

Project VIGEYE

Project VIGEYE (Vigilance Eye) is a citizen-centric initiative, wherein citizens join hands with the Central Vigilance Commission in fighting corruption. It is a platform through which vigilance information flows freely from common public to the commission, making it possible to provide easy access for sending sensitive information in complaints quickly.

Requirements for registering complaints through Mobile

1. **GPRS** facility enabled mobile phone.
2. Citizens having a suitable mobile (see the list of supported mobile phone models on http://www.vigeeye.com/register_mobile_init.php) can lodge complaints through mobile phone, after downloading the mobile software.

How to Register for VigEYE application through Mobile

1. Send a **blank SMS** to **09223174440**.
2. A registration link will be received on your mobile (http://www.vigeeye.com/register_mobile_init.php).
3. Click the link.
4. Enter name, address, mobile number, mobile model, email (optional).
5. System confirms the request and sends mobile application link, with login and password as SMS to mobile and email, if provided.
6. Download the application by clicking on the link received in the SMS.
7. Application automatically prompts for installation after download.
8. Permit the application to be installed on the mobile.

How to submit a complaint on mobile phone
