Dear Sir/Madam,

Re: Participation in FACT Tenders - Registration on GeM Portal

As already intimated vide our previous advice by email dated 16.02.2021, The Fertilisers And Chemicals Travancore Limited (FACT) regularly floats most of its tenders through GeM portal (<https://gem.gov.in/>). As majority of our procurement activities are through GeM portal, bidders who are not yet registered their firms on the GeM portal are requested to register their products and services, so as to participate in the tenders.

Yours Sincerely,
Deputy General Manager (Materials) ESS
FACT LTD.
