4.0 Goods and Service Tax Applicability for Evaluation of Bids:

As per provisions of GST, services of Goods Transport Agency (GTA) in relation to transportation of goods are a notified service under Reverse Charge, i.e., the liability to pay tax is by the recipient of goods/services instead of the supplier. Accordingly, the obligation of remittance of applicable rate of GST is on the recipient of service. i.e. FACT. Therefore the rates quoted by the GTA (Bidder) should be exclusive of GST.

5.0 The list of items, the estimated rate and the estimated quantity (MT) of bagged fertilizer products to be transported from FACT UC to CD and from FACT CD to KRS by road, during the contract period of two years, are indicated in the Price Bid Schedule [**Annexure - VIII**].

6.0 **METHOD OF EVALUATION OF BIDS/AWARD OF CONTRACT:**

This Excess (+) or Less (-) percentage quoted by the bidder against each item will be applied on the FACT's estimate for the respective item(s) of work in the BOQ, and

the rate per unit of each item of work quoted by the bidder will be automatically calculated. Evaluation of bids and determination of the lowest bidder (L1) for each item shall be worked out by multiplying the rate per unit of each item quoted by the bidder with the respective quantity given as per the schedule of work given in the Price Bid (BoQ) Format. The technically acceptable bidder who has quoted the lowest value in the BOQ for an item shall be the L1 bidder for that item. Further evaluation shall be as per Para 7.0 below.

7.0 REVERSE AUCTION: Reverse Auction will be conducted with IOP (Initial Opening Price) of per MT of bagged products at the lowest item rate quoted in the price bid and Decrement Value at **Rs. 1** (i.e. 1 Rupee) i.e. the start price of Reverse Auction for an item will be the L1 rate of the item in the price bid.

7.1 PROCEDURE FOR REVERSE AUCTION:

- a)
 - i) Reverse Auction shall be conducted among the shortlisted bidders whose Part A bids are found acceptable as per tender conditions.
 - ii) Reverse Auction will be conducted with a start price and decrement value for the applicable tenders as per the extant guidelines prevailing at the time of process.
 - iii) From the ranking, the Highest Quoted Bidder (H1) shall be eliminated, subject to ensuring minimum three (3) bidders participation in the reverse auction i.e H1 will be eliminated if four (4) or more bidders participated. In case, participation is less than or equal to three (3), all the bidders will be qualified for the reverse auction. All the short listed bidders for Reverse Auction shall be intimated about their eligibility for participation in Reverse Auction. In case more than one bidder turn out to be H1 bidder (due to same quoted value), all H1 bidders will be eliminated subject to ensuring three (3) bidders participation. Due to such H1 bidders elimination, the available eligible bidders reduced to lesser than four, all will be included without elimination.
- b) Schedule for Reverse Bidding: The date and time of start of Reverse Auction will be intimated to all the bidders. Scheduled duration of Reverse Auction will be fixed by Department.
- c) Auction extension time: If a valid bid is placed within Ten (10) minutes of End Time of the Reverse Auction (RA), then RA duration shall get automatically extended for another Ten (10) minutes from the existing end time. It may be noted that the auto extension will take place only if a valid bid comes in those last Ten (10) minutes. If a bid does not get accepted as the lowest bid, the auto-extension will not take place even if that bid might have come in the last Ten (10) minutes. The above process will continue till no bid is received in last Ten (10) minutes, which shall mark the completion of Reverse Auction. However, bidders are advised not to wait till the last moment to enter their bid to avoid complications related to internet connectivity, their network problems, system crash down, power failure etc.
- d) Post Reverse Bidding Procedure: After reverse auction, bidders would be ranked in ascending order as. RL-1, RL-2, RL-3, RL-4 and so on with RL-1 being the lowest.

7.2 The bidder who quoted the lowest rate in Reverse Auction shall be treated as final R1 Party (L1 Party after Reverse Auction).

The L2, L3, L4 etc. shall be based on their standing after reverse auction and not based on the original quoted rate.

7.3 If any of the vendors do not respond / participate in the Reverse Auction, their original quoted rates shall remain same.

7.4 **NEGOTIATION WITH L1/R1 TENDERER:** If FACT deems it fit to conduct negotiation, negotiation will be conducted with the L1/R1 tenderer in case of the following:

i. Where there is only one Techno Commercially qualified bid.

ii. Where more than one Techno Commercially qualified bids are received and reverse auction has been conducted, but did not result in any competitive bids.

8.0 SPLITTING UP OF WORK:

8.1 Considering the nature of work and to have flexibility in movement operations, FACT proposes to engage more than one contractor for the work as per this enquiry.

If a non MSE bidder becomes lowest (L1), then 25% of total order quantity shall be allocated to lowest quoted MSE bidder as per the clause 8.0 of Instruction to Bidders, based on matching with L1 quoted rate.

For the balance quantity, the lowest bidder (L1) and the second lowest bidder (L2) will be awarded order in the percentage ratio of 70:30 of the balance quantity subject to matching with the L1 rate.

If MSE bidder becomes lowest bidder (L1), 70% of the work will be awarded and in this case the preference to MSE bidder as per the clause 8.0 of Instruction to Bidders will not be applicable.

In case L2 does not match with the L1 rate then L3 will be awarded order allocated for second lowest bidder subject to L3 matching with L1 rate and so on. The opportunity shall be extended to all eligible bidders who qualify the PQ criteria until 2 bidders are shortlisted for placing of orders. In case L2, L3 etc. do not match with the L1 rate, order may be given to L1 for the full quantity.

8.2. Decision of FACT on splitting order shall be final and binding on the bidders. Tendered quantity shall be split between the bidders only after considering the benefits applicable to the MSE bidders.

9.0. Any tender i) Which varies from our terms & conditions or stipulates counter conditions, OR ii) Which fails to provide required information or is otherwise incomplete, is liable to be rejected.

Special provisions extended to certain categories of MSEs as per the order shall also be applicable.

In case of non divisible tenders, an MSE quoting in the price band of L1+15% may be awarded for full/complete work of tendered value, considering the spirit of policy for enhancing the Government procurement from MSEs subject to bringing down of price to L1 by the MSE concerned.
