

## **FEDO Purchased new Software – Conval 10.6**

FEDO purchased new software 'Conval' version 10.6 and inducted training on 3<sup>rd</sup> and 4<sup>th</sup> of March 2020. The new software is capable of performing Engineering calculations of control valves, Orifices and Other differential pressure Flow Elements, Thermowell wake frequency calculations and so on, as per latest standards. The training at FEDO conference was lead by Mr Rana Gupta from Cadtec. The following personnel attended training from Instrumentation and Process department.

1. Krishna Sagar DGM (Process)
2. Koyavenkatta Reddy DGM (Process)
3. Manjusha S DGM (I)
4. Minto K Zacheriah SM (I)
5. Jayaumar SM (Plg)
6. Shima P S SM (Com)
7. Riyas M SM (Process)
8. Danimol P V DM (Inst)
9. Tittu A DM (Process)
10. Dhanil C K AM (Inst)
11. Amal Bhaskar MT(Inst)
