

CORRIGENDUM

Expression of Interest (Eoi) from agencies for empanelment of AMI solution providers as partners in Advanced Metering Infrastructure (AMI) in smart grid business opportunities in the power distribution sector in India.

Tender no. : CONTRACTS/2021-2022/SMARTMETER

Tender ID: 2021_FACT_645811_1

1.0 Ref Clause 6.2.1 PQC – Technical – Lead Bidder including consortium:

Existing Clause:

The Lead Bidder (including its consortium) should have ISO 9001:2015, ISO 27001-2013 and CMMi Level 3 (or above) Certifications.

Modified Clause:

The Lead Bidder (including its consortium) / Product OEM as applicable should have ISO 9001:2015, ISO 27001-2013 and CMMi Level 3 (or above) Certifications. For CMMi Level 3 (or above) certification, provisional empanelment shall be considered subject to furnishing a declaration by the bidder along with the bid that they shall furnish the relevant CMMi Level 3 (or above) certification within three months from the date of empanelment failing which the empanelment of the bidder stands automatically cancelled without any further notice.

2.0 Ref Clause 6.2.4 PQC –Technical –Lead Bidder including consortium

Existing Clause:

The Lead Bidder (including its consortium) should have successfully implemented at least one project **in India** with communication module/ endpoints (installation/ integration) on GPRS/ Cellular during the last five (05) years

Modified Clause:

The Lead Bidder (including its consortium) should have successfully implemented at least one project **in India** with communication module/ endpoints (installation/ integration) on GPRS/ Cellular/ RF Mesh or any other communication technology applicable for AMI projects in power sector during the last five (05) years.

3.0 New Clause (Additional note under 6.3 PQC-Technical- Product OEM)

The Product OEM's selected by the bidders for empanelment shall meet the specified qualifications above.

In case the RFP's for future projects by utilities/ DISCOMS etc. demand higher qualifications for the product OEM's, the bidders are free to propose new product OEM's having higher qualifications/ capacities if required to meet the RFP requirements. However selection of Product OEM's having lower qualifications/ capacities than that specified in this EOI is not permitted at the time of bidding for RFP's by the utilities/ DISCOMS.

It may be noted that In the case of consortium empanelled in this EOI, the lead bidder is not permitted to change other members of the consortium for meeting the RFP requirements of future projects by the Utilities/ DISCOMS.
