CHAIRMAN'S MESSAGE

My dear shareholders,

A warm good morning to each and every one of you. I, as Chairman & Managing Director of your Company, welcome all of you to the 76th Annual General Meeting of FACT.

As all of you are aware the 76th AGM is convened as a virtual meeting, due to the spread of pandemic COVID-19, the most disruptive event in the modern human history. The world economy is facing an unprecedented crisis and hardships due to the pandemic.

The pandemic did not spare any sector including Fertilizer. Everyone has to respond with exceptional measures to maintain operation and to continue to provide services to customers while ensuring the health and safety.

I firmly believe that the success of every organisation depends on its ability to convert the adversities into opportunities. In the face of unprecedented challenges, your Company acted with a clear focus to conserve, preserve and innovate to ride out the waves of the ongoing crisis believing that we could emerge stronger at the other end. I strongly believe that your Company would also come out of the impact of COVID-19 soon.

I am addressing you second time in succession with a sense of pride about how well your Company performed during the financial year 2019-20, not only in financial terms but also in terms of production, marketing, despatch and all other activities.

I am happy to inform you that considering the extra ordinary income of ₹972.17 crore from sale of land, your company has reported a profit of ₹ 975.52 Crore for the financial year 2019-2020, which is an all-time record.

The achievements of the Company has reflected in the sentiments of the people in general and particularly the rating agencies and investors.

As on 31-03-2020, your Company has become one among the top 500 Companies listed in the National Stock Exchange of India Limited in terms of Market Capitalisation. The reputed rating agency, India Rating has given an investable rating to FACT upgrading two notch points.

Economic Scenario

India continues to remain the fastest growing major economy in the world in 2019-20 despite a moderation in its GDP growth from 6.1% in 2018-19 to 4.2% on 2019-2020.

At a time when the Indian economy had begun to regain momentum with clear signs of uptick in consumption and investment by the end

of 3rd quarter of the financial year 2019-20, the outbreak of the COVID-19 in the fourth quarter has resulted in slow down of economic growth.

On the external front, India continued to attract robust foreign direct investment. Foreign Portfolio investment inflows also rebounded in recent months. This reflect the unshaken belief of foreign investors in India's macro-economic fundamentals.

Agriculture, which contributes 15% of total gross value added is set to push in the shock of COVID-19 pandemic in Indian economy in the year 2020-21.

Comfortable Foreign Exchange Reserve, higher Foreign Direct Investment, low oil prices coupled with the monetary policy of the Reserve Bank of India and stimulus package of the Government of India would stimulate the Indian Economy.

Fertilizer Industry

During the financial year 2019-20, production of total fertilizer nutrients increased by 3.4% as compared to previous year. Both N and P2O5 witnessed positive growth.

Eventhough fertilizer which falls under the essential commodities was exempted from the lockdown restrictions, the spread of COVID-19 pandemic caused a number of challenges for continuous operation of fertilizer plants in the Country. However, demand for fertilizers will remain buoyant during the financial year 2020-21 and the industry is expected to meet the requirements of farmers.

Liquidity crisis and volatility in input prices continues to be the major constraints being faced by fertilizer industry in India.

Business and Financial Performance

Financial statements of the Company for the year ended 31st March, 2020 along with Auditors report and Directors report have already been circulated to you. With your permission, I would like to take them as read.

You might have noticed that during the financial year FACT has leveraged 481.79 acres of land to Government of Kerala / KINFRA. As per the decision of the Union Cabinet, the sale proceeds will be utilised for expansion projects of the Company after meeting immediate working capital requirements as per the approval of the Union Cabinet.

Dear members, you may recall that while addressing you at the last AGM, I have shared some of the strategic initiative taken by your Company for its turnaround, growth and sustenance in the long run. I am happy to inform you that the Company successfully implemented the strategies and as a result, your Company has achieved record performance in production and marketing front during the financial year 2019-20.

I am happy to share some of the highlights of the performance of your Company during the year 2019-20.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

- All time high Income - ₹3773 Crore.
- All time high Profit - ₹976 Crore.
- Operating Profit - ₹3.36 Crore.
- Highest Turnover in 9 years - ₹2770 Crore.
- All time high Factamfos production - 8.4 Lakh MT.
- Highest Ammonium Sulphate Production in 19 years - 2.21 Lakh MT.
- Highest sale of Factamfos in 19 years - 8.35 Lakh MT.
- Highest sale of Ammonium Sulphate - 2.36 Lakh MT.
- Augmentation of Fertilizer sales by trading of imported NPK.

Without continuous growth and progress such words as improvement, achievement and success have no meaning. Your Company is expected to continue the momentum in production and marketing in the year 2020-21 also. Company had already tied up for RLNG for one year at a reasonable rate. Annual turnaround activities of production divisions were carried out and the plants were back on line by the end of May, 2020.

I am pleased to share some of the highlights in the performance of FACT during the financial year 2020-21.

- Highest Factamfos sale during the 1st Quarter of 2020-21.
- Highest Organic Fertilizer sale during the 1st Quarter of 2020-21.
- Highest monthly Ammonium Sulphate production during July, 2020.
- Import of three shipment of fertilizers for Khariff season.

For a continuous process industry like FACT, sudden changes in the operating environment can have severe impact on operations and overall performance. By making suitable adaptations in its operation schedule, raw material planning, logistics, product despatch and marketing arrangements, FACT could minimise the impact of COVID-19.

Negative net worth, accumulated losses, logistic constraints and the vintage of plants continues to be the major concern for the Company. Another area of concern is the volatility of prices of fertilizer inputs. Once the Financial Restructuring, which is under the consideration of Government of India, is implemented, the accumulated loss would be wiped out and net worth become positive. On implementation of CAPEX projects, infrastructure bottleneck can also be addressed.

PAN India Operation

During the financial year 2019-20 FACT has extended fertilizer marketing operations to PAN India, enlarging marketing network to West Bengal, Odisha, Maharashtra and Gujarat. The Company expects to show the presence of FACT in these States during the financial year 2020-21.

Restart of Caprolactam

Successful trial run of the Caprolactam plant, which was in shut down conditions during the last eight years, was completed. The Company

expects to restart Caprolactam operation during the financial year 2020-21, which may add ₹500 crore annually to the top line of the Company.

Coastal Shipping

FACT has started using coastal shipping as a new mode of transport for the movement of fertilizers to the east and west coasts of the Country. A total of 20 Containers of Ammonium Sulphate has been despatched to Haldia Port to distribute to the farmers of West Bengal. The shipping of fertilizers through sea route shall ease the pressure of movement of fertilizers by rail and road to a great extent. During the tough time of COVID-19 Pandemic, coastal shipping shall also help to ensure regular supply of fertilizers to farmers in coastal States.

CAPEX Projects

FACT has finalised CAPEX worth ₹608 crore for sustainable operations of the Company in the long run and to consolidate the existing business. These projects include 1650 MT per day fertilizer project, setting up of new Ammonia, Sulphuric Acid / Phosphoric Acid tanks, Barges for transportation of Ammonia etc.

Environmental clearance has already been obtained for the major projects. Due to outbreak of COVID-19, FACT could not finalise the tender proceedings. The Company expects to complete the projects by the year 2022.

Corporate Governance

FACT is committed to protect the interest of all Stakeholders, such as investors, Employees, Customers, Suppliers, Bankers, the Central and State Governments and the community by ensuring transparency in all aspects of the Company.

Your Company is committed to comply all directives and guidelines of Government and statutory authorities relating to corporate governance. The philosophy of the Company in relation to Corporate Governance is to ensure transparency, disclosure and reporting that conforms to the provisions of Companies Act 2013, SEBI (LODR) Regulations 2015 and all other applicable laws and regulations. The Company is also complying the guidelines issued by Department of Public Enterprises.

Acknowledgement

I hereby place on record my sincere thanks to my colleagues on the Board of Directors for their advice and support, the Officers' Forums, the Trade Unions and all employees of the Company for their dedicated efforts and unstinted support for overcoming various challenges facing the Company and for their contribution for the revival and sustainable growth of FACT. I must also thank the various departments of Government of India, in particular the Department of Fertilisers for their support and cooperation.

I also express my sincere thanks to all other stake holders like farmers, suppliers, buyers, contractors, banks, shareholders, auditors, dealers and the general public for the trust they have been reposing on us.

ADDENDAM TO DIRECTORS REPORT

(Clarification in respect of qualification of Statutory Auditors)

Auditor's Qualification	Management Reply
<p>Regarding the sale of land and conversion of lease hold to free hold land to the Company, though the Government of Kerala (GoK) has accorded freehold right to the Company over 143.22 acres of land, the Company is yet to receive freehold title. According to the Company, the fair value of the non-monetary asset of freehold title of the land converted as required under IND AS 16-Property Plant and Equipment and the consequent revenue cannot be recognized at this stage, not quantified. In view of this, Auditors are unable to comment on the compliance of the said Ind AS and the impact there of on the financial statements.</p>	<p>The Audit Qualification is relating to sale of land to Government of Kerala as per the decision of the Union Cabinet. Statutory Auditors have not quantified the Impact of Audit Qualification.</p> <p>FACT has complied with the directive of the Union Cabinet on sale of land and received the consideration also. The observation is relating to conversion of 143.22 acres of leasehold land held by the Company to freehold. Pending issue of title deed and other formalities in connection with conversion, Company continues the classification of said land as leasehold land. Since there is no change in the status of the land, as per the books of the Company, the Compliance of IND AS does not arise.</p>

ANNEXURE TO DIRECTORS' REPORT

Particulars Required under Rule 8 (3) of Companies (Accounts) Rules 2014

A. Conservation of Energy

(i) Steps taken or impact on conservation of energy

National Motor Replacement Programme.

The National Motor Replacement Programme (NMRP), which is a flagship programme of the Bureau of Energy Efficiency (BEE) under the Energy Conservation Act 2001, is being implemented in FACT-Cochin Division, under which the old motors are being replaced with energy efficient motors. During the year 2019-2020, 60 energy efficient motors have been used for the replacement of the old inefficient motors. The net savings in the energy is 1,79,865 units which amounts to ₹10,16,238/-.

Change in Fuel

In Sulphuric Acid Plant, Start up Fuel was changed to Regasified Liquefied Natural Gas (RLNG) from Kerosene and in Petrochemical Plant, Pollution Control, and in Waste heat recovery Purge Incineration Boiler Fuel was changed to RLNG from LPG. In Hyam Plant and Anone Plant also the fuel was changed to RLNG from LPG. The change in fuel has resulted in considerable savings in energy.

Installation of Oxygen Analyzer

Oxygen analyzer was installed in RLNG fired heater in Ammonia Plant for improving the thermal efficiency.

Replacement of old Gas Discharge Tubes

Replacement of old Gas Discharge Tubes and Fluorescent tube lights in FACT-Cochin Division has been done in phased manner and the net savings in energy is 55,300 units. This amounts to a savings of ₹ 2,98,620/-

B. Technology Absorption

i. Efforts made

1. Installation of new oxygen analyzer in RLNG heater's flue gas stack in Ammonia complex to optimize RLNG consumption. It was commissioned on 16.10.2019.
2. 550 TPD Sulphuric acid plant changed over its fuel from kerosene to the clean energy fuel – RLNG for startup and shutdown activities.
3. Preheating of converter's third catalyst bed in 600 TPD Sulphuric acid plant, by introducing 1-3 catalyst bed bypass.
4. Certification of ISO 50001:2018 in FACT UC – Ammonia Complex, becoming the first public sector fertilizer company among the BEE selected companies to achieve this feat.
5. Fuel conversion from furnace oil to RLNG in 150 TPD and 300 TPD Ammophos plants is in progress.

ii. Benefits derived

- Since the commissioning of oxygen analyzer in RLNG heater's flue gas stack in Ammonia plant on 16.10.2019, the RLNG consumption was reduced by optimizing the air flow, resulting in energy saving of 0.002 GCal/MT of Ammonia.
- On changing over from Kerosene to RLNG for startup and shutdown activities, fuel consumption in 550 TPD Sulphuric acid plant has been reduced, since natural gas has a higher calorific value. Being a green fuel, pollutant concentration in gaseous emission has been minimized.
- On introducing 1-3 bypass for preheating the converter's third catalyst bed in 600 TPD Sulphuric acid plant, the fuel consumption was brought down by 15% since third catalyst bed achieved its desired temperature much quicker than usual.

iii. Imported technology

No technology has been imported during the Financial Year 2019-2020.

iv. The major activities of Research & Development

- Low Grade Rock Phosphate Characterization Studies for Phosphoric Acid Production: Presently, Rock Phosphate with Phosphate content of around 30-32% P₂O₅ is used in the production of Phosphoric Acid. Lab scale Studies are being undertaken for partially replacing high grade rocks used in the Phosphoric Acid manufacturing units with low grade rock phosphate.
- Research and Development (R&D), monitoring the quality of Finished Chemical Fertilizers both in manufacturing unit and in field godowns, distributors and dealers for evaluating the quality as per the direction of Ministry of Agriculture, Government of India.
- Research and Development is engaged in Testing and Certification of Rock Phosphate (RP) and Single Super Phosphate (SSP) samples in connection with Technical audit of SSP Manufacturing Units in all southern states and Maharashtra.
- Research and Development (R&D) produces Bio Fertilizers such as Rhizobium, Azospirillum and Phosphate Solubilizing Bacteria (Phosphobacter) from its 150TPA plant.
- R&D imparts Project guidance to B.Tech, M.Tech, M.Sc Biotechnology, Micro Biology and Chemistry Students as part of their curriculum requirement.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Development

The Fertilisers And Chemicals Travancore Limited (FACT) was incorporated in 1943. In 1947, FACT started production of Ammonium Sulphate with an installed capacity of 10,000 MT per annum at Udyogamandal, near Cochin. In the year 1960, FACT became a Kerala State PSU and on 15th August, 1962, Government of India became the major shareholder.

From a modest beginning, FACT has grown and diversified into a multi-division/multi-function Organisation with basic interest in manufacture and marketing of Fertilisers and Petrochemicals, Engineering Consultancy and Design and Fabrication and Erection of Industrial Equipments.

FACT's mission is to be a significant player in Fertilisers, Petrochemicals and other business such as Engineering and Technology services.

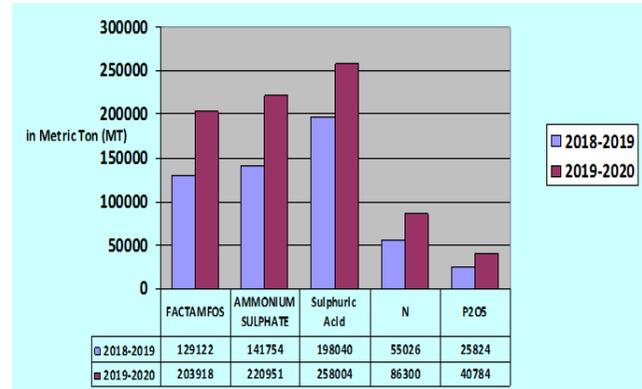

FACT's objectives are:

- To produce and market Fertilisers & Caprolactam and other products efficiently and economically, besides achieving a reasonable and consistent growth.
- Turnaround of the CPSE by all efforts.
- To effectively manage the assets and resources of the company to ensure a reasonable return on investment
- To focus on cost reduction and technology upgradation in order to become competitive in its line of business.
- To constantly innovate and develop new products and services to satisfy customer requirements.
- To invest in new business lines, where profit can be made on a sustainable basis over the long term.
- To provide services to the farming community by organizing technical training, soil testing and other productivity improvement services in agriculture.

Performance highlights during the Year 2019-20

a. Udyogamandal Complex:

Fertilizer Units: During the year 2019-2020 Udyogamandal Complex produced 203918 MT of Factamfos, (NP 20:20:0:13), which is 137.32% of the installed capacity and 131.56% of MoU target. Ammonium Sulphate production during the year 2019-2020 was 220951 MT, which is 98.20% of the installed capacity and 122.75% of MoU target. During the financial year 2018-19 production of Factamfos and Ammonium Sulphate were 129122 MT and 141754 MT respectively.

Nutrient wise production during 2019-2020 was 86300 MT of N against MoU target of 68080 MT and 40784 of P₂O₅ against MoU target of 31000 MT.

The Annual production of Sulphuric Acid for the year 2019-2020 was 258004 MT, it is all time highest production surpassing the previous record of 255170 MT in financial year 2000-01.

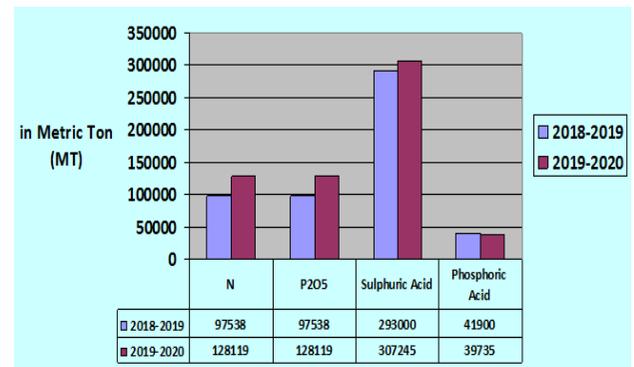

Petrochemical Unit: The phase II trial run of Petro Plant was carried out in July-August 2019. During the trial run 232.137 MT cyclohexane and 81.68 MT Anone were produced. Phase III trial run was carried out in October – November 2019. During the trial run, 282 MT of Hyam Sulphate, 16.09 MT Nitric Acid, 1.5 MT Colored Ammonium Sulphate and 22 MT Soda Ash were produced.

During the year 2019-2020 198890 MT of Ammonium Sulphate liquor was produced through Direct Neutralization process in Petrochemical unit for the production of Ammonium Sulphate

b. Cochin Division:

During the financial Year 2019-2020, Cochin Division produced 128119 MT each of nutrient nitrogen and nutrient P2O5, which is 132.08% of the installed capacity and 125.61 % of the MOU target. This achievement in production is an all time high.

During the year 2019-2020, the division produced 307245 MT of Sulphuric Acid and 39735 MT of Phosphoric Acid as compared to 293000 MT of Sulphuric Acid and 41900 MT of Phosphoric Acid in the year 2018-19.

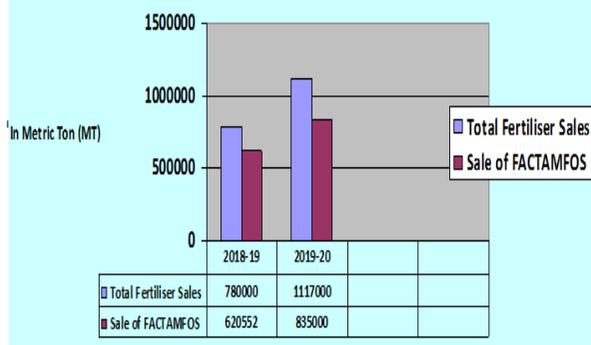

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Marketing Division:

During the financial year, 2019-20, the Company had achieved sale of 11.17 lakh MT of fertilisers as compared to the previous year sale of 7.8 lakh MT. Out of this, 8.35 lakh MT of Factamfos sales was the most appreciated achievement of the year, which is the highest among the last 19 years. The sale of Ammonium Sulphate during the year was 2.35 lakh MT as compared to 1.37 lakh MT during the previous year.

Fertilisers vs Factamfos

During the Financial Year 2019-2020, the Company had imported 27300 MT of 16:16:16.

During the Financial Year 2019-2020 the Company expanded the fertiliser marketing areas to the states of Maharashtra & West Bengal, as first step towards PAN INDIA operation The Company is in the process of establishing dealer network and its brand image in the states of Odisha and Gujarat.

FACT Engineering and Design Organisation (FEDO):

During the year 2019-2020, FEDO focused on major jobs of external clientele and achieved substantial progress in completion of major jobs in the spectrum of design, engineering, procurement and inspection fronts as well as in the Projects & Constructions.

The turnover of FEDO for the year 2019-2020 was ₹ 16.82 crore as against ₹ 22.69 crore in 2018-19. During the year 2019-2020 FEDO received new orders for a value of ₹ 11.80 crore as compared to ₹ 14.75 crore during the year 2018-19.

FACT Engineering Works (FEW) :

The turnover of FEW for the financial year 2019-2020 was ₹16.71 crore as against ₹10.93 crore during the financial year 2018-19. During the financial year 2019-2020, FEW has bagged orders worth ₹ 25.34 crore compared to ₹13.74 crore during the year 2018-19.

During the Financial Year 2019-2020, FEW could bag an order worth ₹ 1 crore from M/s Mangalore Refinery & Petro Chemicals Ltd (MRPL).

There is steady demand from the process industry for pressure vessels and heat exchanges for replacement as well as for capacity expansion. BPCL-Kochi Refinery has now gone through major expansion, with substantial potential for business for FEW. The shipping sector is also now on the path of resurgence. FEW is charting out plans for associating with Cochin Shipyard Limited, with a prospect to achieve more orders. FEW is already in the field of fabrication of barges for inland cargo transportation, which is a new area for FEW's development. Construction of new self-propelled barge of high capacity for ammonia transportation for FACT is scheduled in the year 2020-21. FEW has already done various critical jobs to The Indian Space Research Organisation (ISRO).

Steps taken by FACT to tide over the crisis of COVID-19

In the wake of growing concern all over the world on COVID-19 pandemic and the lockdown announced emphasising social distancing by the Central and State Governments, company has taken urgent steps to minimise the impact on its operations, with a special focus to Manpower safety.

For a continuous process industry like FACT, sudden changes in the operating environment can have severe impact on operations and overall performance. By making suitable adaptations in operation schedule, raw material planning, logistics, product despatch and marketing arrangements, FACT could minimise the impact of COVID-19.

A. Impact of the COVID-19 pandemic on the business;

Ministry of Home affairs, Government of India has given certain exemption in lockdown conditions to continuous process industries and industry in Priority Sector. FACT is in the category of continuous process industry and is in Priority Sector.

All plants of FACT has started operations in a phased manner.

Even with all restrictions, Company could perform reasonably well on production and marketing fronts during the months of March, April and May 2020.

One area where the COVID has impacted FACT to some extent is the Annual Maintenance of its operating plants. Normally, annual maintenance of production units are planned during April - May period. This year, availability of skilled man-power and material, especially the service of Original Equipment Manufacturers from outside the state and availability of material ordered on parties from other states were major constraints. Some of the maintenance works were delayed on account of this and some are postponed for the next year. This may have an impact in the reliability of plants for maintaining maximum production in the coming months. Essential maintenance works in all the fertilizer plants were completed utilising in-house technical expertise by second half of May 2020.

B. Ability to maintain operations including the factories/units/ office spaces functioning and closed down

All employees of the Company are being advised to take precautionary measures at their work place. The Company is

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

adhering all directions in the guidelines /notification/ orders/ advisories, regarding the safety, issued by the Central and State Governments.

The company expects to maintain normal operations in all Divisions / Units during the year 2020-21.

Shortage of labour for bagging and loading of finished products and movement restriction for essential manpower & materials were the major problems faced during the initial stages of lockdown. On announcement of country wide lockdown, Company had to curtail manufacturing operations during second half of March 2020, considering the shortage of labour for bagging & loading and road / rail movement limitations.

Subsequently, when there was improvement in labour and rail wagon availability, Company could start operations and start dispatching fertiliser through rail wagons. Dispatch of the finished product is carried out with close coordination with railways avoiding stock build up in plants and meeting the requirements at various destinations. Road dispatch of Fertilisers to different destinations were also started.

C. Steps taken to ensure smooth functioning of operations;

The Company has put in place strict monitoring process for ensuring the following

- All guidelines and instructions issued by Central and State Governments were implemented in its letter and spirit
- Awareness posters displayed at all major locations in factory premises, Townships and nearby locality.
- Hand wash and Sanitisers are made available at all offices, plants, entry / exit points etc. Masks given to employees / officials on duty.
- Visitors are restricted at all points.
- Thermal screening of employees is done on a daily basis at major points & travel history is noted in support with a hospital.
- Special pass arranged for essential crew for travel during lockdown period.
- Special permission from district administration was taken for material movement
- Non-essential staff are allowed to work from home.
- For smooth operations during and after the lockdown, prepared an SOP for safe operation, in line with directives from Government & Health department.
- Advised employees to download Aarogyasethu App.

D. Estimation of the future impact of COVID-19 on operations

FACT is engaged in the manufacturing and manufacturing of Fertilizers, which is an essential input for Agriculture. Central and State Governments are giving top most priority on agriculture activities during COVID-19 situation also. The company expect to continue the normal operations and does not expect any impact of COVID-19 in its normal operations.

Due to COVID-19, there may be some delay in implementation of the CAPEX projects of the company.

E. Details of impact of COVID-19 on Company's Capital and Financial Resources

Capital and Financial resources of the company has not been affected due to COVID-19 till date. The company does not expect any impact on the Financial and Capital resources due to COVID-19.

F. Profitability

The company has finalized an ambitious production and marketing plan. The COVID-19 does not have any impact on the supply of raw material and marketing of finished products. Therefore, the company expects some improvement in the profitability from operations during the financial year 2020-21 as compared to the financial year 2019-20.

G. Liquidity

Liquidity position of the company is comfortable. At present the company is not utilizing any loan from Banks and financial institutions for working capital. Entire sales of FACT is on cash and carry basis. In view of the above, the company expects a comfortable liquidity position throughout the financial year 2020-21.

H. Ability to service debt and other financing arrangements

As on date major debt of FACT is the principal and interest due on Government of India loan. FACT has submitted a financial restructuring package to Government of India seeking approval for write off of Government of India loan interest and conversion of a portion of Government of India loan into equity and conversion of balance loan as interest free Government of India loan repayable in 10 annual instalments starting from the financial year 2021-22. The company expects a favourable decision in this regard from the Government of India.

I. Assets

COVID-19 do not have any impact on any of the Assets of the company.

J. Internal Financial Reporting and Control

COVID-19 do not have any impact on Internal Reporting and Control.

K. Supply Chain

The company does not expect any obstructions in the supply chain.

L. Demand for product

The company expects some improvement in the demand for its products during the financial year 2020-21.

M. Existing Contracts and Agreements

Company can fulfill all existing contracts and arrangements.

Opportunities & Threats

Opportunities

- ❖ Premium product in the complex fertilizer segment containing Sulphur
- ❖ Extensive Marketing network in Southern India
- ❖ Substantial infrastructure facilities

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

- ❖ Operational efficiency and high capacity utilisation of plants.
- ❖ Scope for expansion and diversification
- ❖ Availability of land resources for generating additional revenue
- ❖ Availability of RLNG at Kochi

Threats

- ❖ High interest on Government of India Loan
- ❖ Volatility in the prices of raw materials and feedstock.
- ❖ Exchange rate variations
- ❖ Over dependence on import of raw materials and the logistics

Segment-wise or Product-wise Performance

Details of Unit-wise/Product-wise performance is furnished separately in the Annual Report.

Risk and Concern

- Lack of level playing field in the price of RLNG/LNG
- Non-operation of Caprolactam plant due to economic reason
- High fixed cost
- Lack of adequate infrastructure facilities
- Old vintage plants

Key Financial Ratios

Key financial ratios of the Company for the financial year 2018-19 and financial year 2019-2020 are given below.

Public procurement policy of Micro and Small Enterprises (MSEs) Order 2012

During the financial year 2019-2020, the Company has procured material worth ₹ 106.86 crore from MSEs. Most of the feed stocks and Fertiliser inputs procured by FACT are not available with the MSEs.

Company is giving priority to Micro and Small Enterprises for procurement as per directives issued by the Government of India from time to time.

FACT is registered with TReDs platform of Receivable Exchange of India Limited (RXIL) a joint venture by SIDBI and NSE for providing bills discounting facilities to MSMEs.

Pollution Control Activities

All Fertiliser Plants in Udyogamandal Complex and Cochin Division are certified for ISO 14001:2015, which always gives top priority to ensure clean air and better living environment to the inhabitants in and around the factory.

The effluent treatment plant and emission control facilities are kept in operation along with the plant throughout the year. Treated effluent and gas emissions discharged from plants conform to the standards prescribed by the Kerala State Pollution Control Board.

As per directions from Central Pollution Control Board (CPCB) and Kerala State Pollution Control Board (KSPCB), continuous online monitoring and web uploading are in progress. All analyzers as per guidelines have been installed and the parameters are uploaded in KSPCB & CPCB websites.

FACT Cochin Division could maintain all effluent parameters within limits as specified by the statutory authority during the year. As per an agreement between FACT and Kerala Enviro Infrastructure Limited (KEIL), the accumulated stock of hazardous wastes viz., spent V205 catalysts was sent to KEIL for final disposal. As directed by Kerala State Pollution Control Board, the uploading of SO₂ emission data from Sulphuric Acid plant stack of CPCB website is continuing. In addition to the above, the data regarding pH and flow of the effluent let out & Ammonia from NP Plant (A&B streams) are also being uploaded on the website of CPCB/KSPCB.

Construction of gypsum stack as directed by CPCB guidelines was completed in December 2019.

Awards and recognitions

1. FACT Cochin Division has bagged the Award for Outstanding Safty Performance "Sreshta Suraksha Puraskar" In Very large Factories category from National Safety Council, Kerala Chapter (NSC-KC)
2. FACT Cochin Division secured First price in All Kerala Safty Quiz Competition organized by National Safety Council, Kerala Chapter.
3. FACT Cochin Division has bagged Award for Best Statutory Safty Officer from Department of Factories and Boilers for Outstanding Performance in Industrial Safty
4. During the financial year 2019-2020 Company has secured Award for Best Statutory Welfare Officer from Department of Factories and Boilers for Outstanding Performance.

Roadmap for sustainability

Union Cabinet has accorded approval for CAPEX worth ₹ 608 crore for implementing essential capital jobs with a view to enhance the reliability of production plants and compliance with changing statutory requirements. Company also plans to invest in critical renovation and modernizing schemes for debottlenecking raw material and product handling facilities. The main capex projects under the consideration of the Company are as follows.

- ✓ 1650 TPD Factamfos plant at FACT Cochin Division at Ambalamedu
- ✓ Additional Ammonia Storage facility at Cochin Division at Ambalamedu
- ✓ Two Additional Phosphoric Acid storage facility (8500 MT each) at Willingdon Island

- ✓ Two Additional Sulphuric Acid storage facility (5000 MT) at Cochin Division
- ✓ Construction of New barge for transportation of Ammonia
- ✓ Reconstruction of South Coal Berth at Cochin Port Trust
- ✓ Developing Bio-enriched organic manure as per FCO specification

Outlook for the future

The Financial Restructuring proposal submitted by the Company is under the consideration of Department of Fertilisers. The Company expects an early implementation of the same.

The Company is planning to restart its Caprolactam operations during the financial year 2020-2021. The Company is having an ambitious plan for trading of Fertilisers.

Setting up of 1650 TPD Factomfos plant and implementation of the CAPEX may result in increase the fertiliser production of the Company from 10 lakh MT to 14 lakh MT and the turnover will increase from ₹ 2800 crore to ₹5000 crore by the year 2024-25, with a continuous profit of ₹ 250 to 300 crore per annum

Implementation of the Financial Restructuring along with the Capital projects would result in turn around the Company in the near future.

3. As explained in note number 1.2.2 and 34 regarding sale of land and conversion of leasehold to freehold land to the Company, though the Government of Kerala (GoK) has accorded freehold right to the Company over 143.22 acres of land, the Company is yet to receive freehold title. According to the Company, the fair value of the non-monetary asset of freehold title of the land converted as required under Ind AS 16-Property Plant and Equipment and the consequent revenue cannot be recognised at this stage, not quantified. In view of this, we are unable to comment on the compliance of the said Ind AS and the impact thereof on the financial statements. (Refer note # 1.2.2 and 34)
4. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under

those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the standalone financial statements.

Going Concern

5. We draw attention to Note # 54 of standalone financial statements. The Company has accumulated loss amounting to ₹1,21,353 lakhs (previous year ₹2,18,532 lakhs) with a negative net worth of ₹49,143 lakhs (previous year ₹1,47,226 lakhs). However, the Company has reported net profit of ₹97,552 lakhs during the year and in previous year of ₹16,269 lakhs. The Company has a balance under current assets of Cash and Cash Equivalents and Other Bank balances of ₹66,717 lakhs (previous year ₹7,467 lakhs) as at year end. The net current assets as at year end is ₹13,234 lakhs (previous year ₹11,026 lakhs). These conditions indicate that there is nouncertainty which may cast doubt as to the Company's ability to continue as a going concern. The standalone financial statements of the Company have been prepared on going concern basis.

Our opinion is not modified in respect of this matter.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

- 6.1. **Accounting of subsidy income from Government of India under DBT Scheme**

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Under Direct Benefit Transfer (DBT) scheme of Government of India(GoI), the Company is entitled to receive subsidy only upon sale of fertilizer by the dealer to the ultimate beneficiary through Point of Sale (PoS) devices. However, the Company continues to account subsidy as income at the time of sale to dealers as in the earlier scheme, considering the reasonable certainty that the sale will take place and subsid will be received based on the industry practice and past experience. Refer Note #26 to the standalone financial statements..

Auditors' Response

Our principal audit procedures included the following:

- Analysed the scheme framed by the Department of Fertilizers (DoF) notified through Notification F. No. D(FA)/2016/DBT dated March 17, 2017.
- Reviewed the agreement with dealers.
- Performed analytical review procedures on the subsidy claim lodged by the Company from the inception of the DBT scheme and subsidy accounted by the Company.
- Analysed post Balance Sheet sales through PoS devices in Integrated Fertiliser Management System (iFMS) to assess the sales trend.
- Verified industry practise for accounting of subsidy income in post-DBT period.
- Compliance with Ind AS 20 on 'Accounting for Government Grants and Disclosure of Government Assistance'.

6.2. Purchase of raw material from single vendor without tender

The Company has been importing raw materials from a single vendor without inviting tender. During the year, the Company has purchased Rock Phosphate for ₹10,943 lakhs (previous year ₹16,906 lakhs) and Phosphoric Acid for ₹ 67,398 lakhs (previous year ₹ 53,692 lakhs). There is no inter-governmental agreement or memorandum of understanding by the Company with the supplier. According to the Company, the party is providing the materials of required quality at the price for the Indian Market and the Company can procure entire quantity only from the present supplier.

Auditors' Response

Our principal audit procedures on the transaction included the following:

- Evaluated the internal controls relating to import of raw materials.
- Verified the purchase documents, receipt of material and consumption thereof on the selected sample.
- Ensured there is no major rejection of material.
- Compared the import price with indigenous price during the previous year in the absence of any indigenous purchase during the year.
- Compared the price in the international market with that of Company's purchase price.
- Import purchase is from a foreign government owned Company.

- Verified the pattern of purchase in earlier years.
- Company's efforts to enter into a government to government agreement for sourcing the material.
- Brought to the notice of those charged with governance.

Emphasis of Matter

7.i. We draw attention to Note # 18.1 of the standalone financial statements regarding variance in interest provision of ₹28,178 lakhs (previous year ₹28,178 lakhs) on the GoI loans in the Company's books as at the end of the previous year, which is higher as compared to the provisional working of the DoF, GoI which is pending for reconciliation and confirmation and consequent adjustments, if any, thereof.

ii. We draw attention to Note # 39 of the standalone financial statements regarding non-compliance of Ind AS 116 on 'Leases' applicable from the year under audit in the absences of agreed tenure and other terms of lease in writing, continuing the practice as in earlier years.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the standalone financial statements by the Directors of the Company, as aforesaid.

9. In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
 - Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

11. We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Other Matter

14. We did not audit the financial statements of four areas comprising marketing offices of the Company included in the financial statements of the Company, whose financial statements reflect total revenue of ₹2,02,286 lakhs (previous year ₹1,37,953 lakhs) for the year ended on that date, as considered in the standalone financial statements and total assets not quantifiable in the absence of certified trial balance of the areas as at March 31, 2020. The Company has submitted certain "financial schedules" only which have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the standalone financial statements, in so far as it relates to the amounts and disclosures included in respect of these areas and our report, in so far as it relates to the aforesaid areas, is based solely on the reports of other auditors.

Our opinion on the standalone financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters, with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management, except on the scope limitation reported by other auditors due to non-provision of the trial balance of the area audited by them and their inability to ensure the correctness of the financial schedules due to this.

Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

16. Based on the verification of books of account of the Company and according to information and explanations given to us, we give in "**Annexure B**" a report on the directions/ additional sub-directions issued by the Comptroller and Auditor General of India in terms of section 143(5) of the Act.
17. As required by Section 143(3) of the Act, we report that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and returns generally adequate for the purpose of our audit have been received from the units/ marketing offices not audited by us.
 - The reports on the accounts of the four areas of the Company audited under Section 143(8) of the Act by other auditors have been given to us and have been properly dealt with by us in preparing this report.
 - The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flows Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account and with the returns received from four areas not audited by us, subject to the scope limitation by other auditors.
 - In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015.
 - Being a government company, the provisions of sub section (2) of Section 164 of the Companies Act, 2013 is not applicable.
 - With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure C**".
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements (Refer Notes #46 to #49)
 - The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company, where applicable.
18. Being a Government Company, the provisions of section 197 of the Act with respect to the matters to be included in the Auditor's Report is not applicable.

Annexure A to the Independent Auditors' Report

(Referred to in paragraph 15 under 'Report on Other Legal and Regulatory Requirements' section of our report)

- i. In respect of the Company's fixed assets:
- (a) The Company has maintained generally proper records showing the particulars including quantitative details except situation of fixed assets and impairment losses.
 - (b) The fixed assets have been stated to be physically verified by the Management during the year and are not observed by us. However, the physical verification procedure needs to be strengthened. As explained to us, no material discrepancies were noticed on such physical verification.
 - (c) In our opinion and according to information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds/ registered sale deeds of immovable properties included in fixed assets, we report that, out of the 1499 acres (previous year 1980 acres) of land held by the Company, we have been informed that the original title deeds of immovable properties of 766 acres (previous year 1179 acres) of land are submitted to District Court, Ernakulam, pledging 80 acres (previous year 80 acres) of land as a security against claim of a contractor (Refer Note number 1.2.1 to the standalone financial statements), title deeds of 484 acres (previous year 553) of land is pledged with Banks as security against credit facilities sanctioned (Refer Note number 21 to the standalone financial statements) and 145 acres (previous year 145 acres) of land is under lease (Refer Note number 1.2.1 to the standalone financial statements). We have not verified the documents in this regard as is not made available for our verification. We have verified the original title deeds of 41 acres (previous year 41 acres) of freehold land and are in the name of the Company. Further, title deeds in respect of the following freehold and leasehold immovable properties are not held in the name of the Company.
- | Particulars | Extent of land
(in acres) | Gross Block as at
March 31, | | Net block as at
March 31, | |
|----------------|------------------------------|--------------------------------|------|------------------------------|------|
| | | 2020 | 2019 | 2020 | 2019 |
| | | (₹ in lakhs) | | | |
| Freehold land | 48.49 | 513* | 513* | 513* | 513* |
| Leasehold land | 14.26 | -** | -** | -** | -** |
- *As provided by Management (Refer Note number 1.3 to the standalone financial statements).
 **The lease deed executed by the Company was expired and no fresh deed is executed till date, though the Company continues to occupy the land and pay lease rentals (Refer Note number 1.2 to the standalone financial statements)
- ii. In respect of the Company's inventories:
- (a) The inventories have generally been physically verified by the Management as at year-end. In our opinion, the frequency of verification needs to be improved.
 - (b) In our opinion and according to the information and explanations given to us, the procedure of physical verification of inventories followed by the Management is reasonable and adequate in relation to the size of the Company and the nature of its business.
 - (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of inventories. As explained to us, no material discrepancies were noticed on such physical verification except in the case of sulphur, rock phosphate, gypsum and have been properly dealt with in the books of account.
- iii. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered under register maintained under section 189 of the Companies Act, 2013 ("the Act"), except the interest free advances in the nature of loans doubtful of recovery, of ₹3,841 lakhs (previous year ₹ 3,819 lakhs) to a joint venture company (Refer Note number 6). Being an interest free advance doubtful of recovery given to a joint venture company, we are unable to comment whether the terms and conditions of the loan is prejudicial to the interest of the Company or not.
- iv. According to the information and explanations given to us, there are no loans, investments, guarantees and securities given in respect of which provisions of section 185 and 186 of the Act are applicable including the amount due from the joint venture company.
- v. According to the information and explanations given to us, the Company has not accepted any deposits from public. Therefore, the provisions of clause (v) of paragraph 3 of the Order are not applicable to the Company.
- vi. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 prescribed by the Central Government under section 148(1) of the Act and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.
- vii. According to the information and explanations given to us and records of the Company examined by us, in respect of statutory dues:

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Annexure C to the Independent Auditors' Report

(Referred to in paragraph 17 (g) under 'Report on Other Legal and Regulatory Requirements' section of our report)

REPORT ON THE INTERNAL FINANCIAL CONTROLS

Under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **The FERTILISERS AND CHEMICALS TRAVANCORE LIMITED** ('the Company') as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ('the Act').

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the

reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, reasonably adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting need to be strengthened as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on 'Audit of Internal Financial Controls Over Financial Reporting' issued by the ICAI. However, we are unable to comment on the adequacy of internal financial controls over financial reporting on two out of four marketing areas, in the absence of any specific reporting by the other auditors of these areas.

Principal Director of Audit
(Agriculture, Food and Water Resources)**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED (Standalone) FOR THE YEAR ENDED 31 MARCH 2020**

The preparation of financial statements of THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED (Standalone) for the year ended 31 March 2020 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act, are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the Standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their **Audit Report dated 25.06.2020**.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under section 143(6)(a) of the Act of the financial statements of The Fertilisers and Chemicals Travancore Limited for the year ended 31 March 2020. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and company personnel and a selective examination of some of the accounting records. Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

A. Comment on Financial Position**Balance Sheet****Other Intangible Assets (Note-1B) ₹ 110.64 lakh**

The above is understated by ₹42.06 lakh due to non-inclusion of value of software work completed during the year. The work of SAP migration and up-gradation was completed on 12 February 2020. However, Company did not capitalize related charges of ₹42.06 lakh during the year payable to vendor.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

This has resulted in understatement of other intangible Assets by ₹40.93 lakh and amortization by ₹1.13 lakh. Consequently, profit for the year is also overstated by ₹1.13 lakh and current liabilities understated by ₹42.06 lakh.

B. Comment on Disclosure

Notes to Standalone Financial Statements

Estimated amount of contracts remaining to be executed on capital account and not provided for (Note-50): ₹1347.08 lakh

The above is overstated by ₹294.65 lakh due to inclusion of :

- (i) ₹24.59 in respect of M/s.Agilent Technologies India Pvt Ltd. The related work already completed before 31 March 2020 and liability was provided for the value of work done.
- (ii) ₹135 lakh in respect of M/s.Bharat Heavy Electricals Limited. The related work already completed before 31 March 2020 and liability was provided for the value of work done.
- (iii) ₹135.06 lakh in respect of M/s.Sify Technologies Limited. Out of this, work valuing ₹42.06 lakh was completed before 31 March 2020. Remaining ₹93 lakh being in the nature of maintenance contract should be disclosed under the head other commitments instead of contracts remaining to be executed on capital account and not provided for

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

A Statement of Significant Accounting Policy forming part of Financial Statements for the Year ended 31st March 2020

1. Corporate Information

The Company is a public limited company having registered office located at Eloor, Udyogamandal, Ernakulam 683501, Kerala. Its shares are listed in National Stock Exchange India Limited.

2. Basis for preparation of financial statements

The standalone financial statements of the Company have been prepared in accordance with accounting standards prescribed under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules as amended and other relevant provisions of the Act.

The standalone financial statements have been prepared under the historical cost and on accrual basis, except for the following: -

- Certain financial assets and liabilities measured at fair value
- Certain provisions recognized using actuarial valuation techniques
- Non-current assets classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

The standalone financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lakh (₹ 00,000), except when otherwise indicated.

3. Significant Accounting Policies

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. Differences between estimates and actuals are recognized in the period in which they materialize.

i) Property, Plant and Equipment

- a) All Property, Plant and Equipment are stated at acquisition cost less accumulated depreciation / amortization and cumulative impairment.
- b) Land purchased/acquired and under the possession of the company are treated as free hold land.
- c) Technical know-how / license fee relating to plant / facilities are capitalized as part of cost of the underlying asset.
- d) Income approach is adopted for accounting Government grants related to depreciable Property, Plant and Equipment. Grants utilized for acquisition of depreciable Property, Plant and Equipment are treated as Deferred Government Grants and the same is recognized in the Statement of Profit and Loss on a systematic and rational basis over the useful life of the assets.
- e) Spares costing (Unit value of ₹10 lakh and above), and other components which are required to be replaced at intervals, meeting the recognition criteria, have been classified as Plant and equipment and are depreciated separately based on their specific useful lives.
- f) The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.
- g) Revenue expenses exclusively attributable to projects incurred during construction period are capitalized. However, such expenses in respect of capital facilities being executed along with production / operation simultaneously are charged to revenue.

Financing cost incurred during construction period on loans specifically borrowed and utilized for projects is capitalized upto the date of capitalization.

Financing cost, if any, incurred on general borrowings used for projects is capitalized at the weighted average cost. The amount of such borrowings is determined after setting off the amount of internal accruals, if any.

Depreciation

Depreciation is charged on Fixed Assets based on the useful life of assets, prescribed under the Schedule II of the Companies Act 2013. The Company has adopted Straight Line method of depreciation for all the categories of assets, acquired on or after 01st April 2014.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Effective from 1st April, 2014, the Company has reassessed the useful life of its existing fixed assets (considering component approach wherever necessary) and has charged depreciation over the remaining useful lives, after retaining residual value, in accordance with the transitional provisions contained in the Schedule II of the Companies Act 2013.

Residual value of 5% has been retained for all the Fixed Assets, which is in line with the provisions of the Schedule II.

Depreciation is charged @ 100% on the assets with acquisition value of less than ₹ 5,000/-, the value being immaterial, considering the size and nature of the business of the Company.

Impairment

An asset is treated as impaired when the carrying amount of assets exceeds its recoverable value. Impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. When the recoverable amount of previously impaired assets exceeds its carrying amount, the value of asset is reinstated by reversing the impairment loss considered in prior years limited to lower of its recoverable value or carrying amount at the depreciated historical cost.

Capital Stores

Capital stores are valued at cost. Specific provision is made for likely diminution in value, wherever required.

Exemption Availed Under Ind AS 101

On transition to Ind AS, Company has elected to continue with the carrying value of all its property plant and equipment existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the property plant and equipment.

ii) Capital Work In Progress

Projects under which Property, Plant and Equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

iii) Investment Property

Investment properties are properties that are held to earn rentals and /or for capital appreciation (including property under construction for such purposes) and not occupied by the Company for its own use.

Investment properties are measured initially at cost, including transaction costs and net of recoverable taxes. The cost includes the cost of replacing parts and borrowing costs if recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in profit or loss as incurred.

Exemption availed under Ind AS 101 :- On transition to Ind AS, the Company has elected to continue with the carrying value of its Investment Property existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the same.

iv) Intangible Assets

Technical know-how / license fee relating to production process and process design are recognized as intangible assets and amortised on a straight line method over a period of 5 years or life of the underlying plant / facility whichever is earlier.

Expenditure incurred on Research and Development, other than capital account is charged to revenue.

Costs incurred on computer software purchased/developed resulting in future economic benefits, are capitalized as intangible assets and amortized over a period of 5 years.

Exemption Availed Under Ind AS 101

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets existing as on 1st April 2016 measured as per the previous GAAP (Indian GAAP) and use that value as its deemed cost as of the transition date.

The Company has no intangible assets with infinite useful lives.

v) Inventory Valuation

Raw materials and stores and spares are valued at or below cost. Cost being ascertained on weighted average method. In cases where there has been a decline in the price of imported and indigenous raw material and it is estimated that cost of finished product will exceed the net realizable value, the materials are written down to net realizable value.

Materials in process are not valued, consistently.

Finished/Trading products are valued at lower of cost or net realizable value in the aggregate, product-wise. Intermediate products are valued at lower of cost or net realizable value derived from finished products and saleable by-product at realizable value. Cost of

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Finished / semi-finished / intermediate products are determined based on annual average cost excluding interest and Head Office and Administrative Overheads. Cost of finished goods in warehouse includes freight and handling charges.

Materials in transit / under inspection are valued at cost

Gypsum Valuation

The entire quantity of saleable gypsum is valued at the lowest slab of the approved price for the next financial year reduced by the anticipated loading charges and moisture discount or average of the actual price realized during the year, whichever is lower. For assessing the closing stock of gypsum, the saleable quantity is assessed on the basis of technical study as on 30.09.2018 and the year end stock has been derived by considering production, consumption, despatch and sales, till the year end.

vi) Commitments

Capital

Estimated amount of contracts remaining to be executed on capital accounts, above ₹5 lakh in each case, are considered for disclosure.

Other Commitments

Disclosure is considered in respect of those non-cancellable contractual commitments (i.e. cancellation of which will result in a penalty disproportionate to the benefits involved) based on the professional judgement of the management which are material and relevant.

vii) Borrowing Cost

Borrowing Costs that are specifically identified to the acquisition or construction of qualifying assets are capitalised as part of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Statement of Profit and Loss.

viii) Investments

All equity investments in scope of Ind- AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may decide to classify the same as at FVTOCI. The Company makes such election on an instrument-by-instrument basis upon on initial recognition and same is irrevocable. Company is not holding any equity instrument for trading.

Upon classification of equity instruments as at FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investments. The Company may transfer the cumulative gain or loss within equity.

ix) Revenue Recognition

The revenue is recognised as and when control of goods or services is transferred to the customer at the amount which the Company expects to be entitled to. The Company adopted the 'Input method' as per Ind AS 115 for recognition of revenue.

Subsidy is recognised on sale of fertilisers to dealers. Freight subsidy is recognised on receipt of fertilisers at respective districts. Recoveries made are withdrawn from the claim on the basis of settlement as per the policies in force.

Other income is recognized on an accrual basis.

Dividend income is recognized when right to receive dividend is established

Interest income is recognized when no significant uncertainty as to its realization exists.

Scrap, salvaged / waste materials and sweepings are accounted for on realization.

Claims on underwriters, carriers and on Customs and Central Excise, Goods and Service Tax Departments are taken into account on acceptance.

Insurance and other miscellaneous claims are recognized on receipt/ acceptance of claim. Contractual pass through incentives, benefits, etc. are recognized on receipt basis.

x) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the contract lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Operating lease payments are recognized as an expense in the Statement of profit and loss as per lease terms as such payments are structured to increase in line with expected general inflation.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised as revenues as per lease terms since such rentals are structured to increase in line with expected general inflation. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

xi) Foreign Currency Transactions:

Receivables and payables in foreign currency as on the reporting date including forward exchange contracts are restated at the rate prevailing at that date.

The premium in respect of forward exchange contracts is recognized in the year of contracts.

Variations arising on account of fluctuations in foreign exchange rates are treated as revenue (gain/loss (-))

xii) Employee Benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employee are recognised as an expense during the period when the employees render the services.

Post Employment Benefits

Defined Contribution Benefits

Contributory Superannuation Scheme with an annual contribution of ₹100 by the Company, aimed to provide superannuation benefits to the employees, has been treated as Defined contribution Plan.

Defined Benefit Plans

The company's contribution to the Provident Fund is remitted to separate trust established for this purposes based on a fixed percentage of the eligible employees salary and charged to Statement of Profit and Loss. Shortfall, if any, in the fund assets based on the Government specified minimum rate of return will be made good by the company and charged to Statement of Profit and Loss. As a matter of prudence Company provides for certain expenses of the fund such as audit fees & expenses, bank charges etc.

The company operates defined benefit plan for gratuity and leave encashment. The cost of providing such defined benefits is determined using the projected unit credit method of actuarial valuation made at the end of the year and the gratuity fund in respect of regular employees is administered through a fund maintained by insurance company.

Re-measurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurements recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- i) service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- ii) net interest expenses or income; and re-measurements

The Company presents the first two components of defined benefit costs in the Statement of profit and loss in the line item 'Employee benefits expense'.

xiii) Grants

Government grants in the nature of promoters' contribution are credited to Capital reserve and treated as part of Shareholders funds. In case of depreciable assets, the cost of the asset is shown at gross value and grant thereon is treated as Capital Grants which are

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

recognized as income in the statement of Profit and Loss over the period and in the proportion in which depreciation is charged.

Revenue grants relating to revenue expenses are deducted from the respective expenses.

In respect of revenue grants released by Government, the treatments in the accounts are considered as per the respective schemes notified by the Government. Other revenue grants relating to revenue expenses are considered as income and credited to statement of Profit and Loss.

xiv) Taxes

Provision for current tax is made in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised using the Balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements.

Deferred tax assets are not recognized unless, in the management judgment there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

xv) Goods and Services Tax

Goods and Service Tax credit on eligible materials and services is recognised on receipt of such items at intended locations.

xvi) Segment Reporting

Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under unallocable corporate expenses.

Investments, advance towards investments and other advances, which are not allocable to segments, are excluded from segment capital employed.

xvii) Contract Operations

In contract operations revenue is recognized on percentage of completion method. The stage of completion is ascertained on the basis of physical evaluation of respective contract activity on the reporting date. Foreseeable losses on contract activities are recognized fully irrespective of the progress of work. The amount of estimated liquidated damages is reduced from revenue.

In the case of Total responsibility jobs/Deposit work/Cost plus contracts, contract revenue is determined by adding the aggregate cost plus fixed percentage fees there on as agreed with the Customer.

xviii) Errors and Omissions of earlier period

Errors and omissions in individual items of Income and Expenditure relating to a earlier periods, exceeding ₹1 Lakh is accounted in the respective period, if possible, or adjusted against opening retained earnings.

xix) Research and Development Expenses

Research and development expenses (other than cost of fixed assets acquired) are charged as an expense in the Statement of Profit And Loss in the year in which they are incurred.

xx) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised in the accounts when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Show Cause notices issued by various Government Authorities are not considered as Obligation. When the demand notices are raised against such show cause notices and are disputed by the company, these are classified as disputed obligations.

The treatment in respect of disputed obligations, in each case, is as under:

- i) a provision is recognized in respect of present obligations where the outflow of resources is probable
- ii) all other cases are disclosed as contingent liabilities unless the Possibility of outflow of resources is remote.

Contingent assets are neither recognized nor disclosed in the financial statements.

xxi) Non-current assets held for sale

Non-current assets, or disposal groups comprising assets and liabilities are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets, or disposal groups, are generally measured at the lower of their carrying amount and fair value less costs to sell. Any resultant loss on a disposal group is allocated first to goodwill, and then to remaining assets and liabilities on pro rata basis, except that no loss is allocated to inventories, financial assets, deferred

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

tax assets, employee benefit assets, and biological assets, which continue to be measured in accordance with the Group's other accounting policies. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognized in profit or loss. Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortized or depreciated.

xxii) Financial Instruments

Financial Assets

Classification

The Company classifies its financial assets in the following measurement categories, those to be measured subsequently at fair value (either through other comprehensive income, or through profit and loss), and those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses arising from fair valuation will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Measurement

Initial recognition

The Company measures a financial asset at its fair value and, in the case of a financial asset not at fair value through profit or loss, at fair value including transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are recognised in profit and loss.

Subsequent Measurement

Subsequent measurement of financial assets depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its financial assets:

Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Fair value through other comprehensive income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income.

Fair value through Profit and Loss(FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss.

Investments in Joint Venture

Investment in Joint venture is recognised at fair value through FVOCI

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition as loans and borrowings, payables, derivatives and financial liabilities at fair value through profit or loss. The Company's financial liability consists of trade and other payables, loans and borrowings, bank overdrafts, financial guarantee contracts and derivative financial instruments.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs, if any.

Subsequent measurement

The subsequent measurement of financial liabilities of the Company depending on their classification is described below:

Loans and borrowings including bank overdrafts

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder of the guarantee for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognized less cumulative amortization.

xxiii) Exemption as per Ind AS 101

Company has elected to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition measured as per Indian GAAP and use that as its deemed cost as at date of transition to Ind AS. The same is applicable even for Investment property and intangible assets.

Company has also reviewed the necessary adjustments required to be done in accordance with paragraph D21 of the standard (i.e. adjustments arising on account of decommissioning or restoration liabilities) and has accordingly considered the impact of the same wherever applicable.

The Company has designated unquoted equity instruments held at 1st April 2016 as fair value through OCI.

xxiv) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xxv) Earnings per share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed using the weighted average number of equity and dilutive equivalent shares outstanding during the period.

	90,564.38	179,598.75

1. A plan loan of ₹100000.00 lakh bearing interest @13.50% per annum was released by the Government of India (GOI) on 29th March 2016 to maintain the operations of the Company. Accordingly, ₹100000.00 lakh along with the earlier loan and interest outstanding has been converted into a single loan carrying interest @ 13.50% per annum with one year moratorium for payment of interest. As per the letter dated 12.01.2016, of the Ministry of Finance, GOI, sanctioning the loan, the total outstanding liability of the Company is ₹183672.00 lakh. The Company entered into an agreement with the Department of Fertilizers(DOF), GOI, agreeing to mortgage 408 acres of Company's land to secure repayment of the entire loan together with interest at the rate of 13.50% per annum on the amount outstanding as on 31.03.2017. The loan amount was reconciled and loan outstanding has been arrived at ₹177048.75 lakh as on 31.03.2017. The loan along with interest is repayable in three or more equated installments within a period of 5 years ending by 2022. As per the terms of the sanction of the loan the entire repayment can be made during the years 2020-21 and/or 2021-22 in three or more equated installments. Accordingly, 50% of the principal amount, being ₹88524.38 lakh has been classified under Current Liabilities-Current maturities of Long term Debt. The remaining amount has been classified under 'Non Current Liabilities - Financial Liabilities - Borrowings'. The outstanding principal and interest is pending reconciliation and confirmation with the balance of Government of India and consequential adjustment thereon.
2. 39. Fair Value Hierarchy

The management has assessed that its financial assets and liabilities like cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The following methods and assumptions were used to estimate the fair values for the given below financial assets.

Unquoted Equity Shares of Indian Potash Limited

The fair values of the unquoted equity shares have been estimated using NAV model.

Unquoted Equity Shares of Other Companies:

The fair values of the unquoted equity shares have been estimated using NAV model.

Derivatives not designated as hedges

Foreign exchange forward contracts are valued using valuation techniques, which employs the use of market observable inputs (i.e. based on inputs/statement of position received from banks).

Investment Properties

The value of the investment properties are based on the information available in Government of Kerala fair value notification, market conditions etc.

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV. Company do not have any such investment.

The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in **Level 2**.

If one or more of the significant inputs is not based on observable market data, the instrument is included in **Level 3**. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in **Level 3**.

41. Financial Risk Management

The company's activities expose it to market risk, liquidity risk and credit risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk in the financial statements

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortized cost.	Aging analysis, Credit Analysis, Post Dated Cheques and Security Deposit.	Diversification of bank deposits, credit limits and Bank Guarantees
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk –foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash Flow Forecasting, Monitoring of Forex Risk Management Policy	Forward Foreign exchange contracts based on market trends

(A) Credit risk

Credit Risk refers to the risk of default on its obligations resulting in financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹39016.23 lakh and ₹40530.53 lakh as of March 31, 2020 and March 31, 2019, respectively of which ₹37327.75 lakh (previous year ₹40011.75 lakh) due from Government of India relating to subsidy receivable. Trade receivables mainly constitute subsidy receivable from the Government of India and from services rendered. Credit risk is being managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to allow credit terms in the normal course of business

(B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

Financing arrangements

The Company has sufficient fund position for its business/operational activities. The following is the undrawn fund based borrowing facilities at the end of the reporting period:

Particulars	31st March, 2020	31st March, 2019
Expiring within one year (Bank Overdraft/ CC Limit)	21,060.00	32,058.88
Stand by Line of credit	500.00	1,250.00

The credit facilities of Banks are subject to compliance with sanctioned terms & conditions. The credit facilities have an average maturity of 1 year. Besides, the above, Company has Non Fund Based Working Capital Arrangement with various Banks which is being availed with a lien on Term Deposits held by the Company.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price rates, such as equity price risk and commodity risk. The Company's activities exposes primarily to the financial risk of changes in foreign currency rates. To mitigate the foreign currency risk, the company is entering into forward contracts with Banks, after analysing the market trend on required cases.

Payment of Bonus Act,1965	33.59	33.59
Others	1,132.74	1,354.22

47. Sales Tax/ Value Added Tax / Entry Tax includes ₹13462.47 lakh (including interest up to 31.03.2020) (previous year ₹12251.80 lakh) towards differential tax demand in respect of the year 2011-12 on the disputed turnover. Against this order, Company obtained stay from Hon' High Court of Kerala.

48. The contract for the barge transportation of Ammonia awarded to a private company has been cancelled void ab initio during 2004-05 by the Company. The Contractor claimed ₹178489.75 lakh including interest till 31.03.2013 before the arbitrator. The arbitrator has passed an award during the year 2013-14 in favour of the contractor for ₹17308.04 lakh including interest as on 31.12.2013. As per the award, the mobilisation advance paid by the Company to the contractor along with interest of ₹2798.29 lakh is to be adjusted against the said award. The Company has not accepted the award on legal and factual grounds and has challenged the award before the Hon' District Court which has since stayed the award. During the year, as per the directive of Hon' District Court, the Company has provided 80.50 acres of land as security for the award. Accordingly, the award amount along with interest up to 31.03.2020, amounting to ₹23664.24 lakh without considering the adjustment of mobilisation advance and interest allowed under the arbitral award is not considered as a liability and included under Contingent Liability.

49. In view of the conditions in the directives of the Government of India, while implementing the 1997 wage revision, the company is not liable to provide for arrears of salary and wages (net of interim relief paid) for the period from 01.01.1997 to 30.06.2001 and perquisites and other allowances for the period from 20.10.2000 to 30.06.2001, in respect of managerial and non managerial employees. Certain retired managerial employees of FACT have moved the Hon.High Court of Kerala and obtained a directive dtd 31.3.2016, by which the court directed company to frame a scheme towards disbursement of the arrears in a phased manner. The company has appealed against the decision. The Board of Directors of the Company at its meeting held on 25-01-2018 decided to refer the matter to Department of Fertilisers, with a request to remove / review the criteria for payment of arrears. The Hon'ble High Court of Kerala vide its order dated 7th February 2019 directed the Secretary to the Ministry to take a decision adverting to the request of the Company pursuant to Board resolution dated 25-01-2018 and to issue appropriate order / proceedings permitting the company to honour the commitments under the wage revision order on such terms as it may find fit to impose. The Secretary (Fertilizers), vide Order dated 09.07.2019 communicated his decision stating their inability to relax/remove the condition of three years continuous profit as requested by FACT vide its letter dated 09.02.2018. Against the order of The Secretary (Fertilizers), the retired employees approached the Court by filing a contempt of court case. Thereafter the The Secretary (Fertilizers) filed Special Leave Petition before the Hon'ble Supreme Court and obtained a stay of the order of the High Court and is pending. Hence the amount of liability cannot be ascertained at this stage.

53. The Company has a system of obtaining confirmation of balances from Vendors and Customers. Some of the parties confirmed the balances.
54. As the accumulated loss has exceeded the networth as on 31.3.2013, the Company has made a formal reference under Section 15 of the Sick Industrial Companies (Special Provisions) Act, 1985 on adoption of duly audited accounts for the Financial Year 2012-13 in the Annual General Meeting held on 27.12.2013 to Board for Industrial and Financial Reconstruction (BIFR) during February 2014. Consequent to the commencement of provisions of Sick Industrial Companies (Special Provisions) Repeal Act, 2003, BIFR has been dissolved and all pending cases before BIFR stand abated. With effect from 1st December, 2016 provisions relating to corporate insolvency, under the Insolvency and Bankruptcy Code, 2016 have been commenced. The National Company Law Tribunal (NCLT) under the Companies Act, 2013 are also established to deal with inter-alia, matters relating to insolvency of companies. The Company is not required to file any case for insolvency resolution under the Insolvency and Bankruptcy Code 2016 before NCLT at present. During the financial year 2015-16, with the objective of carrying on the operations of the company without hindrance, the Government of India has disbursed a plan loan of Rs. 1000 crore on 29/3/2016. This enabled the company to overcome its working capital constraints and improve the operations from the financial year 2016-17. A comprehensive proposal for revival of the company is also under the consideration of the Government of India. During the year, the Company has disposed a portion of its land in Cochin Division. On receipt of land sale proceeds, Company paid all its Fund Based Working Capital facility dues and invested the remaining surplus funds in various banks. This improved the liquidity/Fund position of the Company to a considerable extent. In view of the above, Company does not foresee impairment of its operations as a going concern and hence the accounts are prepared on going concern basis.
55. The standalone financial statements were authorized for issue in accordance with a resolution passed by the Board of Directors on 25.06.2020.
56. The financial statements as approved by the Board of Directors are subject to audit by Comptroller and Auditor General of India and final approval by the Shareholders.
57. The figures of the previous year have been re-arranged and regrouped wherever necessary and / or practicable to make them comparable with those of the current year.

INDEPENDENT AUDITOR'S REPORT (REVISED)

To the Members of the FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Revised Report on the Audit of the Consolidated Financial Statements**Qualified Opinion**

1. We have audited the accompanying **Consolidated Financial Statements of the FERTILISERS AND CHEMICALS TRAVANCORE LIMITED** ("the Company") and its jointly controlled entity and an associate (the Company and its jointly controlled entity along with associate together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2020, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flows Statement and the Consolidated Statement of Changes in Equity for the year then ended on that date, and Notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the Basis for Qualified Opinion section of our report, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, of the consolidated profit, consolidated total comprehensive income, consolidated cash flows and its consolidated changes in equity, for the year then ended on that date.

Basis for Qualified Opinion

3. As explained in note number 1.2.2 and 34 regarding sale of land and conversion of leasehold to freehold land to the Company, though the Government of Kerala (GoK) has accorded freehold right to the Company over 143.22 acres of land, the Company is yet to receive freehold title. According to the Company, the fair value of the non-monetary asset of freehold title of the land converted as required under Ind AS 16-Property Plant and Equipment and the consequent revenue cannot be recognised at this stage, not quantified. In view of this, we are unable to comment on the compliance of the said Ind AS and the impact thereof on the financial statements.
4. We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under subsection (10) of Section 143 of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the

Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Consolidated financial statements.

Going Concern

5. We draw attention to Note # 54 of Consolidated financial statements. The Company has accumulated loss amounting to ₹1,21,353 lakhs (previous year ₹2,18,532 lakhs) with a negative net worth of ₹49,143 lakhs (previous year ₹1,47,226 lakhs). However, the Company has reported net profit of ₹97,552 lakhs during the year (previous year of ₹16,269 lakhs). The Company has a balance under current assets of Cash and Cash Equivalents and Other Bank balances of ₹66,717 lakhs (previous year ₹7,467 lakhs) as at year end. The net current assets as at the year-end is ₹13,234 lakhs (previous year ₹11,026 lakhs). These conditions indicate that there is no uncertainty which may cast doubt as to the Company's ability to continue as a going concern. The Consolidated financial statements of the Company have been prepared on going concern basis.

Our opinion is not modified in respect of this matter.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section, we have determined the matters described below to be the Key Audit Matters to be communicated in our report.

6.1. Accounting of subsidy income from Government of India under DBT Scheme

Under Direct Benefit Transfer (DBT) scheme of Government of India (GoI), the Company is entitled to receive subsidy only upon sale of fertilizer by the dealer to the ultimate beneficiary through Point of Sale (PoS) devices. However, the Company continues to account subsidy as income at the time of sale to dealers as in the earlier scheme, considering the reasonable certainty that the sale will take place and subsidy will be received based on the industry practice and past experience. Refer Note #26 to the Consolidated financial statements.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Auditors' Response

Our principal audit procedures included the following:

- Analysed the scheme framed by the Department of Fertilisers (DoF) notified through Notification F. No. D(FA)/2016/DBT dated March 17, 2017.
- Reviewed the agreement with dealers.
- Performed analytical review procedures on the subsidy claim lodged by the Company from the inception of the DBT scheme and subsidy accounted by the Company.
- Analysed post Balance Sheet sales through PoS devices in Integrated Fertiliser Management System (IFMS) to assess the sales trend.
- Verified industry practise for accounting of subsidy income in post-DBT period.
- Compliance with Ind AS 20 on 'Accounting for Government Grants and Disclosure of Government Assistance'.

6.2. Purchase of raw material from single vendor without tender

The Company has been importing raw materials from a single vendor without inviting tender. During the year, the Company has purchased Rock Phosphate for ₹10,943 lakhs (previous year ₹16,906 lakhs) and Phosphoric Acid for ₹67,398 lakhs (previous year ₹53,692 lakhs). There is no inter-governmental agreement or memorandum of understanding by the Company with the supplier. According to the Company, the party is providing the materials of required quality at the price for the Indian Market and the Company can procure entire quantity only from the present supplier.

Auditors' Response

Our principal audit procedures on the transaction included the following:

- Evaluated the internal controls relating to import of raw materials.
- Verified the purchase documents, receipt of material and consumption thereof on the selected sample.
- Ensured there is no major rejection of material.
- Compared the import price with indigenous price during the previous year in the absence of any indigenous purchase during the year.
- Compared the price in the international market with that of Company's purchase price.
- Import purchase is from a foreign government owned Company.
- Verified the pattern of purchase in earlier years.
- Company's efforts to enter into a government to government agreement for sourcing the material.
- Brought to the notice of those charged with governance.

Emphasis of Matter

- 7.i. We draw attention to Note # 60 of the Consolidated financial statements on the reason for revision of the Consolidated financial statements dated June 25, 2020, approved by the Board of Directors of the Company. Our report dated June 25, 2020 on the Consolidated financial statements, is revised due to the revision of the Consolidated financial statements.

The said revision is to comply with the directions of the Comptroller and Auditor General of India to prepare the Consolidated financial statements, based on the audited financial statements of a jointly controlled entity-FACT RCF Building Products Limited and an Associate-Kerala Enviro Infrastructure Limited, instead of the unaudited Management certified financial statements. Accordingly, the summarised financial information of these entities based on their respective audited financial statements is disclosed by the Company in the Notes to the Consolidated financial statements. (Refer Note # 43)

This Audit Report supersedes the audit report dated June 25, 2020 issued by us on the Consolidated financial statements of even date.

- ii. We draw attention to Note # 18.1 of the Consolidated financial statements regarding variance in interest provision of ₹28,178 lakhs (previous year ₹28,178 lakhs) on the GoI loans in the Company's books as at the end of the previous year, which is higher as compared to the provisional working of the DoF, GoI which is pending for reconciliation and confirmation and consequent adjustments, if any, thereof.
- iii. We draw attention to Note # 39 of the Consolidated financial statements regarding non-compliance of Ind AS 116 on 'Leases' applicable from the year under audit in the absence of agreed tenure and other terms of lease in writing, continuing the practice as in earlier years.

Our opinion is not modified in respect of these matters.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in subsection (5) of Section 134 of the Act with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, including consolidated total comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated financial statements by the Directors of the Company, as aforesaid.

9. In preparing the Consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required

to draw attention in our Auditor's Report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
11. We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the Key Audit Matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
- Other Matter**
14. i. We did not audit the financial statements / financial information of four areas comprising marketing offices of the Company included in the Consolidated financial statements of the Company, whose financial statements / financial information reflect total revenue of ₹2,02,286 lakhs (previous year ₹1,37,953 lakhs) for the year ended on that date, as

- considered in the Consolidated financial statements and total assets not quantifiable in the absence of certified trial balance of other areas as at March 31, 2020. The Company has submitted certain "financial schedules" only which have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these areas and our report, in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid areas, is based solely on the reports of the other auditors.
- ii. The financial statements of the jointly controlled entity and an associate of the Company have been audited by other auditors, whose reports have been furnished to us by the Management. Our opinion on the Consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these entities and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid entities, is based solely on the reports of the other auditors.
- iii. Our opinion on the Consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters, with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management, except on the scope limitation reported by the other auditors due to non-provision of the trial balance of the area audited by them and their inability to ensure the correctness of the financial schedules due to this.
- Report on Other Legal and Regulatory Requirements**
15. Based on the verification of books of account of the Company and according to information and explanations given to us, we give in "**Annexure A**" a report on the directions/ additional sub-directions issued by the Comptroller and Auditor General of India (C&AG) in terms of subsection (5) of Section 143 of the Act.
16. As required by subsection (3) of Section 143 of the Act, based on our audit and our comments on separate financial statements of the jointly controlled entities as noted in the Emphasis of Matter paragraph, we report to the extent applicable that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated financial statements.
- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated financial statements have been kept, so far as it appears from our examination of those books and the reports of the other auditors.
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account and with the returns received from four areas not audited by us, subject to the scope limitation by other auditors.
- d. In our opinion, the aforesaid Consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015.
- e. Being a government company, the provisions of sub section (2) of Section 164 of the Companies Act, 2013 is not applicable.
- f. With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. (Refer Notes #46 to #49)
- ii. Provision has been made in the Consolidated financial statements as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group, where applicable.
17. Being a Government Company, the provisions of section 197 of the Act with respect to the matters to be included in the Auditor's Report is not applicable.

Annexure B to the Independent Auditors' Report (Revised)

(Referred to in paragraph 16 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS

under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

In conjunction with our audit of the consolidated financial statements of **FERTILISERS AND CHEMICALS TRAVANCORE LIMITED** (hereinafter referred to as "the Company") as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of the Company and its jointly controlled entity and an associate (hereinafter referred to as "the Group"), which are Companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Companies included in the Group which are Companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with 'the Guidance Note' and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Group which are Companies incorporated in India, have, in all material respects, reasonably adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting need to be strengthened as at March 31, 2020, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in "the Guidance Note" issued by the ICAI. However, we are unable to comment on the adequacy of internal financial controls over financial reporting in the case of two out of four marketing areas, in the absence of any specific reporting by the auditors of these areas. The financial statements of the jointly controlled entity and an associate of the Company have been audited by other auditors, whose reports have been furnished to us by the Management. Our report on the adequacy of internal financial controls over financial reporting with respect to these financial statements, in so far as it relates to these entities, is based solely on the reports of the other auditors.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF THE FERTILISERS AND CHEMICALS TRAVANCORE LTD FOR THE YEAR ENDED 31 MARCH 2020

The preparation of Consolidated financial statements of The Fertilisers and Chemicals Travancore (FACT) Ltd, Udyogamandal for the year ended 31 March 2020 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) read with section 129(4) of the Act, are responsible for expressing opinion on the financial statements under Section 143 read with section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Revised Audit Report dated 6 November 2020 which supersedes their earlier Audit Report dated 25 June 2020.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of The Fertilisers and Chemicals Travancore Limited, Udyogamandal for the year ended 31 March 2020 under section 143(6) (a) read with section 129(4) of the act. We conducted a supplementary audit of the financial statements of The Fertilisers and Chemicals Travancore Limited, Udyogamandal and FACT-RCF Building Products Limited, for the year ended on that date. **Further, section 139(5) and 143(6)(a) of the Act are not applicable to Kerala Enviro Infrastructure Limited being private entity for appointment of their Statutory Auditor and for conduct of Supplementary Audit. Accordingly, Comptroller and Auditor General of India has neither appointed the Statutory Auditor nor conducted the supplementary audit of the Company.** This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and company personnel and a selective examination of some of the accounting records.

The consolidated financial statements of the Company have been revised by the management, as indicated in Note 60 of the financial statements, to give effect to some of my audit observations raised during supplementary audit.

In addition, I would like to highlight the following significant matters under section 143(6)(b) read with section 129(4) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the consolidated financial statements and the related audit report.

A. Comment on Financial Position**Balance Sheet****Assets****Other Intangible Assets (Note-1B) ₹110.64 lakh**

The above is understated by ₹42.06 lakh due to non-inclusion of value of software work completed during the year. The work of SAP migration and up-gradation was completed on 12 February 2020. However, Company did not capitalize related charges of ₹42.06 lakh payable to vendor.

This has resulted in understatement of other intangible Assets by ₹40.93 lakh and amortization by ₹1.13 lakh. Consequently, profit for the year is also overstated by ₹1.13 lakh and current liabilities understated by ₹42.06 lakh.

B. Comment on Disclosure

- (i) Estimated amount of contracts remaining to be executed on capital account and not provided for (Note-50): ₹1347.08 lakh
The above is overstated by ₹294.65 lakh due to inclusion of :
- ₹24.59 lakh in respect of M/s.Agilent Technologies India Pvt Ltd. The related work completed before 31 March 2020 and liability was provided for the value of work done.
 - ₹135 lakh in respect of M/s.Bharat Heavy Electricals Limited. The related work completed before 31 March 2020 and liability was provided for the value of work done.
 - ₹135.06 lakh in respect of M/s.Sify Technologies Limited. Out of this, work valuing ₹42.06 lakh was completed before 31 March 2020. Remaining ₹93 lakh being in the nature of maintenance contract should be disclosed under the head other commitments instead of contracts remaining to be executed on capital account and not provided for
- (ii) As per Part III, serial number 2 of Division II of Schedule III to the Companies Act, 2013, on general instructions for preparation of consolidated financial statements, the details on net assets, share in profit or loss, share in other comprehensive income and share in total comprehensive income pertaining to the parent Company (FACT Limited) and its Joint Ventures (i.e. FACT- RCF Building Products Ltd and Kerala Enviro Infrastructure Ltd) is to be disclosed by Company in its consolidated financial statements. However, this has not been disclosed in financial statements. Hence, 'Notes to Financial Statements' are deficient to the extent
- (iii) In pursuance to section 129(3) of the Companies Act, 2013 and rule 5 of the Companies (Accounts) Rules, 2014 provides that Notes to consolidated financial statements of FACT Limited was to include the details in Form AOC-1 containing the salient features of the financial statements of its Jointly controlled entities of FACT-RCF Building Products Ltd (FRBL) and Kerala Enviro Infrastructure Ltd (KEIL). However, this has not been disclosed in Notes to financial statements. Thus, 'Notes to Financial Statements' are deficient to the extent.
- (iv) Department of Fertilisers, Govt. of India, had accorded the approval (16 November 2018) to FACT Limited for additional investment of ₹29.25 crore to the equity share capital of FACT-RCF Building Products Limited (FRBL, a subsidiary of FACT Limited). The Company in its 75th annual general meeting approved the additional investment in FRBL. Against the approval received for ₹29.25 crore, FRBL had issued equity shares amounting to ₹15.18 crore towards gypsum supplied and other services provided by the Company between 2010 and 2013. Equity shares amounting to ₹11.68 crore against which Gypsum/other services provided during 2014 to 2017, are pending allotment by FRBL. The same has been shown as advances to related parties by the Company. Further, supply of gypsum to FRBL for ₹2.39 crore to complete the additional investment was pending as of 31.03.2020. These material facts have not been disclosed in the Notes to Financial Statements and are thus deficient to the extent.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

A Statement of Significant Accounting Policy forming part of Consolidated Financial Statements for the Year ended 31st March 2020

1. Corporate Information

The Company is a public company domiciled in India and is incorporated under provisions of the Companies Act applicable in India. Its shares are listed on one recognized stock exchanges in India. The registered office of the Company is located at Eloor, Udyogamandal, Ernakulam 683501, Kerala.

2. Basis for preparation of financial statements

The Consolidated financial statements of the Company have been prepared in accordance with accounting standards prescribed under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards)(Amendment) Rules, 2016 and other relevant provisions of the Act.

The Consolidated financial statements have been prepared under the historical cost and on accrual basis, except for the following: -

- Certain financial assets and liabilities measured at fair value
- Certain provisions recognized using actuarial valuation techniques
- Non-current assets classified as "held for sale" are measured at the lower of their carrying amount and fair value less cost to sell.

The Consolidated financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lakh (₹ 00,000), except when otherwise indicated.

The consolidated financial statements relate to the Company [The Fertilisers and Chemicals Travancore Ltd.] and Jointly Controlled Entities FACT RCF Building Products Ltd. (FRBL) and Kerala Enviro Infrastructure Ltd (KEIL)

The accounting policies have been consistently applied by the Company and its Jointly Controlled Entities and are consistent with those used to prepare the opening balance sheet as at the transition date.

The financial statements of the Jointly Controlled Entities used in the consolidation are drawn up to the same reporting date as of the Company i.e. for the year ended 31st March 2020.

Principles of Consolidation:

The financial statements of Jointly Controlled Entities are combined by applying Equity method in accordance with IND AS 28 - "Investment in Associates and Joint Ventures".

The Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate Financial Statements. Differences in accounting policies followed by joint venture entity consolidated have been reviewed and no adjustments have been made, since the impact of these differences is not material.

The following Jointly Controlled Entities are considered in the consolidated financial statements:

Name of the Company	Country of Incorporation	Proportion of Ownership Interest as on 31.03.2020	Date of the entity becoming Joint Venture
FACT –RCF Building Products Ltd.	India	50%	2-May-08
Kerala Enviro Infrastructure Ltd	India	25.66%	4-Mar-15

3. Significant Accounting Policies

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. Differences between estimates and actuals are recognized in the period in which they materialize.

i) Property Plant and Equipment

- a) All Property, Plant and Equipment are stated at acquisition cost less accumulated depreciation / amortization and cumulative impairment.
- b) Land purchased/acquired and under the possession of the company are treated as free hold land.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

- c) Technical know-how / license fee relating to plant / facilities are capitalized as part of cost of the underlying asset.
- d) Income approach is adopted for accounting Government grants related to depreciable Property, Plant and Equipment. Grants utilized for acquisition of depreciable Property, Plant and Equipment are treated as Deferred Government Grants and the same is recognized in the Statement of Profit and Loss on a systematic and rational basis over the useful life of the assets.
- e) Spares costing (Unit value of ₹10 lacs and above), and other components which are required to be replaced at intervals, meeting the recognition criteria have been classified as Plant and equipment and are depreciated separately based on their specific useful lives.
- f) The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.
- g) Revenue expenses exclusively attributable to projects incurred during construction period are capitalized. However, such expenses in respect of capital facilities being executed along with production / operation simultaneously are charged to revenue.

Financing cost incurred during construction period on loans specifically borrowed and utilized for projects is capitalized upto the date of capitalization.

Financing cost, if any, incurred on general borrowings used for projects is capitalized at the weighted average cost. The amount of such borrowings is determined after setting off the amount of internal accruals, if any.

Depreciation

Depreciation is charged on Fixed Assets based on the useful life of assets, prescribed under the Schedule II of the Companies Act 2013. The Company has adopted Straight Line method of depreciation for all the categories of assets, acquired on or after 01st April 2014.

Effective from 1st April, 2014, the Company has reassessed the useful life of its existing fixed assets (considering component approach wherever necessary) and has charged depreciation over the remaining useful lives, after retaining residual value, in accordance with the transitional provisions contained in the Schedule II of the Companies Act 2013.

Residual value of 5% has been retained for all the Fixed Assets, which is in line with the provisions of the Schedule II.

Depreciation is charged @ 100% on the assets with acquisition value of less than Rs.5,000/-, the value being immaterial, considering the size and nature of the business of the Company.

Impairment

An asset is treated as impaired when the carrying amount of assets exceeds its recoverable value. Impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. When the recoverable amount of previously impaired assets exceeds its carrying amount, the value of asset is reinstated by reversing the impairment loss considered in prior years limited to lower of its recoverable value or carrying amount at the depreciated historical cost.

Capital Stores

Capital stores are valued at cost. Specific provision is made for likely diminution in value, wherever required.

Exemption Availed Under Ind AS 101

On transition to Ind AS, Company has elected to continue with the carrying value of all its property plant and equipment existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the property plant and equipment.

ii) Capital Work In Progress

Projects under which Property, Plant and Equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

iii) Investment Property

Investment properties are properties that are held to earn rentals and /or for capital appreciation (including property under construction for such purposes) and not occupied by the Company for its own use.

Investment properties are measured initially at cost, including transaction costs and net of recoverable taxes. The cost includes the cost of replacing parts and borrowing costs if recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in profit or loss as incurred.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Depreciation on Investment property, wherever applicable, is provided on straight line basis as per useful lives prescribed in Schedule II to Companies Act, 2013.

Investment properties are derecognised either when they have been disposed off or when they are being occupied by the Company for its own use or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

Exemption availed under Ind AS 101 :- On transition to Ind AS, the Company has elected to continue with the carrying value of its Investment Property existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the same.

iv) Intangible Assets

Technical know-how / license fee relating to production process and process design are recognized as intangible assets and amortised on a straight line method over a period of 5 years or life of the underlying plant / facility whichever is earlier.

Expenditure incurred on Research and Development, other than capital account is charged to revenue.

Costs incurred on computer software purchased/developed resulting in future economic benefits, are capitalized as intangible assets and amortized over a period of 5 years

Exemption Availed Under Ind AS 101

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets existing as on 1st April 2016 measured as per the previous GAAP (Indian GAAP) and use that value as its deemed cost as of the transition date.

The Company has no intangible assets with infinite useful lives.

v) Inventory Valuation

Raw materials and stores and spares are valued at or below cost. Cost being ascertained on moving weighted average method. In cases where there has been a decline in the price of imported and indigenous raw material and it is estimated the cost of finished product will exceed the net realizable value, the materials are written down to net realizable value.

Materials in process are not valued, consistently.

Finished/Trading products are valued at lower of cost or net realizable value in the aggregate, product-wise. Intermediate products are valued at lower of cost or net realizable value derived from finished products and saleable by-product at realizable value. Cost of Finished / semi-finished / intermediate products are determined based on annual average cost excluding interest and head office and administrative overheads. Cost of finished goods in warehouse includes freight and handling charges.

Materials in transit / under inspection are valued at cost.

Gypsum Valuation

The entire quantity of saleable gypsum is valued at the lowest slab of the approved price for the next financial year reduced by the anticipated loading charges and moisture discount or average of the actual price realized during the year, whichever is lower. For assessing the closing stock of gypsum, the saleable quantity is assessed on the basis of technical study as on 30.09.2018 and the year end stock has been derived by considering production, consumption, despatch and sales, till the year end.

vi) Commitments

Capital

Estimated amount of contracts remaining to be executed on capital accounts, above ₹5 lakhs in each case, are considered for disclosure.

Other Commitments

Disclosure is considered in respect of those non-cancellable contractual commitments (i.e. cancellation of which will result in a penalty disproportionate to the benefits involved) based on the professional judgement of the management which are material and relevant.

vii) Borrowing Cost

Borrowing Costs that are specifically identified to the acquisition or construction of qualifying assets are capitalised as part of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Statement of Profit and Loss.

viii) Investments

All equity investments in scope of Ind- AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at Fair Value through Profit and Loss (FVTPL). For all other equity instruments, the Company may decide to classify the same as at Fair Value through Other Comprehensive Income (FVTOCI). The Company makes such election on an instrument-by-instrument basis upon initial recognition and same is irrevocable. Company is not holding any equity instrument for trading.

Upon classification of equity instruments as at FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investments. The Company may transfer the cumulative gain or loss within equity.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

ix) Revenue Recognition

The revenue is recognised as and when control of goods or services is transferred to the customer at the amount which the Company expects to be entitled to. The Company adopted the 'Input method' as per Ind AS 115 for recognition of revenue.

Recognition of subsidy is generally made on the basis of in principle recognition / approval/ settlement of claims by the Government of India as per the policy in force.

Other income is recognized on an accrual basis.

Dividend income is recognized when right to receive dividend is established.

Interest income is recognized when no significant uncertainty as to its realization exists.

Scrap, salvaged / waste materials and sweepings are accounted for on realization.

Claims on underwriters, carriers and on Customs and Central Excise Departments are taken into account on acceptance.

Insurance and other miscellaneous claims are recognized on receipt/ acceptance of claim. Contractual pass through incentives, benefits, etc. are recognized on receipt basis.

x) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the contract lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Operating lease payments are recognized as an expense in the Statement of profit and loss as per lease terms as such payments are structured to increase in line with expected general inflation.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised as revenues as per lease terms since such rentals are structured to increase in line with expected general inflation. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases.

Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

xi) Foreign Currency Transactions:

Receivables and payables in foreign currency as on the reporting date including forward exchange contracts are restated at the rate prevailing at that date.

The premium in respect of forward exchange contracts is recognized in the year of contracts.

Variations arising on account of fluctuations in foreign exchange rates are treated as revenue (gain/loss (-)).

xii) Employee Benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employee are recognised as an expense during the period when the employees render the services.

Post Employment Benefits

Defined Contribution Benefits

Contributory Superannuation Scheme with an annual contribution of ₹100 by the Company, aimed to provide superannuation benefits to the employees, has been treated as Defined Contribution Plan.

Defined Benefit Plans

The company's contribution to the Provident Fund is remitted to separate trust established for this purposes based on a fixed percentage of the eligible employees salary and charged to Statement of Profit and Loss. Shortfall, if any, in the fund assets based on the Government specified minimum rate of return will be made good by the company and charged to Statement of Profit and Loss. As a matter of prudence Company provides for certain expenses of the fund such as audit fees & expenses, bank charges etc.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

The company operates defined benefit plan for gratuity and leave encashment. The cost of providing such defined benefits is determined using the projected unit credit method of actuarial valuation made at the end of the year and the gratuity fund in respect of regular employees is administered through a fund maintained by insurance company.

Re-measurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurements recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- i) service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- ii) net interest expenses or income; and re-measurements

The Company presents the first two components of defined benefit costs in the Statement of profit and loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

xiii) Grants

Government grants in the nature of promoters' contribution are credited to Capital reserve and treated as part of Shareholders funds.

In case of depreciable assets, the cost of the asset is shown at gross value and grant thereon is treated as Capital Grants which are recognized as income in the statement of Profit and Loss over the period and in the proportion in which depreciation is charged.

Revenue grants relating to revenue expenses are deducted from the respective expenses.

In respect of revenue grants released by Government, the treatments in the accounts are considered as per the respective schemes notified by the Government. Other revenue grants relating to revenue expenses are considered as income and credited to statement of Profit and Loss.

xiv) Taxes

Provision for current tax is made in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised using the Balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements.

Deferred tax assets are not recognized unless, in the management judgment there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

xv) Goods and Service Tax

Goods and Service Tax credit on eligible materials is recognised on receipt of such materials and services.

xvi) Segment Reporting

Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under unallocable corporate expenses.

Investments, advance towards investments and other advances, which are not allocable to segments, are excluded from segment capital employed.

xvii) Contract Operations

In contract operations revenue is recognized on percentage of completion method. The stage of completion is ascertained on the basis of physical evaluation of respective contract activity on the reporting date. Foreseeable losses on contract activities are recognized fully irrespective of the progress of work. The amount of estimated liquidated damages is reduced from revenue.

In the case of Total responsibility jobs/Deposit work/Cost plus contracts, contract revenue is determined by adding the aggregate cost plus fixed percentage fees thereon as agreed with the Customer.

xviii) Errors and Omissions of earlier period

Errors and omissions in individual items of Income and Expenditure relating to an earlier periods, exceeding ₹1 Lakh is accounted in the respective period, if possible, or adjusted against opening retained earnings.

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

xix) Research and Development Expenses

Research and development expenses (other than cost of fixed assets acquired) are charged as an expense in the Statement of Profit And Loss in the year in which they are incurred.

xx) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised in the accounts when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Show Cause notices issued by various Government Authorities are not considered as Obligation. When the demand notices are raised against such show cause notices and are disputed by the company, these are classified as disputed obligations.

The treatment in respect of disputed obligations, in each case, is as under:

- i) a provision is recognized in respect of present obligations where the outflow of resources is probable
- ii) all other cases are disclosed as contingent liabilities unless the Possibility of outflow of resources is remote.

Contingent assets are neither recognized nor disclosed in the financial statements.

xxi) Non-current assets held for sale

Non-current assets, or disposal groups comprising assets and liabilities are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets, or disposal groups, are generally measured at the lower of their carrying amount and fair value less costs to sell. Any resultant loss on a disposal group is allocated first to goodwill, and then to remaining assets and liabilities on pro rata basis, except that no loss is allocated to inventories, financial assets, deferred tax assets, employee benefit assets, and biological assets, which continue to be measured in accordance with the Group's other accounting policies. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognized in profit or loss. Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortized or depreciated.

xxii) Financial Instruments

Financial Assets

Classification

The Company classifies its financial assets in the following measurement categories: those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses arising from fair valuation will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Measurement

Initial recognition

The Company measures a financial asset at its fair value and, in the case of a financial asset not at fair value through profit or loss, at fair value including transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Subsequent Measurement

Subsequent measurement of financial assets depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its financial assets:

Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Fair value through other comprehensive income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Fair value through Profit and Loss(FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss.

Investments in Joint Venture

The results and assets and liabilities of associates or joint ventures are incorporated in the consolidated financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with IND AS 105.

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not in control or joint control over those policies.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

The Company's investments in its associate and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate or joint venture since the acquisition date. Goodwill relating to the associate or joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

The statement of profit and loss reflects the Company's share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the Company's OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Company recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Company and the associate or joint venture are eliminated to the extent of the interest in the associate or joint venture.

If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture (which includes any long term interest that, in substance, form part of the Company's net investment in the associate or joint venture), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. If the associate or joint venture subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Company's share of profit or loss of an associate and a joint venture is shown on the face of the statement of profit and loss.

The financial statements of the associate or joint venture are prepared for the same reporting period as the Company. When necessary, adjustments are made to bring the accounting policies in line with those of the Company.

After application of the equity method, the Company determines whether it is necessary to recognise an impairment loss on its investment in its associate or joint venture. At each reporting date, the Company determines whether there is objective evidence that the investment in the associate or joint venture is impaired. If there is such evidence, the Company calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value, and then recognises the loss as 'Share of profit of an associate and a joint venture' in the statement of profit or loss.

Upon loss of significant influence over the associate or joint control over the joint venture, the Company measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition as loans and borrowings, payables, derivatives and financial liabilities at fair value through profit or loss. The Company's financial liability consists of trade and other payables, loans and borrowings, bank overdrafts, financial guarantee contracts and derivative financial instruments.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs, if any.

Subsequent measurement

The subsequent measurement of financial liabilities of the Company depending on their classification is described below:

Loans and borrowings including bank overdrafts

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder of the guarantee for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognized less cumulative amortization.

xxiii) Exemption as per Ind AS 101

Company has elected to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition measured as per Indian GAAP and use that as its deemed cost as at date of transition to Ind AS. The same is applicable even for Investment property and intangible assets.

Company has also reviewed the necessary adjustments required to be done in accordance with paragraph D21 of the standard (i.e. adjustments arising on account of decommissioning or restoration liabilities) and has accordingly considered the impact of the same wherever applicable.

The Company has designated unquoted equity instruments held at 1st April 2016 as fair value through OCI.

xxiv) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xxv) Earnings per share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed using the weighted average number of equity and dilutive equivalent shares outstanding during the period.

1. A plan loan of ₹100000.00 lakh bearing interest @13.50% per annum was released by the Government of India (GOI) on 29th March 2016 to maintain the operations of the Company. Accordingly, ₹100000.00 lakh along with the earlier loan and interest outstanding has been converted into a single loan carrying interest @ 13.50% per annum with one year moratorium for payment of interest. As per the letter dated 12.01.2016, of the Ministry of Finance, GOI, sanctioning the loan, the total outstanding liability of the Company is ₹183672.00 lakh. The Company entered into an agreement with the Department of Fertilizers(DOF), GOI, agreeing to mortgage 408 acres of Company's land to secure repayment of the entire loan together with interest at the rate of 13.50% per annum on the amount outstanding as on 31.03.2017. The loan amount was reconciled and loan outstanding has been arrived at ₹177048.75 lakh as on 31.03.2017. The loan along with interest is repayable in three or more equated installments within a period of 5 years ending by 2022. As per the terms of the sanction of the loan the entire repayment can be made during the years 2020-21 and/or 2021-22 in three or more equated installments. Accordingly, 50% of the principal amount, being ₹88524.38 lakh has been classified under Current Liabilities-Current maturities of Long term Debt. The remaining amount has been classified under 'Non Current Liabilities - Financial Liabilities - Borrowings'. The outstanding principal and interest is pending reconciliation and confirmation with the balance of Government of India and consequential adjustment thereon.
2. The Company and M/s.Rashtriya Chemicals & Fertilisers Ltd(RCF) had provided Corporate Guarantee to the lenders of M/s.FACT-RCF Building Products Ltd-the 50:50 joint venture between the Company and RCF. During the year 2018-19, RCF has settled the entire liability to the bankers, to the extent of ₹5100 lakhs including 50% share of the Company ₹2550 lakhs on the condition that the Company shall treat the amount paid by RCF on behalf of the Company as Inter-Corporate loan with a repayment period of five years. The principal amount payable ₹510 lakhs (Previous year Nil) during the year 2020-21 has been classified under 'Current Liabilities - Financial Liabilities -Other Financial Liabilities'. The remaining amount has been classified under Non Current Liabilities - Financial Liabilities - Borrowings. Interest rate applicable on the loan for the year 2019-20 is 8.50% p.a (Previous year- 8.35% p.a)

39. Fair Value Hierarchy

The management has assessed that its financial assets and liabilities like cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The following methods and assumptions were used to estimate the fair values for the given below financial assets.

Unquoted Equity Shares of Indian Potash Limited

The fair values of the unquoted equity shares have been estimated using NAV model.

Unquoted Equity Shares of Other Companies:

The fair values of the unquoted equity shares have been estimated using NAV model.

Derivatives not designated as hedges

Foreign exchange forward contracts are valued using valuation techniques, which employs the use of market observable inputs (i.e. based on inputs/statement of position received from banks).

Investment Properties

The value of the investment properties are based on the information available in Government of Kerala fair value notification, market conditions etc.

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV. Company do not have any such investment.

The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in **Level 2**.

If one or more of the significant inputs is not based on observable market data, the instrument is included in **Level 3**. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in **Level 3**.

Accordingly, the award amount along with interest up to 31.03.2020, amounting to ₹23664.24 lakh without considering the adjustment of mobilisation advance and interest allowed under the arbitral award is not considered as a liability and included under Contingent Liability.

49. In view of the conditions in the directives of the Government of India, while implementing the 1997 wage revision, the company is not liable to provide for arrears of salary and wages (net of interim relief paid) for the period from 01.01.1997 to 30.06.2001 and perquisites and other allowances for the period from 20.10.2000 to 30.06.2001, in respect of managerial and non managerial employees. Certain retired managerial employees of FACT have moved the Hon.High Court of Kerala and obtained a directive dtd 31.3.2016, by which the court directed company to frame a scheme towards disbursement of the arrears in a phased manner. The company has appealed against the decision. The Board of Directors of the Company at its meeting held on 25-01-2018 decided to refer the matter to Department of Fertilisers, with a request to remove / review the criteria for payment of arrears. The Hon'ble High Court of Kerala vide its order dated 7th February 2019 directed the Secretary to the Ministry to take a decision adverting to the request of the Company pursuant to Board resolution dated 25-01-2018 and to issue appropriate order / proceedings permitting the company to honour the commitments under the wage revision order on such terms as it may find fit to impose. The Secretary (Fertilizers), vide Order dated 09.07.2019 communicated his decision stating their inability to relax/remove the condition of three years continuous profit as requested by FACT vide its letter dated 09.02.2018. Against the order of The Secretary (Fertilizers), the retired employees approached the Court by filing a contempt of court case. Thereafter the The Secretary (Fertilizers) filed Special Leave Petition before the Hon'ble Supreme Court and obtained a stay of the order of the High Court and is pending. Hence the amount of liability cannot be ascertained at this stage.

54. As the accumulated loss has exceeded the networth as on 31.3.2013, the Company has made a formal reference under Section 15 of the Sick Industrial Companies (Special Provisions) Act, 1985 on adoption of duly audited accounts for the Financial Year 2012-13 in the Annual General Meeting held on 27.12.2013 to Board for Industrial and Financial Reconstruction (BIFR) during February 2014. Consequent to the commencement of provisions of Sick Industrial Companies (Special Provisions) Repeal Act, 2003, BIFR has been dissolved and all pending cases before BIFR stand abated. With effect from 1st December, 2016 provisions relating to corporate insolvency, under the Insolvency and Bankruptcy Code, 2016 have been commenced. The National Company Law Tribunal (NCLT) under the Companies Act, 2013 are also established to deal with inter-alia, matters relating to insolvency of companies. The Company is not required to file any case for insolvency resolution under the Insolvency and Bankruptcy Code 2016 before NCLT at present. During the financial year 2015-16, with the objective of carrying on the operations of the company without hindrance, the Government of India has disbursed a plan loan of Rs. 1000 crore on 29/3/2016. This enabled the company to overcome its working capital constraints and improve the operations from the financial year 2016-17. A comprehensive proposal for revival of the company is also under the consideration of the Government of India. During the year, the Company has disposed a portion of its land in Cochin Division. On receipt of land sale proceeds, Company paid all its Fund Based Working Capital facility dues and invested the remaining surplus funds in various banks. This improved the liquidity/Fund position of the Company to a considerable extent. In view of the above, Company does not foresee impairment of its operations as a going concern and hence the accounts are prepared on going concern basis.
