grants and the same is recognized in the Statement of Profit and Loss on a systematic and rational basis over the useful life of the assets.
- f) Spares costing (Unit value of '10 lakh and above), and other components which are required to be replaced at intervals, meeting the recognition criteria, have been classified as Plant and equipment and are depreciated separately based on the useful lives of the corresponding item of the Property, Plant & Equipment .
- g) The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.
- h) Revenue expenses exclusively attributable to projects incurred during construction period are capitalized. However, such expenses in respect of capital facilities being executed along with production / operation simultaneously are charged to revenue.

Financing cost incurred during construction period on loans specifically borrowed and utilized for projects is capitalized upto the date of capitalization.

Financing cost, if any, incurred on general borrowings used for projects is capitalized at the weighted average cost. The amount of such borrowings is determined after setting off the amount of internal accruals, if any.

Depreciation

Depreciation is charged on Property, plant and equipment based on the useful life of assets, prescribed under the Schedule II of the Companies Act 2013, except where a different life is determined based on technical review. The Company has adopted Straight Line method of depreciation for all the categories of assets, acquired on or after 01st April 2014.

Effective from 1st April, 2014, the Company has reassessed the useful life of its existing Property, plant and equipment (considering component approach wherever necessary) and has charged depreciation over the remaining useful lives, after retaining residual value, in accordance with the transitional provisions contained in the Schedule II of the Companies Act 2013.

Residual value of 5% has been retained for all the Property, plant and equipment, which is in line with the provisions of the Schedule II.

Depreciation is charged @ 100% on the assets with acquisition value of less than ₹.5,000/-, the value being immaterial, considering the size and nature of the business of the Company.

Impairment

An asset is treated as impaired when the carrying amount of assets exceeds its recoverable value. Impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. When the recoverable amount of previously impaired assets exceeds its carrying amount, the value of asset is reinstated by reversing the impairment loss considered in prior years limited to lower of its recoverable value or carrying amount at the depreciated historical cost.

Capital Stores

Capital stores are valued at cost. Specific provision is made for likely diminution in value, wherever required.

Exemption Availed Under Ind AS 101

On transition to Ind AS, Company has elected to continue with the carrying value of all its property plant and equipment existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the property plant and equipment.

ii) Capital Work In Progress

Projects under which Property, Plant and Equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest

iii) Investment Property

Investment properties are properties that are held to earn rentals and /or for capital appreciation (including property under construction for such purposes) and not occupied by the Company for its own use.

Investment properties are measured initially at cost, including transaction costs and net of recoverable taxes. The cost includes the cost of replacing parts and borrowing costs if recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in profit or loss as incurred.

Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Depreciation on Investment property, wherever applicable, is provided on straight line basis as per useful lives prescribed in Schedule II to Companies Act, 2013.

Investment properties are de-recognized either when they have been disposed off or when they are being occupied by the Company for its own use or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

Exemption availed under Ind AS 101 :- On transition to Ind AS, the Company has elected to continue with the carrying value of its Investment Property existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the same.

iv) Intangible Assets

Technical know-how / license fee relating to production process and process design are recognized as intangible assets and amortised on a straight line method over a period of 5 years or life of the underlying plant / facility whichever is lower.

Expenditure incurred on Research and Development, other than capital account is charged to revenue.

Costs incurred on computer software purchased/developed resulting in future economic benefits, are capitalized as intangible assets and amortized over a period of 5 years or life of the facility whichever is earlier.

Exemption Availed Under Ind AS 101

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets existing as on 1st April 2016 measured as per the previous GAAP (Indian GAAP) and use that value as its deemed cost as of the transition date. The Company has no intangible assets with infinite useful lives.

v) Inventory Valuation

Raw materials and stores and spares are valued at or below cost. Cost being ascertained on moving weighted average method. In cases where there has been a decline in the price of imported and indigenous raw material and it is estimated that cost of finished product will exceed the net realizable value, the materials are written down to net realizable value.

Materials in process are not valued.

Finished/Trading products are valued at lower of cost or net realizable value in the aggregate, product-wise. Intermediate products are valued at lower of cost or net realizable value derived from finished products and saleable by-product at realizable value. Cost of Finished / semi-finished / intermediate products are determined based on annual average cost excluding interest and head office and administrative overheads. Cost of finished goods in warehouse includes freight and handling charges.

Materials in transit / under inspection are valued at cost

Gypsum Valuation

The entire quantity of saleable gypsum is valued at the lowest slab of the approved price for the next financial year reduced by the anticipated loading charges and moisture discount or average of the actual price realized during the year, whichever is lower. For assessing the closing stock of gypsum, the saleable quantity is assessed on the basis of physical verification conducted at the end of the financial year.

vi) Commitments

Capital

Estimated amount of contracts remaining to be executed on capital accounts, above ₹ 5 lakh in each case, are considered for disclosure.

Other Commitments

Disclosure is considered in respect of those non-cancellable contractual commitments (i.e. cancellation of

which will result in a penalty disproportionate to the benefits involved) based on the professional judgement of the management which are material and relevant.

vii) Borrowing Cost

Borrowing Costs that are specifically identified to the acquisition or construction of qualifying assets are capitalised as part of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Statement of Profit and Loss.

viii) Investments

All equity investments in scope of Ind- AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at Fair Value through Profit and Loss FVTPL. For all other equity instruments, the Company may decide to classify the same as at Fair Value through Other Comprehensive Income FVTOCI. The Company makes such election on an instrument-by-instrument basis upon on initial recognition and same is irrevocable. Company is not holding any equity instrument for trading.

Upon classification of equity instruments as at FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investments. The Company may transfer the cumulative gain or loss within equity.

ix) Revenue Recognition

The revenue is recognised as and when control of goods or services is transferred to the customer at the amount which the Company expects to be entitled to. The Company adopted the 'Input method' as per Ind AS 115 for recognition of revenue.

Subsidy is recognised on sale of fertilisers to dealers. Freight subsidy is recognised on receipt of fertilisers at respective districts. Recoveries made are withdrawn from the claim on the basis of settlement as per the policies in force. Any differential subsidy due to change in rate of subsidy shall be recognised considering its recoverability.

Other income is recognized on an accrual basis

Dividend income is recognized when right to receive dividend is established

Interest income is recognized when no significant uncertainty as to its realization exists.

Scrap, salvaged / waste materials and sweepings are accounted for on realization.

Claims on underwriters, carriers and on Customs and Central Excise, Goods and Service Tax Departments are taken into account on acceptance.

Insurance and other miscellaneous claims are recognized on receipt/ acceptance of claim. Contractual pass through incentives, benefits, etc. are recognized on receipt basis.

x) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the contract lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

At the commencement date, Company recognizes a right-of-use asset at cost and a lease liability at present value of the lease payments that are not paid at commencement date. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has right to obtain substantially all of the economic benefits from use of the asset throughout the period of the lease and (iii) the Company has the right to direct the use of the asset.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability (at present value) adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives (at present value) except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense. Lease of items such as IT Assets (tablets, personal computers, mobiles, POS machines etc.), small items of office furniture etc. are treated as low value.

The lease liability is initially measured at amortized cost at the present value of the future lease payments.

The lease payments are discounted using the Company's incremental borrowing rate computed on periodic basis based on lease term. Lease liabilities are re-measured with a corresponding adjustment to the related right-of-use asset if the Company changes its assessment, whether it will exercise an extension or a termination option.

Right-of-use assets are depreciated over the lease term on systematic basis and Interest on lease liability is charged to Statement of Profit and Loss as Finance cost.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised as revenues as per lease terms since such rentals are structured to increase in line with expected general inflation. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases.

Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

xi) Foreign Currency Transactions:

Receivables and payables in foreign currency as on the reporting date including forward exchange contracts are restated at the rate prevailing at that date.

The premium in respect of forward exchange contracts is recognized in the year of contracts.

Variations arising on account of fluctuations in foreign exchange rates are treated as revenue (gain/loss (-))

xii) Employee Benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employee are recognised as an expense during the period when the employees render the services

Post-Employment Benefits

Defined Contribution Benefits

Contributory Superannuation Scheme with an annual contribution of ₹ 100 by the Company, aimed to provide superannuation benefits to the employees, has been treated as Defined contribution Plan.

Defined Benefit Plans

The company's contribution to the Provident Fund is remitted to separate trust established for this purposes

based on a fixed percentage of the eligible employees salary and charged to Statement of Profit and Loss. Shortfall, if any, in the fund assets based on the Government specified minimum rate of return will be made good by the company and charged to Statement of Profit and Loss. As a matter of prudence Company provides for certain expenses of the fund such as audit fees & expenses, bank charges etc.

The company operates defined benefit plan for gratuity and leave encashment. The cost of providing such defined benefits is determined using the projected unit credit method of actuarial valuation made at the end of the year and the gratuity fund in respect of regular employees is administered through a fund maintained by insurance company.

Re-measurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurements recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- i) service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- ii) net interest expenses or income; and re-measurements

The Company presents the first two components of defined benefit costs in the Statement of profit and loss in the line item 'Employee benefits expense'.

xiii) Grants

Government grants in the nature of promoters' contribution are credited to Capital reserve and treated as part of Shareholders funds.

In case of depreciable assets, the cost of the asset is shown at gross value and grant thereon is treated as Capital Grants which are recognized as income in the statement of Profit and Loss over the period and in the proportion in which depreciation is charged.

Revenue grants relating to revenue expenses are deducted from the respective expenses.

In respect of revenue grants released by Government, the treatments in the accounts are considered as per the respective schemes notified by the Government. Other revenue grants relating to revenue expenses are considered as income and credited to statement of Profit and Loss.

xiv) Taxes

Provision for current tax is made in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised using the Balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements.

Deferred tax assets is recognized for the carry forward of unused tax losses and unused tax credits to the extent it is probable that the future taxable profit will be available against which the unused tax losses and unused tax credits can be utilized, subject to management judgement. The company reassess unrecognized deferred tax assets at the end of each reporting period.

xv) Goods and Services Tax

Goods and Service Tax credit on eligible materials and services is recognised on receipt of such items at intended locations.

xvi) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) Ref Note No 44

Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under un-allocable corporate expenses.

Investments, advance towards investments and other advances, which are not allocable to segments, are excluded from segment capital employed.

xvii) Contract Operations

In contract operations revenue is recognized on percentage of completion method. The stage of completion is ascertained on the basis of physical evaluation of respective contract activity on the reporting date. Foreseeable losses on contract activities are recognized fully irrespective of the progress of work. The amount of estimated liquidated damages is reduced from revenue.

In the case of Total responsibility jobs/Deposit work/Cost plus contracts, contract revenue is determined by adding the aggregate cost plus fixed percentage fees there on as agreed with the Customer.

xviii) Errors and Omissions of earlier period

Errors and omissions in individual items of Income and Expenditure relating to a earlier periods, exceeding ₹5 Lakh is accounted in the respective period, if possible, or adjusted against opening retained earnings.

xix) Research and Development Expenses

Research and development expenses (other than cost of Property, plant and equipment acquired) are charged as an expense in the Statement of Profit And Loss in the year in which they are incurred.

xx) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised in the accounts when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Show Cause notices issued by various Government Authorities are not considered as Obligation. When the demand notices are raised against such show cause notices and are disputed by the company, these are classified as disputed obligations.

The treatment in respect of disputed obligations, in each case, is as under:

- i) a provision is recognized in respect of present obligations where the outflow of resources is probable
- ii) all other cases are disclosed as contingent liabilities unless the Possibility of outflow of resources is remote.

Contingent Assets are not recognized in the financial statements, however where the inflow of economic benefits are probable as at the end of the reporting period, a brief description of the nature of the contingent assets along with its estimated financial effect is disclosed in the financial statements.

xxi) Non-current assets held for sale

Non-current assets, or disposal groups comprising assets and liabilities are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets, or disposal groups, are generally measured at the lower of their carrying amount and fair value less costs to sell. Any resultant loss on a disposal group is allocated first to goodwill, and then to remaining

assets and liabilities on pro rata basis, except that no loss is allocated to inventories, financial assets, deferred tax assets, employee benefit assets, and biological assets, which continue to be measured in accordance with the Group's other accounting policies. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognized in profit or loss. Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortized or depreciated.

xxii) Financial Instruments

Financial Assets

Classification

The Company classifies its financial assets in the following measurement categories, those to be measured subsequently at fair value (either through other comprehensive income, or through profit and loss), and those measured at a mortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses arising from fair valuation will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Measurement

Initial recognition

The Company measures a financial asset at its fair value and, in the case of a financial asset not at fair value through profit or loss, at fair value including transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are recognised in profit and loss.

Subsequent Measurement

Subsequent measurement of financial assets depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its financial assets:

Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Fair value through other comprehensive income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income.

Fair value through Profit and Loss(FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss.

Investments in Joint Venture

Investment in Joint venture is recognised at fair value through FVOCI

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition as loans and borrowings, payables, derivatives and financial liabilities at fair value through profit or loss. The Company's financial liability consists of trade and other payables, loans and borrowings, bank overdrafts, financial guarantee contracts and derivative financial instruments.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs, if any.

Subsequent measurement

The subsequent measurement of financial liabilities of the Company depending on their classification is described below:

De-recognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Offsetting of financial instruments

Financial Assets and Financial liabilities are offset and the net amount is reported in the balance sheet, if there is a currently enforceable legal right to set off the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

Loans and borrowings including bank overdrafts

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder of the guarantee for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognized less cumulative amortization.

xxiii) Exemption as per Ind AS 101

Company has elected to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition measured as per Indian GAAP and use that as its deemed cost as at date of transition to Ind AS. The same is applicable even for Investment property and intangible assets.

Company has also reviewed the necessary adjustments required to be done in accordance with paragraph D21 of the standard (i.e. adjustments arising on account of decommissioning or restoration liabilities) and has accordingly considered the impact of the same wherever applicable.

The Company has designated unquoted equity instruments held at 1st April 2016 as fair value through OCI.

xxiv) Statement of Cashflow

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xxv) Earnings per share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed using the weighted average number of equity and dilutive equivalent shares outstanding during the period.

xxvi) Dividend

The Company recognizes a liability to pay dividend to shareholders when the distribution is authorized and the same is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors. A corresponding amount is recognized directly in equity.

xxvii) Exceptional Items

Exceptional items of income and expenses within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items are disclosed separately as exceptional items.

Pre Paid Expenses	672.08	651.95
Others	821.90	31.25
	21,924.48	25,417.78

1. Dues from statutory authorities include (i) ₹ 64.83 lakhs (Previous year ₹ 1409.11 lakhs) (net of provision) being KVAT refund receivables, and (ii) ₹ 72.97 lakh (Previous Year ₹72.97 lakh) towards the amount paid against disputed demands pending appeal. In view of the uncertainty in the reimbursement of Value Added Tax (VAT) paid on Regasified Liquified Natural Gas (RLNG) by the Government of Kerala, Company had made provision for the VAT receivables on RLNG upto 31.03.2022 amounting to ₹ 18301.45 lakhs under the head "Provision for doubtful receivables." The Provision for doubtful receivables also includes the VAT incurred on RLNG procurement during the year 2023-24, ₹ 6884.46 lakhs (Previous year ₹ 9117.09 lakhs) which has been accounted as consumption of raw material/ fuel in the Statement of Profit & loss.
2. Dues from Contractors include amount paid for materials supplied but rejected by the Company pending settlement ₹ 15.21 lakh (Previous year ₹ 9.46 lakh) and an amount of ₹1353.19 lakh (Previous year ₹1353.19 lakh) including interest considered as recoverable on the basis of a bank guarantee invoked by the Company but stayed till the completion of arbitration. The Arbitration Award was passed during the year 2013-14, as per which the company is entitled to adjust an amount of ₹2798.29 lakh towards this advance and interest from the dues claimed by the contractor. The Company has gone on appeal against the award before the Hon' District Court, Ernakulam which has since stayed the award. The case is transferred to Commercial Court. Accordingly the Company demanded the banks to send the proceeds of encashment of bank guarantee along with interest. The bank rejected the claim and consequently the Company filed a suit against the bank before the Hon. High court of Mumbai for realization of amount, which are pending. However an amount of ₹1353.19 lakh only has been retained pending disposal of the case.
3. Other Current Assets, dues from contractors include ₹ 476.89 lakhs (previous year ₹ 476.89 lakhs) charged to transport contractor as per the terms and conditions of the contract, towards non delivery of goods to dealers at the assigned destinations. (Refer Note- 7.5, 24.1 & 25.2)
4. Other Current Assets include CSR expenditure of ₹ 789.24 lakhs pertaining to financial year 2023-24 spent over and above the minimum as stipulated in The Companies Act, 2013.

Note No. 14. Current Assets -Non-current Assets held for Disposal

	177,558.75	180,398.57

- The bills discounted are secured against the corresponding trade receivables
- A plan loan of ₹.100000.00 lakh bearing interest @13.50% per annum was released by the Government of India (GOI) on 29th March 2016 to maintain the operations of the Company. As per the order of Government of India, ₹100000.00 lakh along with the earlier loan ₹ 28273 lakhs and interest outstanding has been converted into a single loan carrying interest @ 13.50% per annum with one year moratorium. As per the letter dated 12.01.2016, of the Ministry of Finance, GOI, sanctioning the loan, the total outstanding liability of the Company is ₹183672.00 lakh. The Company entered into an agreement with the Department of Fertilizers(DOF), GOI, agreeing to mortgage 408 acres of Company's land to secure repayment of the entire loan together with interest at the rate of 13.50% per annum on the amount outstanding as on 31.03.2017. The loan amount was reconciled and loan outstanding along with interest accumulated (upto 31.03.2017) has been arrived at ₹177048.75 lakh as on 31.03.2017. The loan along with interest is repayable in three or more equated instalments within a period of 5 years ending by 2022. Accordingly, the entire principal amount, being ₹ 177048.75 lakhs (previous year- ₹ 177048.75 lakhs) has been classified under Current Liabilities-Current maturities of Long term Debt. The outstanding principal and interest as on 31.03.2023 has been confirmed with the balance of Government of India.

Company has submitted a Financial Restructuring proposal to Department of Fertilizers (DoF), Government of India (GoI), seeking approval for the waiver of interest on Government of India loan, conversion of loan amounting to ₹28273.00 lakhs into equity and conversion of loan amounting to ₹100000.00 lakhs as interest free loan, repayable in yearly installments. The financial restructuring proposal submitted by the Company is under the consideration of the Department of Fertilizers, Government of India. Pending approval by the Government of India, the loan taken from GoI and interest due thereon are accounted and disclosed as per the loan agreement dated March 3, 2016.

Total	211,221.46	304,261.07

- Consequent to the implementation of Direct Benefit Transfer (DBT) subsidy scheme, subsidy income on fertilisers is recognised at the time of sale to dealers. However, the subsidy claim is generated at the rate applicable on the date of sale of fertilisers to ultimate beneficiary. The subsidy portion of the stock with dealers pending sale to ultimate beneficiary as on 31.03.2024 is ₹ 23444.32 lakhs. For the financial year 2022-23, the subsidy portion of the 90% of the stock with dealers pending sale to ultimate beneficiary was estimated at 50% of the subsidy rates prevailing as on 31.03.2023 pending notification of subsidy rates (₹10278.27 lakh).

40. Fair Value Hierarchy

The management has assessed that its financial assets and liabilities like cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The following methods and assumptions were used to estimate the fair values for the given below financial assets.

Investment in Unquoted Equity Shares

The fair values of the unquoted equity shares have been estimated using NAV model.

Derivatives not designated as hedges

Foreign exchange forward contracts if entered in to, are valued using valuation techniques, which employs the use of market observable inputs (i.e. based on inputs/statement of position received from banks).

Investment Properties

The value of the investment properties are based on the information available in Government of Kerala fair value notification, market conditions etc.

Amount Payable under forward exchange contracts (Net)	-		-	
Assets for which Fair values are disclosed				
Investment Properties	3,487.69		2,906.41	

Level 1 hierarchy is for financial instruments with quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges are to be valued using the closing price as at the reporting period. The mutual funds are to be valued using the closing NAV. Company do not have any such investment, as on the reporting date of current year and previous year.

The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in **Level 2**.

If one or more of the significant inputs is not based on observable market data, the instrument is included in **Level 3**. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in **Level 3**.

Operating Leases

A. Leases as lessor

The Company leases out its investment property on operating lease basis

i) Future minimum lease receivable

At 31 March, the future minimum lease receivables under non-cancellable leases are receivable as follows

₹ in Lakh

42. Financial Risk Management

The company's activities are exposed to market risk, liquidity risk and credit risk.

This note explains the sources of risk which the Company is exposed to and how the Company manages the risk in the financial statements

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortized cost.	Ageing analysis, Credit Analysis, Post Dated Cheques and Security Deposit	Diversification of bank deposits, credit limits and Bank Guarantees, Post Dated Cheques and Security Deposit.
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk – foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Monitoring of Foreign Currency rates	Forward Foreign exchange contracts based on market trends

(A) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(i) Trade and other receivables

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to allow credit terms in the normal course of business.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹ 15813.73 lakh (Previous year ₹ 47887.48 lakh) of which ₹ 6750.04 lakh (previous year ₹ 40259.93 lakh) due from Government of India relating to subsidy receivable. Trade receivables mainly constitute subsidy receivable from the Government of India and receivable from sale of petrochemical products

Expected credit loss assessment for Trade and other receivables

The Company has been consistently following a policy of creating 100% provision for the unsecured portion of the trade receivables that are more than three years old, except subsidy receivables from Government of India, wherein allowance for loss is made after analysis of possibility of realisation.

The following table provides information about the exposure to credit risk and the provisions made

₹ In lakh

As at 31/03/2024	Total receivables	Provision for doubtful receivables
Trade Receivables	11,009.12	(1,945.43)
Subsidy Receivable	25,413.08	(18,663.04)
Total	36,422.20	(20,608.47)

₹ In lakh

As at 31/03/2023	Total receivables	Provision for doubtful receivables
Trade Receivables	9,597.44	(1,969.89)
Subsidy Receivable	40,671.26	(411.33)
Total	50,268.70	(2,381.22)

The movement in the loss allowance in respect of trade and other receivables during the year was as follows:-

₹ In lakh

Particulars	As at 31.03.2024	As at 31.03.2023
Provision at the beginning of the year	2,381.23	2,365.32
Provisions released during the year	(84.44)	(49.71)
Provisions made during the year	18,311.68	65.62
Provision at the end of the year	20,608.47	2,381.23

(ii) Cash and Cash equivalents and Other Bank Balances

The Company held cash and cash equivalents and other bank balances of ₹ 267932.29 lakhs at 31st March 2024 (31st March 2023: ₹ 238784.40 lakhs). The Cash equivalents are held with banks with good credit ratings and financial position. Also, the Company invests its short term surplus funds in bank fixed deposits, which carry no / low market risks for short duration and therefore does not expose the Company to credit risk.

(B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Liquidity risk is managed by Company through effective fund management. Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of credit facilities to meet obligations when due. Due to the dynamic nature of the underlying businesses, treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

The following are the remaining contractual maturities of significant financial liabilities at the reporting date.

Maturity Analysis of Significant Financial Liabilities

As on 31/03/2024

	Contractual Cash Flows (₹ In Lakh)		
	Total	Up to 1 year	1-5 years
Government of India Loan (Refer note 1 below)	368,261.40	368,261.40	0.00
Intercompany Loan	565.38	565.38	0.00

As on 31/03/2023

	Contractual Cash Flows (₹ In Lakh)		
	Total	Up to 1 year	1-5 years
Government of India Loan (Refer note 1 below)	344,359.82	344,359.82	0.00
Intercompany Loan	1,149.68	589.50	560.18

1. The loan from Government of India along with interest is repayable in three or more equated installments within a period of 5 years ending by 2022. Company has submitted a Financial Restructuring proposal to Department of Fertilizers (DoF), Government of India (GoI), seeking approval for the waiver of interest on Government of India loan, conversion of loan amounting to ₹ 28273.00 lakhs into equity and conversion of loan amounting to ₹ 100000.00 lakhs as interest free loan, repayable in yearly installments. The financial restructuring proposal submitted by the Company is under the consideration of the Department of Fertilizers, Government of India. Pending approval by the Government of India, the loan taken from GoI and interest due thereon are accounted and disclosed as per the loan agreement dated March 3, 2016. The management expects restructuring of the loan, whereby the Government shall grant sufficient time for the repayment of the loan and interest due thereon. Accordingly, the Company can manage the immediate liquidity requirement.

Financing arrangements (₹ In Lakh)

The Company has sufficient funds for its business/operational activities. The following is the undrawn fund based borrowing facilities at the end of the reporting period:

Particulars	As at 31.03.2024	As at 31.03.2023
Expiring within one year (Bank Overdraft/ CC Limit)	29,800.00	17,463.00
LC Bill discounting limit	15,000.00	12,160.18

The credit facilities of Banks are subject to compliance with sanctioned terms & conditions. These credit facilities have an average maturity of one year. Besides, the above, Company has Non Fund Based Working Capital Arrangement with various Banks, with a lien on Term Deposits of the Company.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other prices, such as equity price risk and commodity risk. .

(i) Currency Risk

The Company's activities are exposed primarily to the financial risk of changes in foreign currency rates. To mitigate the foreign currency risk, the company is closely monitoring the market trend to take appropriate action

The details of foreign currency balances which are not hedged as at the Balance Sheet date are as below:-

Particulars	Figures as at 31.03.2024		Figures as at 31.03.2023	
	Foreign Currency	Indian Rupee	Foreign Currency	Indian Rupee
	(In lakh)	(In lakh)	(In lakh)	(In lakh)
Trade Payable	USD 150.60	12649.00	USD 235.12	19454.04

Sensitivity analysis

A reasonably possible strengthening (weakening) of the USD, JPY or EUR against INR at 31st March 2024 would have affected the measurement of financial instruments denominated in foreign currencies and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. ₹ in Lakh

	Effect in INR (before tax)	
	Strengthening	Weakening
For the year ended 31st March, 2024		
3% movement in, USD	(379.47)	379.47
For the year ended 31st March, 2023		
3% movement in, USD	(583.62)	583.62

(ii) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates

Exposure to interest rate risk:

The Company's investments are in Bank fixed deposits wherein the interest rates are fixed, as on the reporting date.

The Company do not have any fund based borrowing with banks as on the reporting date. The interest rate on the Company's borrowings from Government of India is not fluctuating. The rate of interest on Intercompany loan from Rashtriya Chemicals and Fertilisers Ltd is subject to change, based on the lowest cost of their working capital finance. The Intercompany loan outstanding as on 31.03.2024 is ₹510 lakh and the applicable interest as on the reporting date is 7.82%.

(iii) Commodity rate risk

The Company's profitability gets affected by the price differential (also known as Margin) between prices of products (output) and the price of the raw materials used in production (input). Company has entered in to agreement with suppliers of one of the major raw materials, Regassified Liquified Natural Gas and sulphur, to mitigate the fluctuation in market price

(iv) Price Risk

The Company's exposure to equity investments price risk arises from investments held by the Company and classified in the financial statements at fair value through OCI. The Company intends to hold these investments for long-term for better returns and price risk will not be significant from a long term perspective.

Exposure to price risk

₹ In Lakh

	Effect on OCI			
	31.03.2024		31.03.2023	
	Strengthening	Weakening	Strengthening	Weakening
1 % movement				
Investment in Kerala Enviro Infrastructure Ltd	5.33	(5.33)	4.63	(4.63)
Investment in Travancore Cochin Chemicals Ltd	2.31	(2.31)	2.46	(2.46)
Investment in Indian Potash Ltd	122.72	(122.72)	105.77	(105.77)

CAPITAL MANAGEMENT

The Company's primary objective is to maximize the shareholders' value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. Presently, the Company sources 100 % of its capex requirement from the internal accruals. The Company, being a Central Public sector undertaking, is governed by the guidelines of the Department of Investment & Public Asset Management (DIPAM), which specifies the minimum percentage of dividend to be declared. Taking in to consideration the future capex requirements, the Company considers the payment of dividend at the appropriate rates.

43. Disclosure under Ind AS 24 on related party transactions are given below

46. EMPLOYEE BENEFITS

General Description of Defined Contribution Plan

Contributory Superannuation Scheme-The scheme is aimed to provide superannuation benefits to the employees. Every year company contributes ₹100 to the fund.

General Description of Defined Benefit Plan

A Leave Encashment and Gratuity

The company operates gratuity plan where in every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on death, separation from service or retirement, whichever is earlier. The benefit vests after five years of continuous service. The company has been accounting for provision on account of leave encashment on retirement based on actuarial valuation carried out as at the balance sheet date

B Provident Fund

The Provident Fund contributions are made to Trusts administered by the company. The interest rate payable to the members of the Trust shall not be lower than statutory rate of interest declared by the Central Government under the Employees Provident Funds and Miscellaneous Provisions Act 1952.

During the year an amount of ₹1888.86 lakh (Previous Year ₹1908.42 lakh) has been charged to Statement of Profit & Loss towards contribution by the Company. In terms of the Ind AS 19, the Provident Fund Trust set up by the company is treated as Defined Benefit Plan since the company has to meet the shortfall in the fund assets, if any.

During the year, vide GO (P) No. 85/2023/ LBR dated 11.10.2023 Government of Kerala (appropriate authority as per Para 27A of Provident Fund and Miscellaneous Provisions Act, 1952) withdrew exemption granted for the Company in respect of The FACT Cochin Division Employees Provident Fund on account of three years continuous loss incurred by the Company. Company has challenged the same and filed a writ petition before the Hon' High Court of Kerala and the notification has been stayed by the Honorable High Court. The matter is still pending.

During the year 2022-23, vide, G.O (Rt.) No. 354/2023/LBR dated 23.03.2023 Government of Kerala (appropriate authority as per Para 27A of Provident Fund and Miscellaneous Provisions Act, 1952) withdrew exemption granted for the Company in respect of The FACT Employees Provident Fund, Udyogamandal Division on account of three years continuous loss incurred by the company. Company has challenged the same and filed a writ petition before the Hon' High Court of Kerala and the notification has been stayed by the Honorable High Court. The matter is still pending.

GRATUITY- OTHER DISCLOSURE REQUIREMENTS

(i) Description of plan Characteristics and associated risks:

The Gratuity scheme is a final salary defined benefit plan that provides for a lumpsum payment at the time of separation; based on scheme rules the benefits are calculated on the basis of last drawn salary and the period of service at the time of separation and paid as lumpsum. There is a vesting period of 5 years. The design entitles the following risks that affect the liabilities and cash flows

Interest rates risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall the defined benefit obligation will tend to increase. Thus the plan exposes the Company to the risk of fall in interest rates. Some times the fall can be permanent due to a paradigm shift in interest rate scenarios because of economic or fiscal reasons. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements). Even for funded schemes a paradigm downward shift in bond yields may affect the reinvestment yields and may increase ultimate costs.

Salary inflation risk:

The present value of the defined benefit plan is calculated with the assumption of salary escalation rate(SER) which is applied to find the salary of plan participants in future at the time of separation. Higher than expected increases in salary will increase the defined benefit obligation and will have an exponential effect.

Retirement age:

It should be noted that in case of employees above retirement age for the purpose of valuation it is assumed they will retire immediately & benefit is considered up to actual retirement age.

Demographic risks:

Demographic assumptions are required to assess the timing and probability of a payment taking place. This is the risk of volatility of results due to unexpected nature of decrements that include mortality

attrition disability and retirement. The effects of this decrement on the DBO depend upon the combination salary increase discount rate and vesting criteria and therefore not very straight forward. It is important not to overstate withdrawal rate because the cost of retirement benefit of a short serving employees will be less compared to long service employees.

Asset Liability Mismatch:

This will come into play unless the funds are invested with a term of the assets replicating the term of the liability.

Actuarial Risk:

It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons: Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected. Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the Gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate. Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date

Investment Risk

For funded plans that rely on insurers for managing the assets the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

Liquidity Risk

This is the risk that the Company is not able to meet the short-term gratuity pay outs. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of liquid assets not being sold in time.

Employees with high salaries and long durations of service or those higher in hierarchy accumulate significant level of benefits. If some of such employees resign / retire from the company there can be strain on the cash flows.

Market Risk

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate / government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

Legislative risk/Regulatory risk

Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation / regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation. The new labour code is a case in point. And the same will have to be recognized immediately in the year when any such amendment is effective.

(ii) Sensitivity Analysis

How the DBO would have been affected by 100 basis points changes in the actuarial assumptions namely discount rates salary growth Attrition & Mortality is shown below

GRATUITY-EMPLOYEES :

₹ In Lakh

8	EFFECT OF NO CEILING	0.51%	1008.37	1008.37

P.U.C method has been used. If an employee's service in later years will lead to a materially higher level of benefit than in earlier years these benefits are attributed on a straight-line basis. The limitations are that in assessing the change other parameters are kept constant. As some of the assumptions may be correlated it is unlikely that changes in assumptions will occur in isolation of one another.

There is no change from the previous period in the methods and assumptions used in the preparation of above analysis, except that the base rates have changed

(iii) Asset Liability Matching Strategies**GRATUITY-EMPLOYEES :****Insurer Administered Fund**

The company has funded the liability with the insurance company. The entire investible assets are managed by the fund managers of the Insurance company and the Asset Values as informed by the Insurance Company has been taken for the valuation purpose. The policy thus mitigates the liquidity risk. However

being a cash accumulation plan the duration of assets is shorter compared to the duration of liabilities. Thus the Company is exposed to movement in interest rate (in particular the significant fall in interest Rates which should result in a increase in liability without corresponding increase in the asset). .Thus the Company is exposed to movement in interest rate (in particular the significant fall in interest Rates which should result in a increase in liability without corresponding increase in the asset).

GRATUITY-CASUAL LABOUR (CLR)

Pay As You Go Method

The company is only making book provisions for the entire Gratuity Liability on the valuation and follows a 'pay as you go' system to meet the liabilities as and when they fall due. Therefore the scheme is fully unfunded, and no assets are maintained by the company and asset values are taken as zero; there is liquidity risk in that they may run out of cash.

(iv) Other disclosures

GRATUITY-EMPLOYEES :

The company has started funding the liability through the medium of an insurance company and regular assessment is made by the Company of the increase in liability and contributions are being made to maintain the fund and is subject to the credit risk of the insurance company and asset liability mismatch risk of the investments .

8	Vested benefit Obligation as on Para 137 (b) 31-03-2024		994.66

LEAVE ENCASHMENT- OTHER DISCLOSURE REQUIREMENTS**(i) Description of plan Characteristics and associated risks:**

The leave scheme is a final salary defined benefit plan, that provides for a lumpsum payment at the time of separation; based on scheme rules the benefits are calculated on the basis of last drawn salary and the leave count at the time of separation and paid as lumpsum.

The design entitles the following risks that affect the liabilities and cash flows.

Interest rates risk

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary inflation risk:

Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risks:

This is the risk of volatility of results due to unexpected nature of decrements that include mortality attrition, disability and retirement. The effects of this decrement on the DBO depend upon the combination salary increase, discount rate, and vesting criteria and therefore not very straight forward. It is important not to overstate withdrawal rate because the cost of retirement benefit of a short serving employees will be less

compared to long service employees

(ii) SENSITIVITY ANALYSIS

How the DBO would have been affected by 100 basis points changes in the actuarial assumptions namely discount rates, salary growth, Attrition & Mortality is shown below

PRIVILEGE LEAVE

₹ in lakh

	Net Asset/(Liability)Recognised in Balance sheet -			31-03-2024
		% increase in DBO LIABILITY	LIABILITY	INCREASE IN DBO
1	DISCOUNT RATE +100 basis points	-6.59%	7123.11	-502.36
2	DISCOUNT RATE -100 basis points	7.56%	8201.77	576.30
3	SALARY GROWTH +100 basis points	7.04%	8162.57	537.10
4	SALARY GROWTH -100 basis points	-6.26%	7148.04	-477.43
5	ATTRITION RATE +100 basis points	-0.61%	7578.71	-46.76
6	ATTRITION RATE-100 basis points	0.70%	7678.88	53.41
7	MORTALITY RATE 10% UP	-0.02%	7624.14	-1.34

SICK LEAVE

₹ in lakh

	Net Asset/(Liability)Recognised in Balance sheet -			31-03-2024
		% increase in DBO LIABILITY	LIABILITY	INCREASE IN DBO
1	DISCOUNT RATE +100 basis points	-6.13%	935.11	-61.02
2	DISCOUNT RATE -100 basis points	6.92%	1065.03	68.90
3	SALARY GROWTH +100 basis points	6.44%	1060.30	64.17
4	SALARY GROWTH -100 basis points	-5.82%	938.19	-57.94
5	ATTRITION RATE +100 basis points	-0.55%	990.66	-5.47
6	ATTRITION RATE-100 basis points	0.62%	1002.28	6.15
7	MORTALITY RATE 10% UP	-0.02%	995.96	-0.17

P.U.C method has been used for sensitivity analysis. If an employee's service in later years will lead to a materially higher level of benefit than in earlier years, these benefits are attributed on a straight-line basis. The limitations are that in assessing the change other parameters are kept constant. As some of the assumptions may be correlated, it is unlikely that changes in assumptions will occur in isolation of one another.

There is no change from the previous period in the methods and assumptions used in the preparation of above analysis, except that the base rates have changed

(iii) Actuarial measurements as on March 31,2024

The company has not started funding the Leave liability & has been following pay as you go method for settlement of the liability

- d) There are no transactions that are not recorded in the books of account to be surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- e) The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- f) No funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- g) No funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- h) The Company has not been declared as a wilful defaulter by any bank or financial institution or other lender.

48. Contingent Liabilities and Commitments (to the extent not provided for):

Contingent Liabilities

₹ In Lakh

Particulars	As at 31.03.2024	As at 31.03.2023
Claims against the company not acknowledged as debts in respect of:		
Central Excise Act, 1944	11612.91	13313.01
Service Tax (Finance Act, 1994)	374.77	361.35
Sales Tax / Value Added Tax/ Entry tax	287.69	282.87
Goods and Service Tax	190.52	
Income Tax Act, 1961	4.26	4.26
ESI Act	127.83	127.83
Suppliers and contractors	28024.64	27001.59
Payment of Bonus Act, 1965	33.59	33.59
Others	10751.08	5844.76

- 48.1 The contract for the barge transportation of Ammonia awarded to a private company has been cancelled void ab initio during 2004-05 by the Company. The Contractor claimed ₹ 178489.75 lakh including interest till 31.03.2013 before the arbitrator. The arbitrator has passed an award during the year 2013-14 in favour of the contractor for ₹17308.04 lakh including interest as on 31.12.2013. As per the award, the mobilisation advance paid by the Company to the contractor along with interest of ₹2798.29 lakh is to be adjusted against the said award. The Company has not accepted the award on legal and factual grounds and has challenged the award before the Hon' District Court, Ernakulam which has since stayed the award. During the year 2019-20, as per the directive of Hon' District Court, Ernakulam the Company has provided 80.50 acres of land as security for the award. Accordingly, the

award amount along with interest up to 31.03.2024, amounting to ₹ 27734.43 lakh without considering the adjustment of mobilisation advance and interest allowed under the arbitral award is not considered as a liability and included under Contingent Liability. The case is transferred to Commercial Court.

- 48.2. A plan loan of ₹.100000.00 lakh bearing interest @13.50% per annum was released by the Government of India (GOI) on 29th March 2016 to maintain the operations of the Company. As per the order of Government of India, ₹100000.00 lakh along with the earlier loan and interest outstanding has been converted into a single loan carrying interest @ 13.50% per annum with one year moratorium. As per the terms of sanction, Government reserves right to enhance the rate of interest to 16.25% in case of default in repayment. As no communication in this regard has been received from the Government, as on date, ₹ 9777.70 lakhs (previous year- ₹ 4895.52 lakhs) being additional interest from financial year 2022-23 has been shown as contingent liability (refer Note 22.2)
- 48.3. ₹ 392.82 lakhs (Previous year- ₹ 392.82 lakhs) is claimed by a transport contractor in an arbitration petition filed by them in response to ₹ 298.02 lakhs withheld from the contractor bills and initiation to invoke bank guarantee of ₹143.22 lakhs towards compensation for non-delivery of goods. Company filed a counter claim of ₹ 224.03 lakhs (including interest). ₹ 94.80 lakhs is included in the contingent liability towards the claim.
- 48.4. Contingent Liability as on 31.03.2024, includes ₹ 104.27 Lakh being the amount payable as per the Arbitration award, to a customer whose contract for sale of bulk gypsum was terminated by the Company during the year 2016-17. In response to the Execution petition filed by the party, the Hon'ble High Court issued an interim injunction attaching an amount of ₹ 175.64 lakhs in the Company's bank account. Challenging the same, we have filed objection petition which has been admitted by the Hon'ble Court and interim stay has been granted vide order dt . 6.12.2023. vide order dt 12.7.2023 Hon'ble court has dismissed the EP as not pressed. In view of the dismissal of EP the OP has also been closed vide order dt 20.10.2023.
- 48.5. As per the Presidential directive and the agreement entered into between the Company and the trade unions for implementation of the 2017 wage revision, the company is not liable to pay arrears of salary and wages for the period from 01.01.2017 to 31.03.2022, in respect of managerial and non-managerial employees. Certain retired employees of FACT have filed Writ Petitions before the Hon. High Court of Kerala praying for a direction to the company to disburse arrears of pay revision and other consequential benefits for the period from 01.01.2017 to the respective retirement dates of the petitioners. Since a verdict/decision on payment of arrears relating is not taken, the amount of liability cannot be ascertained at this stage.

INDEPENDENT AUDITORS' REPORT
To the Members of The Fertilisers and Chemicals Travancore Limited**Report on the Audit of the Consolidated Ind AS Financial Statements****OPINION**

We have audited the accompanying Consolidated Ind AS Financial Statements of **THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED** (hereinafter referred to as "the Holding Company"), and its jointly controlled entity (The Company and its jointly controlled entity referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the Consolidated Financial Statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act"), as amended in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024, the consolidated profit and consolidated total comprehensive income, consolidated cash flows and consolidated changes in equity for the year ended on that date.

Basis for Opinion

We have conducted our audit of the Consolidated Ind AS Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Ind AS Financial Statements.

Emphasis of Matter

1. We draw attention to Note No.36 of the Consolidated Ind AS Financial Statements regarding the recovery of subsidy/additional compensation by the Government of India amounting to Rs.24,558.89 lakhs.

2. We draw attention to Note No.5 of the Consolidated Ind AS Financial Statements regarding the recognition of deferred tax asset (net) amounting to Rs.10,266.78 lakhs on the unabsorbed depreciation and carried forward business loss as per Income Tax Act, 1961 during the year ended March 31, 2024
3. We draw attention to Note 3A.1 of the Consolidated Ind AS Financial Statements regarding appointment of Interim Resolution Professional for FACT-RCF Building Products Ltd and supersession of its Board of Directors

Our opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters:

SI No	Key Audit Matter	Auditors' Response
1	<p>Accounting of subsidy income from Government of India under DBT Scheme:</p> <p>Under Direct Benefit Transfer (DBT) scheme of Government of India (GoI), the Holding Company is entitled to receive subsidy only upon sale of fertilizer by the dealer to the ultimate beneficiary through Point of Sale (PoS) devices. However, the Holding Company continues to account subsidy as income at the time of sale to dealers as in the earlier scheme, considering the reasonable certainty that the sale will take place and subsidy will be received based on the industry practice and past experience. Refer Note No. 28 to the Consolidated Ind AS Financial Statements</p>	<p>Our principal audit procedures included the following:</p> <ul style="list-style-type: none"> ┆ Analysed the scheme framed by the Department of Fertilizers (DoF) notified through Notification F. No. D(FA)/2016/DBT dated March 17, 2017. ┆ Reviewed the agreement with dealers. ┆ Reviewed the calculation of subsidy income and assessed the reasonableness of recoverability of subsidy receivable. ┆ Considered the ageing of the stock with the dealers for which sales not reported in the Integrated Fertiliser Management System and reviewed the approach adopted by the Holding Company. ┆ Verified compliance with Ind AS 20 on 'Accounting for Government Grants and Disclosure of Government Assistance'. ┆ Verified that the method followed by the Holding Company is consistent on year to year basis.

Information Other than the Consolidated Ind AS Financial Statements and Auditors' Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Annual Report including Directors' Report, Management Discussion and Analysis, Report on Corporate Governance, Business Responsibility and Sustainability Report but does not include the Consolidated Ind AS Financial Statements and our Auditors' Report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

The said other information is expected to be made available to us after the date of this audit report. When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and shareholders.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Ind AS Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Ind AS Financial Statements, the management and respective Board of Directors of the Companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management or respective Board of Directors of the Companies included in the Group either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Management and respective Board of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of each company.

Auditors' Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- i Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also

responsible for expressing our opinion on whether the Group has adequate internal financial controls with reference to financial control system in place and the operating effectiveness of such controls.

- i Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- i Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidences obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- i Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- i Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Ind AS Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Ind AS Financial Statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Ind AS Financial Statements maybe influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the Consolidated Ind AS Financial Statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. The Consolidated financial statements include unaudited financial statements of the jointly controlled

entity of the Holding Company. Our opinion on the Consolidated Ind AS Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the entity and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid entity, is based solely on the unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

2. The Holding Company has a system of obtaining balance confirmations from the customers and vendors. However, only a few customers and vendors have responded with confirmation.
3. The Consolidated Ind AS Financial Statements for the year ended March 31, 2023 were audited by another firm of chartered accountants who vide their report dated May 5, 2023 expressed an unmodified opinion on the Consolidated Ind AS Financial Statements.
4. The Holding Company has not reconciled the value of the land as per the Consolidated Ind AS Financial Statements with the cost of acquisition of the land as per the title deeds and the additional compensation paid for the acquisition of land, hence we could not verify the completeness and correctness of the amount disclosed in the Financial Statements with respect to these title deeds. However, the management of the Holding Company confirms that the said non reconciliation will not affect the financial position and financial performance of the Company for the year ended March 31, 2024.

Our opinion is not modified in respect of the above matters

Report on Other Legal and Regulatory Requirements

1. The CARO report relating to the jointly controlled entity FACT-RCF Building Products Limited has not been issued by its auditor till the date of our audit report. Hence, we are not in a position to comment upon clause 3(xxii) of the Order
2. The Holding Company does not have the required number of Independent Directors on its Board due to vacancy arising out of end of term of the existing independent directors, from June 2019 onwards hence being non-compliant with relevant Regulations of Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015. A penalty has been levied on the Company for this non-compliance.
3. As required by section 143 (3) of the Act, we report to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit except balance confirmations mentioned in para 3 of Other Matters paragraph and portion of internal audit reports for the fourth quarter.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS Financial Statements have been kept so far as it appears from our examination of those books
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including (Other Comprehensive Income), the Consolidated Cash Flows Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with relevant books of account and with the returns received from five state offices of Holding Company not audited by us, subject to the limitation of scope by other auditors.
 - d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015.

- e) In view of exemption given vide notification no. G.S.R. 463(E) dated June 5, 2015, as amended vide notification no. G.S.R 582(E) dated June 13, 2017, issued by Ministry of Corporate Affairs, provisions of Section 164(2) of the Act regarding disqualification of directors, are not applicable to the Holding Company.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group with reference to the Consolidated Ind AS Financial Statements and the operating effectiveness of such controls, refer to our separate report in **"Annexure A"**.
- g) The provisions of section 197 of the Act with respect to the matters to be included in the Auditors' Report is not applicable vide notification no. G.S.R. 463(E) dated June 5, 2015, as amended vide notification no. G.S.R 582(E) dated June 13, 2017, issued by Ministry of Corporate Affairs to the Holding Company being a Government Company.
- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Consolidated Ind AS Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group. (Refer Note #48 of the Consolidated Ind AS Financial Statements).
 - (ii) Provision has been made in the Consolidated Ind AS Financial Statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts as at March 31, 2024.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group during the year.
 - (iv) (a) The Management of the Holding Company has represented that, to the best of its knowledge and belief, other than as disclosed in the consolidated notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the group to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(b) The management of the Holding Company has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Group from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (v) As stated in Note No. 16 to the Consolidated Ind AS Financial Statements,

- a) The final dividend proposed in the previous year declared and paid by the Holding Company during the year is in accordance with Section 123 of the Act, as applicable.
- b) The Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- (vi) Based on our examination which included test checks, the Holding Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. In the case of jointly controlled entity, we are not in a position to report on the feature of recording audit trail (edit log) facility as the consolidation is based on unaudited financials.

**Annexure A to the Independent Auditors' Report of even date to the members of
The Fertilisers and Chemicals Travancore Limited on the Consolidated Ind AS
Financial Statements for the year ended March 31, 2024**

(Referred to in paragraph 3(f) under 'Report on Other Legal and Regulatory Requirements'
section of our report of even date)

**Independent Auditors' Report on the Internal Financial Controls under Clause (i) of
Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the Consolidated Ind AS Financial Statements of **THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED** (hereinafter referred to as "the Holding Company") as of and for the year ended March 31, 2024, we have audited the internal financial controls over financial reporting of the Holding Company and its jointly controlled entity (hereinafter referred to as "the Group"), which are Companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Management and Board of Directors of the Companies included in the Group which are Companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with 'the Guidance Note' on Audit of Internal Financial Control over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Group which are Companies incorporated in India, have, in all material respects, reasonably adequate internal financial controls system over financial reporting with reference to these Consolidated Ind AS Financial Statements and such internal financial controls over financial reporting with reference to these Consolidated Ind AS Financial Statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Group, considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls Over Financial Reporting" issued by the ICAI.

Other Matter

The internal financial controls with reference to financial statements in so far as it relates to one jointly controlled entity, which is a company incorporated in India and included in these consolidated financial statements, have not been audited till date of this report.

Our opinion is not modified in respect of this matter.

(Agriculture, Food & Water Resources)

Encl: as above

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF THE FERTILISERS AND CHEMICALS TRAVANCORE LTD FOR THE YEAR ENDED 31 MARCH 2024

The preparation of the consolidated financial statements of **The Fertilisers and Chemicals Travancore Ltd** for the year ended 31 March 2024 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act), is the responsibility of the management of the company. The statutory auditor/ auditors appointed by the Comptroller and Auditor General of India under section 139(5) read with section 129(4) of the Act is/ are responsible for expressing opinion on the financial statements under section 143 read with section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated **16 May 2024**.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of The Fertilisers and Chemicals Travancore Ltd for the year ended 31 March 2024 under section 143(6)(a) read with section 129(4) of the Act. We conducted a supplementary audit of the financial statements of The Fertilisers and Chemicals Travancore Ltd. But **did not conduct the** supplementary audit of the financial statements of FACT-RCF Building Products Limited*, for the year ended on that date.

This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143(6)(b) of the Act.

For and on the behalf of the Comptroller & Auditor General of India

NOTE 1

Statement of Material Accounting Policies forming part of Consolidated Financial Statements for the Year ended 31st March 2024

1. Corporate Information

The Company is a Public Limited company domiciled in India and is incorporated under provisions of the Companies Act applicable in India. The registered office of the Company is located at Eloor, Udyogamandal, Ernakulam 683501, Kerala. The shares of the company are listed in National Stock Exchange of India Limited.

The Company is engaged in the,

- (i) Manufacturing and marketing of fertilizers and Petrochemicals,
- (ii) Engineering Consultancy and Design and
- (iii) Fabrication and Erection of Industrial Equipments.

2. Basis for preparation of financial statements

The Consolidated financial statements of the Company have been prepared in accordance with accounting standards prescribed under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and other relevant provisions of the Act.

The Consolidated financial statements have been prepared under the historical cost and on accrual basis, except for the following:-

- Certain financial assets and liabilities measured at fair value
- Certain provisions recognized using actuarial valuation techniques
- Non-current assets classified as "*held for sale*" are measured at the lower of their carrying amount and fair value less cost to sell.
- Defined benefit plans – plan assets measured at fair value

The Consolidated financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lakh (₹00,000), except when otherwise indicated.

The consolidated financial statements relate to the Company [The Fertilisers and Chemicals Travancore Ltd.] and Jointly Controlled Entity FACT-RCF Building Products Ltd.(FRBL).

The accounting policies have been consistently applied by the Company and its Jointly Controlled Entities and are consistent with those used to prepare the opening balance sheet as at the transition date.

The financial statements of the Jointly Controlled Entity used in the consolidation are drawn up to the same reporting date as of the Company i.e. for the year ended 31st March 2024.

2.1 Use of Estimate & Judgements

The preparation of financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates and judgments affect the application of accounting policies and the reported amount of assets and liabilities, the disclosure of contingent assets and contingent liabilities at the date of financial statements and the reported amount of revenue and expenses during the period. Application of accounting policies that require critical accounting estimates involving judgements have been disclosed in note (3). Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes

aware of change in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

2.2 Current versus non-current classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

- i. the asset/liability is expected to be realized/settled in the Company's normal operating cycle;
- ii. the asset is intended for sale or consumption;
- iii. the asset/liability is held primarily for the purpose of trading;
- iv. the asset/liability is expected to be realized/settled within twelve months after the reporting period;
- v. the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- vi. in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

Principles of Consolidation:

The financial statements of Jointly Controlled Entities and Associates are combined by applying Equity method in accordance with INDAS 28 - "Investment in Associates and Joint Ventures".

The Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate Financial Statements. Differences in accounting policies followed by joint venture and Associate entity consolidated have been reviewed and no adjustments have been made, since the impact of these differences is not material.

The following Jointly Controlled Entities and Associates are considered in the consolidated financial statements:

Name of the Company	Country of Incorporation	Proportion of Ownership Interest as on 31.03.2024	Date of the entity becoming Joint Venture
FACT –RCF Building Products Ltd.	India	50.00%	02May2008

3. Significant Accounting Policies

i) Property Plant and Equipment

- a) All Property, Plant and Equipment are stated at acquisition cost less accumulated depreciation / amortization and cumulative impairment. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

- b) All repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.
- c) Land purchased/acquired and under the possession of the company are treated as free hold land.
- d) Technical know-how / license fee relating to plant / facilities are capitalized as part of cost of the underlying asset
- e) Income approach is adopted for accounting Government grants related to depreciable Property, Plant and Equipment. Grants utilized for acquisition of depreciable Property, Plant and Equipment are treated as Deferred Government Grants and the same is recognized in the Statement of Profit and Loss on a systematic and rational basis over the useful life of the assets.
- f) Spares costing (Unit value of ₹ 10 lakh and above), and other components which are required to be replaced at intervals, meeting the recognition criteria have been classified as Plant and equipment and are depreciated separately based on the useful lives of the corresponding item of the Property, Plant & Equipment ..
- g) The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.
- h) Revenue expenses exclusively attributable to projects incurred during construction period are capitalized. However, such expenses in respect of capital facilities being executed along with production / operation simultaneously are charged to revenue.

Financing cost incurred during construction period on loans specifically borrowed and utilized for projects is capitalized upto the date of capitalization.

Financing cost, if any, incurred on general borrowings used for projects is capitalized at the weighted average cost. The amount of such borrowings is determined after setting off the amount of internal accruals, if any.

Depreciation

Depreciation is charged on Property, plant and equipment based on the useful life of assets, prescribed under the Schedule II of the Companies Act 2013, except where a different life is determined based on technical review .The Company has adopted Straight Line method of depreciation for all the categories of assets, acquired on or after 01st April 2014.

Effective from 1st April, 2014, the Company has reassessed the useful life of its existing Property, plant and equipment (considering component approach wherever necessary) and has charged depreciation over the remaining useful lives, after retaining residual value, in accordance with the transitional provisions contained in the Schedule II of the Companies Act 2013.

Residual value of 5% has been retained for all the Property, plant and equipment, which is in line with the provisions of the Schedule II.

Depreciation is charged @ 100% on the assets with acquisition value of less than ₹ 5,000/-, the value being immaterial, considering the size and nature of the business of the Company.

Impairment

An asset is treated as impaired when the carrying amount of assets exceeds its recoverable value. Impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. When the recoverable amount of previously impaired assets exceeds its carrying amount, the value of asset is reinstated by reversing the impairment loss considered in prior years limited to lower of its recoverable value or carrying amount at the depreciated historical cost.

Capital Stores

Capital stores are valued at cost. Specific provision is made for likely diminution in value, wherever required.

Exemption Availed Under Ind AS 101

On transition to Ind AS, Company has elected to continue with the carrying value of all its property plant and equipment existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the property plant and equipment.

ii) Capital Work In Progress

Projects under which Property, Plant and Equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

iii) Investment Property

Investment properties are properties that are held to earn rentals and /or for capital appreciation (including property under construction for such purposes) and not occupied by the Company for its own use.

Investment properties are measured initially at cost, including transaction costs and net of recoverable taxes. The cost includes the cost of replacing parts and borrowing costs if recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in profit or loss as incurred.

Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Depreciation on Investment property, wherever applicable, is provided on straight line basis as per useful lives prescribed in Schedule II to Companies Act, 2013.

Investment properties are de-recognized either when they have been disposed off or when they are being occupied by the Company for its own use or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

Exemption availed under Ind AS 101 :- On transition to Ind AS, the Company has elected to continue with the carrying value of its Investment Property existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the same.

iv) Intangible Assets

Technical know-how / license fee relating to production process and process design are recognized as intangible assets and amortised on a straight line method over a period of 5 years or life of the underlying plant / facility whichever is earlier.

Expenditure incurred on Research and Development, other than capital account is charged to revenue.

Costs incurred on computer software purchased/developed resulting in future economic benefits, are capitalized as intangible assets and amortized over a period of 5 years or life of the facility whichever is earlier.

Exemption Availed Under Ind AS 101

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets existing as on 1st April 2016 measured as per the previous GAAP (Indian GAAP) and use that value as its deemed cost as of the transition date.

The Company has no intangible assets with infinite useful lives.

v) Inventory Valuation

Raw materials and stores and spares are valued at or below cost. Cost being ascertained on moving weighted average method. In cases where there has been a decline in the price of imported and indigenous raw material and it is estimated the cost of finished product will exceed the net realizable value, the materials are written down to net realizable value.

Materials in process are not valued.

Finished/Trading products are valued at lower of cost or net realizable value in the aggregate, product-wise. Intermediate products are valued at lower of cost or net realizable value derived from finished products and saleable by-product at realizable value. Cost of Finished / semi-finished / intermediate products are determined based on annual average cost excluding interest and head office and administrative overheads. Cost of finished goods in warehouse includes freight and handling charges.

Materials in transit / under inspection are valued at cost.

Gypsum Valuation

The entire quantity of saleable gypsum is valued at the lowest slab of the approved price for the next financial year reduced by the anticipated loading charges and moisture discount or average of the actual price realized during the year, whichever is lower. . For assessing the closing stock of gypsum, the saleable quantity is assessed on the basis of physical verification conducted at the end of the financial year.

vi) Commitments

Capital Commitments

Estimated amount of contracts remaining to be executed on capital accounts, above ₹ 5 lakhs in each case, are considered for disclosure.

Other Commitments

Disclosure is considered in respect of those non-cancellable contractual commitments (i.e. cancellation of which will result in a penalty disproportionate to the benefits involved) based on the professional judgement of the management which are material and relevant.

vii) Borrowing Cost

Borrowing Costs that are specifically identified to the acquisition or construction of qualifying assets are capitalised as part of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Statement of Profit and Loss.

viii) Investments

All equity investments in scope of Ind- AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at Fair Value through Profit and Loss (FVTPL). For all other equity instruments, the Company may decide to classify the same as at Fair Value through Other Comprehensive Income (FVTOCI). The Company makes such election on an instrument-by-instrument basis upon on initial recognition and same is irrevocable. Company is not holding any equity instrument for trading.

Upon classification of equity instruments as at FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investments. The Company may transfer the cumulative gain or loss within equity.

ix) Revenue Recognition

The revenue is recognised as and when control of goods or services is transferred to the customer at the amount which the Company expects to be entitled to. The Company adopted the 'Input method' as per Ind AS 115 for recognition of revenue.

Subsidy is recognised on sale of fertilisers to dealers. Freight subsidy is recognised on receipt of fertilisers at respective districts. Recoveries made are withdrawn from the claim on the basis of settlement as per the policies in force. Any differential subsidy due to change in rate of subsidy shall be recognised considering its recoverability.

Other income is recognized on an accrual basis.

Dividend income is recognized when right to receive dividend is established.

Interest income is recognized when no significant uncertainty as to its realization exists.

Scrap, salvaged / waste materials and sweepings are accounted for on realization.

Claims on underwriters, carriers and on Customs and Central Excise, Goods and Services Tax Departments are taken into account on acceptance.

Insurance and other miscellaneous claims are recognized on receipt/ acceptance of claim. Contractual pass through incentives, benefits, etc. are recognized on receipt basis.

x) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the contract lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

At the commencement date, Company recognizes a right-of-use asset at cost and a lease liability at present value of the lease payments that are not paid at commencement date. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has right to obtain substantially all of the economic benefits from use of the asset throughout the period of the lease and (iii) the Company has the right to direct the use of the asset.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability (at present value) adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives (at present value) except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense. Lease of items such as IT Assets (tablets, personal computers, mobiles, POS machines etc.), small items of office furniture etc. are treated as low value.

The lease liability is initially measured at amortized cost at the present value of the future lease payments.

The lease payments are discounted using the Company's incremental borrowing rate computed on periodic basis based on lease term. Lease liabilities are re-measured with a corresponding adjustment to the related right-of-use asset if the Company changes its assessment, whether it will exercise an extension or a termination option.

Right-of-use assets are depreciated over the lease term on systematic basis and Interest on lease liability is charged to Statement of Profit and Loss as Finance cost.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised as revenues as per lease terms since such rentals are structured to increase in line with expected general inflation. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases.

Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

xi) Foreign Currency Transactions:

Receivables and payables in foreign currency as on the reporting date including forward exchange contracts are restated at the rate prevailing at that date.

The premium in respect of forward exchange contracts is recognized in the year of contracts.

Variations arising on account of fluctuations in foreign exchange rates are treated as revenue (gain/loss (-)).

xii) Employee Benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employee are recognized as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Benefits

Contributory Superannuation Scheme with an annual contribution of ₹100 by the Company, aimed to provide superannuation benefits to the employees, has been treated as Defined contribution Plan.

Defined Benefit Plans

The company's contribution to the Provident Fund is remitted to separate trust established for this purposes based on a fixed percentage of the eligible employees salary and charged to Statement of Profit and Loss. Shortfall, if any, in the fund assets based on the Government specified minimum rate of return will be made good by the company and charged to Statement of Profit and Loss. As a matter of prudence Company provides for certain expenses of the fund such as audit fees & expenses, bank charges etc.

The company operates defined benefit plan for gratuity and leave encashment. The cost of providing such defined benefits is determined using the projected unit credit method of actuarial valuation made at the end of the year and the gratuity fund in respect of regular employees is administered through a fund maintained by insurance company.

Re-measurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurements recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying

the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- i) service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- ii) net interest expenses or income; and re-measurements

The Company presents the first two components of defined benefit costs in the Statement of profit and loss in the line item 'Employee benefits expense'.

xiii) Grants

Government grants in the nature of promoters' contribution are credited to Capital reserve and treated as part of Shareholders funds.

In case of depreciable assets, the cost of the asset is shown at gross value and grant thereon is treated as Capital Grants which are recognized as income in the statement of Profit and Loss over the period and in the proportion in which depreciation is charged.

Revenue grants relating to revenue expenses are deducted from the respective expenses.

In respect of revenue grants released by Government, the treatments in the accounts are considered as per the respective schemes notified by the Government. Other revenue grants relating to revenue expenses are considered as income and credited to statement of Profit and Loss.

xiv) Taxes

Provision for current tax is made in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognized using the Balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements.

Deferred tax assets is recognized for the carry forward of unused tax losses and unused tax credits to the extent it is probable that the future taxable profit will be available against which the unused tax losses and unused tax credits can be utilized, subject to management judgment. The company reassess un-recognized deferred tax assets at the end of each reporting period.

xv) Goods and Services Tax

Goods and Service Tax credit on eligible materials and services is recognised on receipt of such materials and services.

xvi) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) Ref Note No 44

Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under un-allocable corporate expenses.

Investments, advance towards investments and other advances, which are not allocable to segments, are excluded from segment capital employed.

xvii) Contract Operations

In contract operations revenue is recognized on percentage of completion method. The stage of completion is ascertained on the basis of physical evaluation of respective contract activity on the reporting date. Foreseeable losses on contract activities are recognized fully irrespective of the progress of work. The amount of estimated liquidated damages is reduced from revenue.

In the case of Total responsibility jobs/Deposit work/Cost plus contracts, contract revenue is determined by adding the aggregate cost plus fixed percentage fees thereon as agreed with the Customer.

xviii) Errors and Omissions of earlier period

Errors and omissions in individual items of Income and Expenditure relating to a earlier periods, exceeding ₹5 Lakh is accounted in the respective period, if possible, or adjusted against opening retained earnings.

xix) Research and Development Expenses

Research and development expenses (other than cost of Property, plant and equipment acquired) are charged as an expense in the Statement of Profit And Loss in the year in which they are incurred.

xx) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised in the accounts when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Show Cause notices issued by various Government Authorities are not considered as Obligation. When the demand notices are raised against such show cause notices and are disputed by the company, these are classified as disputed obligations.

The treatment in respect of disputed obligations, in each case, is as under:

- i) a provision is recognized in respect of present obligations where the outflow of resources is probable
- ii) all other cases are disclosed as contingent liabilities unless the Possibility of outflow of resources is remote.

Contingent assets are not recognized in the financial statements, however where the inflow of economic benefits are probable as at the end of the reporting period, a brief description of the nature of the contingent assets along with its estimated financial effect is disclosed in the financial statements.

xxi) Non-current assets held for sale

Non-current assets, or disposal groups comprising assets and liabilities are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets, or disposal groups, are generally measured at the lower of their carrying amount and fair value less costs to sell. Any resultant loss on a disposal group is allocated first to goodwill, and then to remaining assets and liabilities on pro rata basis, except that no loss is allocated to inventories, financial assets, deferred tax assets, employee benefit assets, and biological assets, which continue to be measured in accordance with the Group's other accounting policies. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognized in profit or loss. Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortized or depreciated.

xxii) Financial Instruments

Financial Assets Classification

The Company classifies its financial assets in the following measurement categories:

those to be measured subsequently at fair value (either through other comprehensive income, or through profit and loss), and those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses arising from fair valuation will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Measurement

Initial recognition

The Company measures a financial asset at its fair value and, in the case of a financial asset not at fair value through profit or loss, at fair value including transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are recognized in profit and loss.

Subsequent Measurement

Subsequent measurement of financial assets depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its financial assets:

Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Fair value through other comprehensive income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income.

Fair value through Profit and Loss(FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss.

Investments in Joint Venture

The results and assets and liabilities of associates or joint ventures are incorporated in the consolidated financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with IND AS 105.

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not in control or joint control over those policies.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

The Company's investments in its associate and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The

carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate or joint venture since the acquisition date. Goodwill relating to the associate or joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

The statement of profit and loss reflects the Company's share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the Company's OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Company recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Company and the associate or joint venture are eliminated to the extent of the interest in the associate or joint venture.

If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture (which includes any long term interest that, in substance, form part of the Company's net investment in the associate or joint venture), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. If the associate or joint venture subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Company's share of profit or loss of an associate and a joint venture is shown on the face of the statement of profit and loss.

The financial statements of the associate or joint venture are prepared for the same reporting period as the Company. When necessary, adjustments are made to bring the accounting policies in line with those of the Company.

After application of the equity method, the Company determines whether it is necessary to recognise an impairment loss on its investment in its associate or joint venture. At each reporting date, the Company determines whether there is objective evidence that the investment in the associate or joint venture is impaired. If there is such evidence, the Company calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value, and then recognises the loss as 'Share of profit of an associate and a joint venture' in the statement of profit or loss.

Upon loss of significant influence over the associate or joint control over the joint venture, the Company measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition as loans and borrowings, payables, derivatives and financial liabilities at fair value through profit or loss. The Company's financial liability consists of trade and other payables, loans and borrowings, bank overdrafts, financial guarantee contracts and derivative financial instruments.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs, if any.

Subsequent measurement

The subsequent measurement of financial liabilities of the Company depending on their classification is described below:

De-recognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Offsetting of financial instruments

Financial Assets and Financial liabilities are offset and the net amount is reported in the balance sheet, if there is a currently enforceable legal right to set off the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

Loans and borrowings including bank overdrafts

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder of the guarantee for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognized less cumulative amortization.

xxiii) Exemption as per Ind AS 101

Company has elected to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition measured as per Indian GAAP and use that as its deemed cost as at date of transition to Ind AS. The same is applicable even for Investment property and intangible assets.

Company has also reviewed the necessary adjustments required to be done in accordance with paragraph D21 of the standard (i.e. adjustments arising on account of decommissioning or restoration liabilities) and has accordingly considered the impact of the same wherever applicable.

The Company has designated unquoted equity instruments held at 1st April 2016 as fair value through OCI.

xxiv) Statement of Cash flow

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xxv) Earnings per share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed using the weighted average number of equity and dilutive equivalent shares outstanding during the period.

xxvi) Dividend

The Company recognizes a liability to pay dividend to shareholders when the distribution is authorized and the same is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors. A corresponding amount is recognized directly in equity.

xxvii) Exceptional Items

Exceptional items of income and expenses within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items are disclosed separately as exceptional items.

Pre Paid Expenses	672.08	651.95
Others	821.90	31.25
	21,924.48	25,417.78

1. Dues from statutory authorities include (i) ₹ 64.83 lakhs (Previous year ₹ 1409.11 lakhs) (net of provision) being KVAT refund receivables, and (ii) ₹ 72.97 lakh (Previous Year ₹72.97 lakh) towards the amount paid against disputed demands pending appeal. In view of the uncertainty in the reimbursement of Value Added Tax (VAT) paid on Regasified Liquified Natural Gas (RLNG) by the Government of Kerala, Company had made provision for the VAT receivables on RLNG upto 31.03.2022 amounting to ₹ 18301.45 lakhs under the head "Provision for doubtful receivables." The Provision for doubtful receivables also includes the VAT incurred on RLNG procurement during the year 2023-24, ₹ 6884.46 lakhs (Previous year ₹ 9117.09 lakhs) which has been accounted as consumption of raw material/ fuel in the Statement of Profit & loss.
2. Dues from Contractors include amount paid for materials supplied but rejected by the Company pending settlement ₹ 15.21 lakh (Previous year ₹ 9.46 lakh) and an amount of ₹1353.19 lakh (Previous year ₹1353.19 lakh) including interest considered as recoverable on the basis of a bank guarantee invoked by the Company but stayed till the completion of arbitration. The Arbitration Award was passed during the year 2013-14, as per which the company is entitled to adjust an amount of ₹2798.29 lakh towards this advance and interest from the dues claimed by the contractor. The Company has gone on appeal against the award before the Hon' District Court, Ernakulam which has since stayed the award. The case is transferred to Commercial Court. Accordingly the Company demanded the banks to send the proceeds of encashment of bank guarantee along with interest. The bank rejected the claim and consequently the Company filed a suit against the bank before the Hon. High court of Mumbai for realization of amount, which are pending. However an amount of ₹1353.19 lakh only has been retained pending disposal of the case.
3. Other Current Assets, dues from contractors include ₹ 476.89 lakhs (previous year ₹ 476.89 lakhs) charged to transport contractor as per the terms and conditions of the contract, towards non delivery of goods to dealers at the assigned destinations. (Refer Note- 7.5, 24.1 & 25.2)
4. Other Current Assets include CSR expenditure of ₹ 789.24 lakhs pertaining to financial year 2023-24 spent over and above the minimum as stipulated in The Companies Act, 2013.

Note No. 14. Current Assets -Non-current Assets held for Disposal

Particulars	As at 31.03.2024	As at 31.03.2023
Retired assets held for disposal	4,065.02	4,065.02
	4,065.02	4,065.02

Retired assets held for disposal' includes Ammonia and Urea Plant at Cochin Division, which the Company had decided to scrap during the year 2009-10. These retired assets are retained in books at the written down value of ₹ 4065.02 lakhs (previous year- ₹ 4065.02 lakhs), which is lower than the estimated Net realisable value. The Company could not complete the disposal process since the matter had been pending before the Court.

	177,558.75	180,398.57

- The bills discounted are secured against the corresponding trade receivables
- A plan loan of ₹.100000.00 lakh bearing interest @13.50% per annum was released by the Government of India (GOI) on 29th March 2016 to maintain the operations of the Company. As per the order of Government of India, ₹100000.00 lakh along with the earlier loan ₹ 28273 lakhs and interest outstanding has been converted into a single loan carrying interest @ 13.50% per annum with one year moratorium. As per the letter dated 12.01.2016, of the Ministry of Finance, GOI, sanctioning the loan, the total outstanding liability of the Company is ₹183672.00 lakh. The Company entered into an agreement with the Department of Fertilizers(DOF), GOI, agreeing to mortgage 408 acres of Company's land to secure repayment of the entire loan together with interest at the rate of 13.50% per annum on the amount outstanding as on 31.03.2017. The loan amount was reconciled and loan outstanding along with interest accumulated (upto 31.03.2017) has been arrived at ₹177048.75 lakh as on 31.03.2017. The loan along with interest is repayable in three or more equated instalments within a period of 5 years ending by 2022. Accordingly, the entire principal amount, being ₹ 177048.75 lakhs (previous year- ₹ 177048.75 lakhs) has been classified under Current Liabilities-Current maturities of Long term Debt. The outstanding principal and interest as on 31.03.2023 has been confirmed with the balance of Government of India.

Company has submitted a Financial Restructuring proposal to Department of Fertilizers (DoF), Government of India (Gol), seeking approval for the waiver of interest on Government of India loan, conversion of loan amounting to ₹28273.00 lakhs into equity and conversion of loan amounting to ₹100000.00 lakhs as interest free loan, repayable in yearly installments. The financial restructuring proposal submitted by the Company is under the consideration of the Department of Fertilizers, Government of India. Pending approval by the Government of India, the loan taken from Gol and interest due thereon are accounted and disclosed as per the loan agreement dated March 3, 2016.

40. Fair Value Hierarchy

The management has assessed that its financial assets and liabilities like cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The following methods and assumptions were used to estimate the fair values for the given below financial assets.

Investment in Unquoted Equity Shares

The fair values of the unquoted equity shares have been estimated using NAV model.

Derivatives not designated as hedges

Foreign exchange forward contracts if entered in to, are valued using valuation techniques, which employs the use of market observable inputs (i.e. based on inputs/statement of position received from banks).

Investment Properties

The value of the investment properties are based on the information available in Government of Kerala fair value notification, market conditions etc.

₹ in Lakh

Particulars	31.03.2024 Significant observable inputs		31.03.2023 Significant observable inputs	
	Level 2	Level 3	Level 2	Level 3
Financial Assets				
Investment in Unquoted Equity Shares of:				
Indian Potash Limited		12,271.69		10,576.59
Travancore Cochin Chemicals Ltd		231.27		245.74
Capexil Agencies Ltd.		0.15		0.15
Kerala Enviro Infrastructure Limited		532.95		462.88
Foreign Currency Asset on Forward exchange contract (Net)	102.41		-	
Financial Liabilities				
Amount Payable under forward exchange contracts (Net)	-		-	
Assets for which Fair values are disclosed				
Investment Properties	3,487.69		2,906.41	

Level 1 hierarchy is for financial instruments with quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges are to be valued using the closing price as at the reporting period. The mutual funds are to be valued using the closing NAV. Company do not have any such investment, as on the reporting date of current year and previous year.

The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in **Level 2**.

If one or more of the significant inputs is not based on observable market data, the instrument is included in **Level 3**. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in **Level 3**.

Operating Leases

A. Leases as lessor

The Company leases out its investment property on operating lease basis

i) Future minimum lease receivable

At 31 March, the future minimum lease receivables under non-cancellable leases are receivable as follows

₹ in Lakh

Particulars	As at 31.03.2024	As at 31.03.2023
Within one year	124.69	124.86
Between two and five years	448.93	498.93
More than five years	707.50	782.19

ii) Amounts recognized in profit and loss

(₹ In Lakh)

Particulars	As at 31.03.2024	As at 31.03.2023
Lease Rent	124.75	124.69
	124.75	124.69

B. Leases as lessee

The Lease Liability is measured at the present value of remaining lease payments at the date of initial application and Right-of-use asset has been recognized at an amount equal to Lease Liability adjusted by an amount of any prepaid expenses. Under Ind AS 116 "Leases", at commencement of lease, the Company recognizes Right-of-use asset and corresponding Lease Liability, at State Bank of India 1 year MCLR. Right-of-use asset is depreciated over lease term on systematic basis and Interest on Lease Liability is charged to Statement of Profit and Loss as Finance cost.

Recognition of right of use Asset and corresponding lease liability, as per IndAS 116, has been made in respect of the property taken for lease (Operating lease) for the purpose of storage and handling of Raw Materials, at Willington Island and for Guest House facility at New Delhi

a) The following is the detailed breakup of Right-of-use assets (by class of underlying assets) disclosed in Note No. 2C

42. Financial Risk Management

The company's activities are exposed to market risk, liquidity risk and credit risk.

This note explains the sources of risk which the Company is exposed to and how the Company manages the risk in the financial statements

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortized cost.	Ageing analysis, Credit Analysis, Post Dated Cheques and Security Deposit	Diversification of bank deposits, credit limits and Bank Guarantees, Post Dated Cheques and Security Deposit.
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk – foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Monitoring of Foreign Currency rates	Forward Foreign exchange contracts based on market trends

(A) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(i) Trade and other receivables

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to allow credit terms in the normal course of business.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹ 15813.73 lakh (Previous year ₹ 47887.48 lakh) of which ₹ 6750.04 lakh (previous year ₹ 40259.93 lakh) due from Government of India relating to subsidy receivable. Trade receivables mainly constitute subsidy receivable from the Government of India and receivable from sale of petrochemical products

Expected credit loss assessment for Trade and other receivables

The Company has been consistently following a policy of creating 100% provision for the unsecured portion of the trade receivables that are more than three years old, except subsidy receivables from Government of India, wherein allowance for loss is made after analysis of possibility of realisation.

The following table provides information about the exposure to credit risk and the provisions made

₹ In lakh

As at 31/03/2024	Total receivables	Provision for doubtful receivables
Trade Receivables	11,009.12	(1,945.43)
Subsidy Receivable	25,413.08	(18,663.04)
Total	36,422.20	(20,608.47)

₹ In lakh

As at 31/03/2023	Total receivables	Provision for doubtful receivables
Trade Receivables	9,597.44	(1,969.89)
Subsidy Receivable	40,671.26	(411.33)
Total	50,268.70	(2,381.22)

The movement in the loss allowance in respect of trade and other receivables during the year was as follows:-

₹ In lakh

Particulars	As at 31.03.2024	As at 31.03.2023
Provision at the beginning of the year	2,381.23	2,365.32
Provisions released during the year	(84.44)	(49.71)
Provisions made during the year	18,311.68	65.62
Provision at the end of the year	20,608.47	2,381.23

(ii) Cash and Cash equivalents and Other Bank Balances

The Company held cash and cash equivalents and other bank balances of ₹ 267932.29 lakhs at 31st March 2024 (31st March 2023: ₹ 238784.40 lakhs). The Cash equivalents are held with banks with good credit ratings and financial position. Also, the Company invests its short term surplus funds in bank fixed deposits, which carry no / low market risks for short duration and therefore does not expose the Company to credit risk.

(B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Liquidity risk is managed by Company through effective fund management. Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of credit facilities to meet obligations when due. Due to the dynamic nature of the underlying businesses, treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

The following are the remaining contractual maturities of significant financial liabilities at the reporting date.

Maturity Analysis of Significant Financial Liabilities

As on 31/03/2024

	Contractual Cash Flows (₹ In Lakh)		
	Total	Up to 1 year	1-5 years
Government of India Loan (Refer note 1 below)	368,261.40	368,261.40	0.00
Intercompany Loan	565.38	565.38	0.00

As on 31/03/2023

	Contractual Cash Flows (₹ In Lakh)		
	Total	Up to 1 year	1-5 years
Government of India Loan (Refer note 1 below)	344,359.82	344,359.82	0.00
Intercompany Loan	1,149.68	589.50	560.18

1. The loan from Government of India along with interest is repayable in three or more equated installments within a period of 5 years ending by 2022. Company has submitted a Financial Restructuring proposal to Department of Fertilizers (DoF), Government of India (GoI), seeking approval for the waiver of interest on Government of India loan, conversion of loan amounting to ₹ 28273.00 lakhs into equity and conversion of loan amounting to ₹ 100000.00 lakhs as interest free loan, repayable in yearly installments. The financial restructuring proposal submitted by the Company is under the consideration of the Department of Fertilizers, Government of India. Pending approval by the Government of India, the loan taken from GoI and interest due thereon are accounted and disclosed as per the loan agreement dated March 3, 2016. The management expects restructuring of the loan, whereby the Government shall grant sufficient time for the repayment of the loan and interest due thereon. Accordingly, the Company can manage the immediate liquidity requirement.

Financing arrangements (₹ In Lakh)

The Company has sufficient funds for its business/operational activities. The following is the undrawn fund based borrowing facilities at the end of the reporting period:

Particulars	As at 31.03.2024	As at 31.03.2023
Expiring within one year (Bank Overdraft/ CC Limit)	29,800.00	17,463.00
LC Bill discounting limit	15,000.00	12,160.18

The credit facilities of Banks are subject to compliance with sanctioned terms & conditions. These credit facilities have an average maturity of one year. Besides, the above, Company has Non Fund Based Working Capital Arrangement with various Banks, with a lien on Term Deposits of the Company.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other prices, such as equity price risk and commodity risk. .

(i) Currency Risk

The Company's activities are exposed primarily to the financial risk of changes in foreign currency rates. To mitigate the foreign currency risk, the company is closely monitoring the market trend to take appropriate action

The details of foreign currency balances which are not hedged as at the Balance Sheet date are as below:-

Particulars	Figures as at 31.03.2024		Figures as at 31.03.2023	
	Foreign Currency	Indian Rupee	Foreign Currency	Indian Rupee
	(In lakh)	(In lakh)	(In lakh)	(In lakh)
Trade Payable	USD 150.60	12649.00	USD 235.12	19454.04

Sensitivity analysis

A reasonably possible strengthening (weakening) of the USD, JPY or EUR against INR at 31st March 2024 would have affected the measurement of financial instruments denominated in foreign currencies and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. ₹ in Lakh

	Effect in INR (before tax)	
	Strengthening	Weakening
For the year ended 31st March, 2024		
3% movement in, USD	(379.47)	379.47
For the year ended 31st March, 2023		
3% movement in, USD	(583.62)	583.62

(ii) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates, in cases where the borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates

Exposure to interest rate risk:

The Company's investments are in Bank fixed deposits wherein the interest rates are fixed, as on the reporting date.

The Company do not have any fund based borrowing with banks as on the reporting date. The interest rate on the Company's borrowings from Government of India is not fluctuating. The rate of interest on Intercompany loan from Rashtriya Chemicals and Fertilisers Ltd is subject to change, based on the lowest cost of their working capital finance. The Intercompany loan outstanding as on 31.03.2024 is ₹510 lakh and the applicable interest as on the reporting date is 7.82%.

(iii) Commodity rate risk

The Company's profitability gets affected by the price differential (also known as Margin) between prices of products (output) and the price of the raw materials used in production (input). Company has entered in to agreement with suppliers of one of the major raw materials, Regassified Liquified Natural Gas and sulphur, to mitigate the fluctuation in market price

(iv) Price Risk

The Company's exposure to equity investments price risk arises from investments held by the Company and classified in the financial statements at fair value through OCI. The Company intends to hold these investments for long-term for better returns and price risk will not be significant from a long term perspective.

Exposure to price risk

₹ In Lakh

	Effect on OCI			
	31.03.2024		31.03.2023	
	Strengthening	Weakening	Strengthening	Weakening
1 % movement				
Investment in Kerala Enviro Infrastructure Ltd	5.33	(5.33)	4.63	(4.63)
Investment in Travancore Cochin Chemicals Ltd	2.31	(2.31)	2.46	(2.46)
Investment in Indian Potash Ltd	122.72	(122.72)	105.77	(105.77)

CAPITAL MANAGEMENT

The Company's primary objective is to maximize the shareholders' value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. Presently, the Company sources 100 % of its capex requirement from the internal accruals. The Company, being a Central Public sector undertaking, is governed by the guidelines of the Department of Investment & Public Asset Management (DIPAM), which specifies the minimum percentage of dividend to be declared. Taking in to consideration the future capex requirements, the Company considers the payment of dividend at the appropriate rates.

43. Disclosure under Ind AS 24 on related party transactions are given below

Since Government of India owns 90% of the Company's equity share capital (under the administrative control of Ministry of Chemicals and Fertilizers), the disclosures relating to transactions with the Government and other Government controlled entities have been reported in accordance with para 26 of Ind AS 24.

Certain transactions are carried out with other government related entities for purchase of Gases, for procurement of Raw Materials / Finished Goods, Assets / Spare Parts from Original equipment manufacturers, which are significant in terms of value, the details of which are as under:

Accordingly, the amount of ₹ 2550 lakhs has been classified as Intercompany loan. The principal amount outstanding as on 31.03.2024 is ₹ 510 lakh (Previous year ₹ 1020 lakh). Interest rate applicable on the loan for the year 2023-24 is 7.82 % p.a. (Previous year- 7.38% p.a).

Department of Fertilisers, Govt of India, had accorded the approval (16 November 2018) to The Fertilisers and Chemicals Travancore Limited (FACT) for additional investment of ₹ 2925 lakh to the equity share capital of FACT-RCF-Building Products Limited (FRBL).FRBL is a joint venture between FACT and Rashtriya Chemicals & Fertilisers Limited (RCF). FACT in its 75th Annual General Meeting approved the additional investment in FRBL. Against approval received for ₹ 2925 lakh, FRBL had issued equity shares amounting to ₹ 1518 lakh towards gypsum supplied and other services provided by FACT during the period from 2010-2013. Further,FRBL during the year 2022-23 has allotted shares to FACT amounting to ₹ 235.70 lakhs. Balance Equity Shares against which gypsum and other services provided by FACT during 2014-2017, are pending for allotment by FRBL. The same has been disclosed under advances to related parties. Further, supply of gypsum from FACT amounting to ₹ 239 lakh is still pending as on 31 March 2024 to complete the above additional investment.

National Company Law Tribunal (NCLT), Kochi Bench, vide its order dated 11.01.2024 in CP(IBC)/39/KOB/2023 filed by a financial creditor of FACT-RCF Building Products Ltd (FRBL) appointed an Interim Resolution Professional (IRP) for initiating Corporate Insolvency Resolution Proceedings against FRBL as per Insolvency & Bankruptcy Code, 2016. Accordingly, the Board of Directors of FRBL was superseded.The Resolution Professional commenced the proceedings and is in the process of publishing advertisement for Expression of interest from the prospective applicants for submission of resolution plan for FRBL.

During the year 2009-10, the Company has along with Department of Factories and Boilers, Government of Kerala, formed a society under the Travancore Literary, Scientific and Charitable Societies Act 1955 with the objective of conducting courses relating to welding technologies with a grant of ₹ 1 Crore from the Government of Kerala, under the name Kerala Institute of Welding and Research. The contribution from the Company is only provision of its existing facilities of Training School. The accounts of the society are not consolidated as society is formed with an objective of not obtaining any economic benefits from its activities and is considered immaterial to the Company's activity.

46. EMPLOYEE BENEFITS

General Description of Defined Contribution Plan

Contributory Superannuation Scheme-The scheme is aimed to provide superannuation benefits to the employees. Every year company contributes ₹100 to the fund.

General Description of Defined Benefit Plan

A Leave Encashment and Gratuity

The company operates gratuity plan where in every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on death, separation from service or retirement, whichever is earlier. The benefit vests after five years of continuous service. The company has been accounting for provision on account of leave encashment on retirement based on actuarial valuation carried out as at the balance sheet date

B Provident Fund

The Provident Fund contributions are made to Trusts administered by the company. The interest rate payable to the members of the Trust shall not be lower than statutory rate of interest declared by the Central Government under the Employees Provident Funds and Miscellaneous Provisions Act 1952.

During the year an amount of ₹1888.86 lakh (Previous Year ₹1908.42 lakh) has been charged to Statement of Profit & Loss towards contribution by the Company. In terms of the Ind AS 19, the Provident Fund Trust set up by the company is treated as Defined Benefit Plan since the company has to meet the shortfall in the fund assets, if any.

During the year, vide GO (P) No. 85/2023/ LBR dated 11.10.2023 Government of Kerala (appropriate authority as per Para 27A of Provident Fund and Miscellaneous Provisions Act, 1952) withdrew exemption granted for the Company in respect of The FACT Cochin Division Employees Provident Fund on account of three years continuous loss incurred by the Company. Company has challenged the same and filed a writ petition before the Hon' High Court of Kerala and the notification has been stayed by the Honorable High Court. The matter is still pending.

During the year 2022-23, vide, G.O (Rt.) No. 354/2023/LBR dated 23.03.2023 Government of Kerala (appropriate authority as per Para 27A of Provident Fund and Miscellaneous Provisions Act, 1952) withdrew exemption granted for the Company in respect of The FACT Employees Provident Fund, Udyogamandal Division on account of three years continuous loss incurred by the company. Company has challenged the same and filed a writ petition before the Hon' High Court of Kerala and the notification has been stayed by the Honorable High Court. The matter is still pending.

GRATUITY- OTHER DISCLOSURE REQUIREMENTS

(I) Description of plan Characteristics and associated risks:

The Gratuity scheme is a final salary defined benefit plan that provides for a lumpsum payment at the time of separation; based on scheme rules the benefits are calculated on the basis of last drawn salary and the period of service at the time of separation and paid as lumpsum. There is a vesting period of 5 years. The design entitles the following risks that affect the liabilities and cash flows

Interest rates risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall the defined benefit obligation will tend to increase. Thus the plan exposes the Company to the risk of fall in interest rates. Some times the fall can be permanent due to a paradigm shift in interest rate scenarios because of economic or fiscal reasons. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements). Even for funded schemes a paradigm downward shift in bond yields may affect the reinvestment yields and may increase ultimate costs.

Salary inflation risk:

The present value of the defined benefit plan is calculated with the assumption of salary escalation rate(SER) which is applied to find the salary of plan participants in future at the time of separation Higher than expected increases in salary will increase the defined benefit obligation and will have an exponential effect.

Retirement age:

It should be noted that in case of employees above retirement age for the purpose of valuation it is assumed they will retire immediately & benefit is considered up to actual retirement age.

Demographic risks:

Demographic assumptions are required to assess the timing and probability of a payment taking place. This is the risk of volatility of results due to unexpected nature of decrements that include mortality

attrition disability and retirement. The effects of this decrement on the DBO depend upon the combination salary increase discount rate and vesting criteria and therefore not very straight forward. It is important not to overstate withdrawal rate because the cost of retirement benefit of a short serving employees will be less compared to long service employees.

Asset Liability Mismatch:

This will come into play unless the funds are invested with a term of the assets replicating the term of the liability.

Actuarial Risk:

It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons: Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected. Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the Gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate. Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date

Investment Risk

For funded plans that rely on insurers for managing the assets the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

Liquidity Risk

This is the risk that the Company is not able to meet the short-term gratuity pay outs. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of liquid assets not being sold in time.

Employees with high salaries and long durations of service or those higher in hierarchy accumulate significant level of benefits. If some of such employees resign / retire from the company there can be strain on the cash flows.

Market Risk

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate / government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

Legislative risk/Regulatory risk

Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation / regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation. The new labour code is a case in point. And the same will have to be recognized immediately in the year when any such amendment is effective.

(ii) Sensitivity Analysis

How the DBO would have been affected by 100 basis points changes in the actuarial assumptions namely discount rates salary growth Attrition & Mortality is shown below

GRATUITY-EMPLOYEES :

₹ In Lakh

				31-03-2024
		% increase in DBO	LIABILITY	DECREASE OR INCREASE IN DBO
1	DISCOUNT RATE +100 basis points	-4.39%	10263.21	-470.69
2	DISCOUNT RATE -100 basis points	4.86%	11255.46	521.57
3	SALARY GROWTH +100 basis points	1.63%	10908.47	174.58
4	SALARY GROWTH -100 basis points	-1.70%	10551.90	-181.99
5	ATTRITION RATE +100 basis points	0.24%	10759.99	26.10
6	ATTRITION RATE-100 basis points	-0.28%	10704.25	-29.64
7	MORTALITY RATE 10% UP	0.02%	10735.51	1.61
8	EFFECT OF NO CEILING	44.35%	14260.44	4760.02

GRATUITY-CASUAL LABOUR (CLR)

₹ In Lakh

				31-03-2024
		% increase in DBO	LIABILITY	DECREASE OR INCREASE IN DBO
1	DISCOUNT RATE +100 basis points	-6.03%	935.47	-60.05
2	DISCOUNT RATE -100 basis points	6.76%	1062.82	67.30
3	SALARY GROWTH +100 basis points	5.68%	1052.11	56.58
4	SALARY GROWTH -100 basis points	-5.77%	938.06	-57.46
5	ATTRITION RATE +100 basis points	-0.54%	990.13	-5.39
6	ATTRITION RATE-100 basis points	0.60%	1001.46	5.93
7	MORTALITY RATE 10% UP	-0.03%	995.18	-0.34
8	EFFECT OF NO CEILING	0.51%	1008.37	1008.37

P.U.C method has been used. If an employee's service in later years will lead to a materially higher level of benefit than in earlier years these benefits are attributed on a straight-line basis. The limitations are that in assessing the change other parameters are kept constant. As some of the assumptions may be correlated it is unlikely that changes in assumptions will occur in isolation of one another.

There is no change from the previous period in the methods and assumptions used in the preparation of above analysis, except that the base rates have changed

(iii) Asset Liability Matching Strategies
GRATUITY-EMPLOYEES :
Insurer Administered Fund

The company has funded the liability with the insurance company. The entire investible assets are managed by the fund managers of the Insurance company and the Asset Values as informed by the Insurance Company has been taken for the valuation purpose. The policy thus mitigates the liquidity risk. However

being a cash accumulation plan the duration of assets is shorter compared to the duration of liabilities. Thus the Company is exposed to movement in interest rate (in particular the significant fall in interest Rates which should result in a increase in liability without corresponding increase in the asset). .Thus the Company is exposed to movement in interest rate (in particular the significant fall in interest Rates which should result in a increase in liability without corresponding increase in the asset).

GRATUITY-CASUAL LABOUR (CLR)

Pay As You Go Method

The company is only making book provisions for the entire Gratuity Liability on the valuation and follows a 'pay as you go' system to meet the liabilities as and when they fall due. Therefore the scheme is fully unfunded, and no assets are maintained by the company and asset values are taken as zero; there is liquidity risk in that they may run out of cash.

(iv) Other disclosures

GRATUITY-EMPLOYEES :

The company has started funding the liability through the medium of an insurance company and regular assessment is made by the Company of the increase in liability and contributions are being made to maintain the fund and is subject to the credit risk of the insurance company and asset liability mismatch risk of the investments .

Expected Contributions to the plan for the next annual reporting period.

LEAVE ENCASHMENT- OTHER DISCLOSURE REQUIREMENTS

(i) Description of plan Characteristics and associated risks:

The leave scheme is a final salary defined benefit plan, that provides for a lumpsum payment at the time of separation; based on scheme rules the benefits are calculated on the basis of last drawn salary and the leave count at the time of separation and paid as lumpsum.

The design entitles the following risks that affect the liabilities and cash flows.

Interest rates risk

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary inflation risk:

Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risks:

This is the risk of volatility of results due to unexpected nature of decrements that include mortality attrition, disability and retirement. The effects of this decrement on the DBO depend upon the combination salary increase, discount rate, and vesting criteria and therefore not very straight forward. It is important not to overstate withdrawal rate because the cost of retirement benefit of a short serving employees will be less

compared to long service employees

(ii) SENSITIVITY ANALYSIS

*The investment Is valued at Nil in the books

- b) No charge or satisfaction is pending to be registered with Registrar of Companies beyond the statutory period
- c) There is no Scheme of Arrangements that has been approved in terms of sections 230 to 237

- d) There are no transactions that are not recorded in the books of account to be surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- e) The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- f) No funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- g) No funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- h) The Company has not been declared as a wilful defaulter by any bank or financial institution or other lender.

48. Contingent Liabilities and Commitments (to the extent not provided for):

Contingent Liabilities

₹ In Lakh

Particulars	As at 31.03.2024	As at 31.03.2023
Claims against the company not acknowledged as debts in respect of:		
Central Excise Act, 1944	11612.91	13313.01
Service Tax (Finance Act, 1994)	374.77	361.35
Sales Tax / Value Added Tax/ Entry tax	287.69	282.87
Goods and Service Tax	190.52	
Income Tax Act, 1961	4.26	4.26
ESI Act	127.83	127.83
Suppliers and contractors	28024.64	27001.59
Payment of Bonus Act, 1965	33.59	33.59
Others	10751.08	5844.76

48.1 The contract for the barge transportation of Ammonia awarded to a private company has been cancelled void ab initio during 2004-05 by the Company. The Contractor claimed ₹ 178489.75 lakh including interest till 31.03.2013 before the arbitrator. The arbitrator has passed an award during the year 2013-14 in favour of the contractor for ₹17308.04 lakh including interest as on 31.12.2013. As per the award, the mobilisation advance paid by the Company to the contractor along with interest of ₹2798.29 lakh is to be adjusted against the said award. The Company has not accepted the award on legal and factual grounds and has challenged the award before the Hon' District Court, Ernakulam which has since stayed the award. During the year 2019-20, as per the directive of Hon' District Court, Ernakulam the Company has provided 80.50 acres of land as security for the award. Accordingly, the

award amount along with interest up to 31.03.2024, amounting to ₹ 27734.43 lakh without considering the adjustment of mobilisation advance and interest allowed under the arbitral award is not considered as a liability and included under Contingent Liability. The case is transferred to Commercial Court.

- 48.2. A plan loan of ₹.100000.00 lakh bearing interest @13.50% per annum was released by the Government of India (GOI) on 29th March 2016 to maintain the operations of the Company. As per the order of Government of India, ₹100000.00 lakh along with the earlier loan and interest outstanding has been converted into a single loan carrying interest @ 13.50% per annum with one year moratorium. As per the terms of sanction, Government reserves right to enhance the rate of interest to 16.25% in case of default in repayment. As no communication in this regard has been received from the Government, as on date, ₹ 9777.70 lakhs (previous year- ₹ 4895.52 lakhs) being additional interest from financial year 2022-23 has been shown as contingent liability (refer Note 22.2)
- 48.3. ₹ 392.82 lakhs (Previous year- ₹ 392.82 lakhs) is claimed by a transport contractor in an arbitration petition filed by them in response to ₹ 298.02 lakhs withheld from the contractor bills and initiation to invoke bank guarantee of ₹143.22 lakhs towards compensation for non-delivery of goods. Company filed a counter claim of ₹ 224.03 lakhs (including interest). ₹ 94.80 lakhs is included in the contingent liability towards the claim.
- 48.4. Contingent Liability as on 31.03.2024, includes ₹ 104.27 Lakh being the amount payable as per the Arbitration award, to a customer whose contract for sale of bulk gypsum was terminated by the Company during the year 2016-17. In response to the Execution petition filed by the party, the Hon'ble High Court issued an interim injunction attaching an amount of ₹ 175.64 lakhs in the Company's bank account. Challenging the same, we have filed objection petition which has been admitted by the Hon'ble Court and interim stay has been granted vide order dt . 6.12.2023. vide order dt 12.7.2023 Hon'ble court has dismissed the EP as not pressed. In view of the dismissal of EP the OP has also been closed vide order dt 20.10.2023.
- 48.5. As per the Presidential directive and the agreement entered into between the Company and the trade unions for implementation of the 2017 wage revision, the company is not liable to pay arrears of salary and wages for the period from 01.01.2017 to 31.03.2022, in respect of managerial and non-managerial employees. Certain retired employees of FACT have filed Writ Petitions before the Hon. High Court of Kerala praying for a direction to the company to disburse arrears of pay revision and other consequential benefits for the period from 01.01.2017 to the respective retirement dates of the petitioners. Since a verdict/decision on payment of arrears relating is not taken, the amount of liability cannot be ascertained at this stage.
