The technically acceptable bidder who has quoted the least combined total value in the BOQ for an RH shall be selected as L1 bidder for that RH.

4.3 In case more than one bidder become the L1 for a particular RH based on the evaluation as above, such **L1 bidders alone shall be given an opportunity** to submit **revised lower price bids**, if any, in sealed cover on or before the due date and time specified. Instructions stipulated in the request for submitting revised reduced price, with regard to submission, opening and evaluation of price bids shall be complied with for such revised bids. However, **while submitting the revised price bid, such bidders shall not increase the rates quoted by them in their original price bid**. In case more than one bidder continue to be L1 despite submitting the revised lower price bid as above, FACT reserves the right to accept the bid submitted by the bidder among those L1 bidders, having the highest capability in terms of volume of work handled at the RH during the period specified under PQ criteria. Purchase Preference shall be extended as per clause 8.0 of Instructions to Bidders.
